North York Borough Council met in regular session with President John Throne presiding.

The following members of council were present.: Throne, Eckenrode, Burkins, Reachard, Shaffer, Coulter and Kohr.

The secretary then read the minutes of the regular session held Jan. 11, 1946 and the special session held Jan 28, 1946 and after a slight revision substituting the name of Clarence Coulter in place of Paul Everhart on the Council Committees, they were approved.

Reports of standing committees were then heard.

Finance - Eckenrode reported that the committee was working on the budget.

Sanitary - No Report.

Light. - Reachard reported that the street light at 5TH and Queen was in bad condition and would be taken care of.

Highway - Burkins reported that the stop sign recently replaced at 5TH and Duke was damaged. He reported that the bus stop at 8TH ave. had been replaced and also that he had contacted Mr. March about the speed signs but no action had been taken yet.

Police - Shaffer reported 5 arrests for the month. Officer Taylor stated that he would serve until another officer is secured but that he would not accept the job on a permanent basis.

Fire and Safety - No report.

Deferred Business, -

Eckenrode reported that he had contacted Mr. J.C. Foster, Borough Councillor but he was unable to attend the meeting. He also stated that he had notified the phone company about changing Rugle's phone.

Burkins letter from the York Bus Co. reestablishing the 8TH Ave stop was read.

A motion by Eckenrode, seconded by Reachard, that Officer Taylor be retained until another officer has been secured, was passed.

Mr. Graves of John D Graves and Co., a York Real Estate firm was introduced to council by Mr. Eckenrode. Mr. Graves explained a low cost housing project his company was contemplating erecting on the Mayer tract south of 9TH Ave.

It explained that 200 - $4000. homes containing four rooms, with no cellar and no sidewalks were to be built.

After a lengthy discussion, Pres. Throne appointed Eckenrode, Burkins, Reichard, Kohr and Cooder to contact the borough solicitor to see that all Borough ordinances and building restrictions were adhered to by the Graves Co. when construction begins.

The secretary then read a letter from the State Board of Health regarding sewage disposal plans. The letter was referred to the Sanitary Committee.

Eckenrode made a motion that the police vacancy be advertised in both local papers for three days and all applications should be sent to the secretary. Reichard seconded the motion which carried.

Eckenrode then made a motion that Dr. Chas. May and Henry Everhart be appointed for a period of five years to serve on the Board of Health. Burkins seconded the motion which passed.

The current bills were presented by the secretary and they were ordered to be paid on a motion by Kohr, seconded by Shaffer.

Burkins made a motion seconded by Shaffer that council adjourn.

2/11/46

North York Borough Council met in Special Session with President John Thorne presiding. All members of council were present.

The proposed budget for 1946 was read by Eckenrode a motion, to place the proposed budget at the home of the secretary for public inspection for a period of 15 days, made by Eckenrode was seconded by Shaffer and carried.

Chairman Eckenrode of the Special Committee appointed by the President to confer with the Borough Solicitor concerning the contemplated building project on the Mayer tract, north of East Seventh Avenue, reported the findings of the committee. He stated that the only legal control the Boro had over the project was in seeing that the builders conformed with Boro ordinances concerning a four foot sidewalk with curbing and built according to the borough maps adopted in 1931. Mr Eckenrode suggestes placing the facts, advantages and disadvantages, before the citizens of the Boro by means of a town meeting.

Mr. J. Carl Foster, Borough Solicitor was called upon and his opinions concured with those of Mr. Eckenrode.

Mr. Graves, a representative of the building contractors, stated that his company was willing to conform to all borough ordinances except the one concerning building according to the Boro maps. He also stated that he was willing to place clauses in every deed for property sold on the Mayer tract, stating that the properties could never be sold to non-Caucasians. He placed his company's drawings

before Council and they were compared to the Boro Map adopted in 1931. He also stated that any future building West of North Pine Street would conform with the Boro Map.

After lengthy consideration, Mr. Eckenrode made a motion to permit Mr. Graves to go ahead with his building project, providing that they conform with the Boro ordinance concerning a four foot sidewalk with curbing, have streets 40 feet in width and include a non-Caucasian clause in every deed for property sold, it also being understood that any future building west of North Pine street was to conform to the Boro map adopted in 1931.

Mr. Kohr seconded the motion which carried unanimously.

The Secretary read a total of seventeen written applications for the job of Boro officer, received in response to advertisements in the local newspapers. The applications were turned over to the Police Comm. for further consideration and investigation.

Shaffer made a motion for adjournment. It was seconded by Burkins and passed.

North York Borough Council met in regular session with Preadent John Throne presiding.

A roll call showed that Councilmen Eckenrode, Burkins, Reachard, Kohr, Cousler and Throne were present.

The minutes of the March 4, 1946 meeting, were read and approved.

Standing Committee Chairmen then gave the following reports:

Finance - Eckenrode reported contacting Dept. of Highways on how the money in the Motor Licence Fund was to be expended.

Sanitary - The Boro Health Officer, Mr. Reigle reported that the owner of 1007 and 1009 North Duke street had been notified to clean the cesspools on his properties but after the required 10 days period no action had been taken. Council, at the suggestion of Mr. Eckenrode, decided to notify the Real Estate agent who is handling the said properties before taking further action.

Light - No Report.

Highway - Burkins reported that 4th Ave. and Latimer Street had been oiled. He also stated that the recently purchased speed signs were being erected. The committee inspected the streets and alleys of the borough and decided to start fixing them as soon as possible.

Police - No Report.

Fire and Safety - Cousler reported that he had been asked by the fire chief to purchase a windshield or a cab for the borough fire apparatus.

Eckenrode made a motion that the Highway committee be given permission to proceed with the necessary work on the borough streets. Cousler seconded and the motion carried.

The secretary was then instructed to take the Federal application and the State application for funds for preliminary work on the proposed sewage disposal system, to the Borough Solicitor for legal study.

A letter from D. C. Shindler requesting a raise from 60 to 70 cents per hour for labor and 75 cents per hour for oiling was read and discussed.

Burkins made a motion to raise the rate of pay for labor to seventy cents per hour. The motion was seconded by Reachard and carried.

Eckenrode made a motion to set the Borough Tax Rebate period at June 15TH. Kohr seconded the motion and it passed.

Eckenrode made a motion to pay the current bills. Burkins seconded and the motion carried.

Reachard made a motion for adjournment. Cousler seconded and the meeting was adjourned.

North York Borough Council met in regular session with President John Throne presiding.

Councilmen Reachard, Kohr, Shaffer, Cousler and Throne were in attendance.

The minutes of the meeting of April 1, 1946 were read and approved.

Standing Committee Chairmen then gave the following reports.

FINANCE - No Report.

SANITARY - Kohr made a motion which was seconded by Shaffer, that the Borough Solicitor draw up an ordinance prohibiting the dumping of wet and dry garbage within the Borough limits. The motion carried.

LIGHT - No Report

HIGHWAY - The Secretary read the bid of J. H. Emrich and Son for repairing the Borough Streets. The Highway Committee was instructed to proceed with the necessary work as they see fit.

POLICE - The Secretary read a detailed report of Borough Officer Regler activities during the preceding month. Councilman Shaffer publicly commended the officer for his splendid report.

FIRE AND SAFETY - Cousler reported that a hole dug on Latimer St. by the York Water Co., and filled in by them, had left the street in a rough condition. He also reported that a firm had been contacted who was willing to attach a windshield to the Borough fire truck. Reachard made a motion that the Borough would pay for the installation of the windshield. It was seconded by Cousler and passed.

Borough Solicitor J. Carl Foster Jr., explained the Federal Works Administration program as related to the proposed sewage system in the Borough. He stated that the engineer's fees for making a survey would be paid by the Governmental agency and would not have to be repaid unless the Borough decided to go ahead with the project. Council decided to defer action until such time that Borough Engineer March could meet with them.

Cousler made a motion that a Committee be appointed to work in conjunction with other organizations

of the Borough in planning a celebration for the returning Servicemen. Reachard seconded and the motion carried.

A letter of resignation from J. Elmer Burbine, stating that he was now working under Civil Service and was prohibited from holding an elective office, was read by the Secretary. Shaffer made a motion that the resignation be accepted. Kohr seconded and the motion carried.

President Throne then announced the committee for making plans for the Servicemen's celebration. He named himself chairman with Coudon and Reachard assisting him.

The current bills amounting to $839.65 were read and ordered to be paid.

Kohr made a motion for adjournment, Shaffer seconded. There were no dissenting votes so council was adjourned

S. D. Leverette

Bills amounting to 1417.81 were read and ordered paid on a motion by Kohr seconded by Shaffer

Shaffer made a motion for adjournment, Reichard seconded and the meeting was adjourned.

JUNE 3, 1946.

North York Borough Council met in regular session with President John Throne presiding.

Councilmen Eckenrode, Reachard, Kohr, Shaffer, Coudler and Throne were in attendance.

The minutes of the meeting of May 6, 1946 were read and approved as read.

The Standing Committee Chairmen gave the following reports

FINANCE - Eckenrode reported that a total of approximately $3500 was available for use by the Highway Committee and that Mr. Krieg had been instructed to continue with the present Highway work to the extent of $3000. The remainder is to used for necessary patch work on other streets.

SANITARY - No Report.

LIGHT - No Report

HIGHWAY - Coudler outlined the committee's plans and stated that the present contractor was doing commendable work.

POLICE - No Report

FIRE AND SAFETY Coudler reported that the new windshield had been installed on the Borough fire truck.

J. Carl Foster Jr. then presented the ordinance prohibiting the dumping of garbage within the Borough limits, which he had been instructed to write. After several minor revisions in wording the ordinance was adopted on a motion by Eckenrode, seconded by Shaffer. The ordinance, Number 69, is attached to these minutes in its entirety. It is also listed in its proper place in the Borough Ordinance Book.

Kohr made a motion that the ordinance be advertised in the legal columns of the two daily newspapers. Reachard seconded and the motion carried.

Mr. Foster, the Borough Solicitor, then suggested that the members of the Finance Committee and the Health Committee make arrangements to personally contact the proper officials of the State Board of Health to discuss our sewage disposal problem. He stated that he was willing to devote a day of his time in order to get more information concerning this subject. His suggestion was favorably received and he was instructed to make the necessary arrangements.

North York Borough Council met in regular session on Monday Night July 1, 1946 in the Council Chamber of the Liberty Fire Hall with President John Throne presiding.

a roll call showed the following members present — Throne, Eckenrode, Kohr, Shoffer and Cousler.

Standing committee chairmen gave the following reports.

FINANCE. — Eckenrode reported that Council was staying well within its 1946 Budget limits. He also gave a brief outline of the facts derived from the June 18 meeting with officials of the Pennsylvania Board of Health. He stated that that body was only interested in having the sanitary sewage system plans made at the present time. Actual construction might be necessary at a later date.

SANITARY. Kohr reported that the owner of a property at the foot of Prospect Hill had been notified that his toilet facilities did not measure up to Borough standards. He also reported that a leak in the septic tank on the Kubek property in the same vicinity, would be fixed as soon as possible, according to the owner.

LIGHT — No Report

HIGHWAY — Cousler stated that repair work on the Boro streets was completed except for emergency patch work. Chief Burgess Innes and President Throne commended Cousler for the splendid work completed by his committee.

POLICE — The Police report of Edward Regle and Earl Taylor was read by the Secretary. A total of $70.00 in fines was collected.

FIRE AND SAFETY — No Report.

Kohr made a motion that Eckenrode and Solicitor Foster be compensated to the amount of Five Dollars each for expenses incurred during the June 18 visit to Harrisburg. Shaffer seconded and the motion carried

Kohr proposed that Curvin J. Beshore be named to fill the unexpired term of J. Elmer Burbina, resigned. Cousler seconded and the motion carried.

Mr. J. D. Sieber and Gordon J. Wiest, representatives of the engineering firm of Albright and Friel Inc. of 1520 Locust St., Philadelphia, Pennsylvania were introduced by President Throne and Mr Sieber was given the floor. He stated that the company he represents would like to submit a proposal for the cost

of a survey for the installation of the sanitary sewage system in the Borough, said proposal would not obligate the Borough in any manner. He named a goodly number of communities in this locality, including the city of York, for whom his company was currently working.

Eckenrode made a motion that North York Borough Council accept the offer of Albright and Friel Inc., to submit a proposal for the cost of a survey for the installation of the sanitary sewage system in the Borough. Shaffer seconded and the motion carried.

Eckenrode made a motion to accept the street lighting contract submitted by the Edison Light and Power Company to cover the period from July 1, 1946 to June 30, 1951. The motion was seconded by Shaffer and carried.

Solicitor Foster explained a recently enacted law concerning the filing of liens for back taxes and urged that the Borough Tax Collector be invited to attend the next meeting of Council so that any taxpayers with arrearages could be notified in time to avoid the costs of removing a lien.

A communication from the Department of Public Instruction concerning the establishment of a one night a week, ten week course on Borough Law and the Borough Code was read by the Secretary. Solicitor Foster stated that he was willing to act as instructor if Council saw fit to adopt the plan. Kohr made a motion for acceptance of the course. Eckenrode seconded and the motion carried.

Kohr made a motion for the payment of bills amounting to $1652.25. Shaffer seconded and the motion carried.

President Throne announced that there would be a Special meeting of Council on Monday night July 8, 1946 at 8 P.M. in the Council Chambers.

Shaffer made a motion for adjournment. Cowles seconded. The motion carried and the meeting was adjourned.

S. D. Sueseth, Sec.

July 8, 1946

North York Borough Council met in Special Session on Monday night July 8, 1946, in the Council Chambers of the Liberty Fire hall. Councilmen Throne, Cousler, Eckenrode, Reachard, Kohr and Beshore were in attendance with Throne presiding.

The recently appointed councilman, Mr. Curvin J. Beshore was sworn in by Chief Burgess Inners.

Mr. I. M. Glace, a sewage engineer, associated with Whitman, Requardt and Associates of 1304 Saint Paul Street, Baltimore 2, Maryland, was introduced to council and he briefly related the qualifications of his company. He Stated that the preliminary estimate of cost would require about four months to compile, should the Borough have adequate maps and slightly longer if his firm was required to survey. He also stated that the compilation of final plans would take three or four months longer. The cost to the Borough of the preliminary estimate of cost would be approximately $1000.00, and the detailed final plans would be payable on a percentage basis, the percentage being figured on the total cost of the sewage system. Mr. Glace also stated that the firm he represents would not submit any bill before January 1, 1947, and that all necessary applications to the Pennsylvania Department of Health and to the Federal Government for funds, would be filled out by their office.

After a lengthy period of questioning, Mr. Glace said that his company would be glad to submit a proposal for the preparation of plans for the sewage disposal system, within ten days at no cost to the borough. This proposal would state in more concise terms, the approximate cost of the project to the Borough.

Eckenrode made a motion that several local engineers be invited to appear before the body and give their proposals for the projected work. Kohr seconded and the motion carried.

Mr. J. Carl Foster, the Borough Solicitor, said that he would contact the local firms and try to have one appear at the regular session on August 5 and the other at a special session on August 12.

Eckenrode made a motion for adjournment, Cousler seconded. The motion carried and the meeting was adjourned.

Respectfully Submitted,

North York Borough Council met in regular session on Monday night, August 5, 1946, in the council chambers of the Liberty Fire hall. Councilmen Throne, Eckenrode, Reachard, Shaffer and Cousler were in attendance with Throne presiding.

The regular routine of business was altered somewhat in order to hear Mr. Thomas Monk, a former Borough engineer, explain the qualifications of his firm for making the necessary survey required by the Pennsylvania State Board of Health for the construction of a Sanitary Sewer System in the Borough.

Mr. Monk stated that any contract made with his firm would be written to comply with the minimum rates set up by the National and State Societies of Professional Engineers. A copy of these rates and a model contract was placed in the hands of the Borough Secretary for future reference. He also stated that he believed it would be unnecessary for the Borough to advance any funds until actual construction work was started.

President Throne then asked committee chairmen to report:

Finance-No report
Sanitary-Cousler reported having had two men cut weeds during t he past month.
Light-No report
Highway-Eckenrode reported that Albright alley, between the 600 and 800 block had been torn up by the H. E. Goodling Co. approximately a year ago and hadn't been put back in proper order. Attorney Foster was instructed to contact the company in question and see when then intend to repair the alley.
Police-Shaffer reported that a total of $160 in fines were collected during the month . The secretary read Officer' Reigle's detailed report. Cousler made a motion that the sanitary committee instruct the local Board of Health to contact the owners of the two properties known as 1052 and 1054 North George St., and order them to discontinue running sewage into the Borough's storm sewers. Shaffer seconded and the motion carried.
Fire and Safety-No. Report.

Chief Burgess Inners requested council to amend Ordinance No. 69, to include a penalty as well as a fine. He stated that in its' present form, a violator could refuse to pay the fine and he would be unable to do anything about it. Solicitor Foster was instructed to rewrite the Ordinance , including a penalty, for presentation and approval of Council at it's next meeting.

Mr. Foster reported that C. S. Davidson, a York engineer, would be able to meet with the body on Monday, August 12. He also reported that with the council's approval, he was ready to go ahead with plans for the State-sponsored lectures on Borough management. He stated that present plans placed North York Council in the role of host to approximately 15 boroughs lying North, East and West of York. Council approved the project and the Secretary was instructed to invite the borough officials of the various communities. to attend.

Reachard made a motion to pay the outstanding bills, amounting to $1422.34. Shaffer seconded and the motion carried.
Shaffer made a motion to adjourn. Eckenrode seconded and the meeting was adjourned until August 12, 1946.

S. D. Sweet

August 12, 1946

A Special Session of North York Borough Council was called to order at 8 P. M., Monday, August 12, 1946 in the Council chambers of the Liberty Fire hall, by President John C. Throne.

Councilmen in attendance were Throne, Kohr, Eckenrode, Shaffer and Beshore. Borough Solicitor Foster Was also present.

C. S. Davidson, Civil Engineer, was given the floor to discuss the preparation of plans for the installation of the sanitary sewer system in the Borough. He stated that he was very familiar with the layout of the Borough, and he was particularly concerned about the undeveloped section lying east of North Duke Street. He said that a topographical survey of that section would be necessary prior to the laying of any sewer lines, in order to save the Borough extra expense in the future, when and if those sections are developed. He also stated t that his firm would be willing to wait a reasonable length of time after the preliminary plans are completed before they would expect payment. He also suggested that Council draw up a contract, stating specifications, and advertise for bids.

Council then informally discussed the question of making a topographical survey and the question arose as to whether the cost of such a survey would be paid for by the State and Federal Governments. Solicitor Foster stated that he would contact the State Dept. of Health concerning the matter and report at a later meeting. He also stated that he would contact the John D. Graves Company about their building plans on the Trailer Camp site.

Foster then presented Council with a copy of Ordinance No. 69, amended as per their instructions. Kohr made a motion that it be adopted. Shaffer seconded and the motion carried. The Secretary was instructed to advertise the Ordinance as required by the Borough Code. A copy was ordered to be placed in the Borough Ordinance Book and a copy is attached to these minutes.

Eckenrode made a motion instructing the Borough Solicitor to notify Mr. H. A. Stiles of certain unsanitary conditions on a property of one of his clients located in the 500 Block North George Street. Shaffer seconded and the motion carried.

Shaffer made a motion for the session to adjourn until Monday, September 9, 1946, Kohr seconded and the motion carried.

North York Borough Council met in regular session on Monday, September 9, 1946, at 8 P. M., in the Council Chamber of the Liberty Fire hall, with vice-president Granville I. Kohr presiding. A roll call showed that Councilmen Eckenrode, Cousler, Beshore and Kohr were present.

The minutes of the regular meeting held August 5, 1946 and the special meeting of August 12, 1946 were read by the secretary and approved.

Standing committees gave the following reports:

Finance- No Report

Sanitary- Kohr reported investigating the properties at 1052 and 1054 North George Street and stated that they are connected to the Borough Storm Sewer. Borough Officer Reigle corroborated Kohr's statements and suggested that Council do something to remedy the condition as it was contrary to State sanitary regulations. The sanitary committee was instructed to further investigate the properties and take whatever action they deem necessary.

Light- No Report

Highway- Cousler reported that the gutter at the corner of West 8th. Avenue and North George Street had been fixed and the grade marker at 7th. and Duke Street had been lowered. He also reported that he had contacted the State Highway Department concerning the removal of silt and top soil from N. George Street at W. 10th. Ave., following heavy rains, but as yet had received no assurance that they would remove it. Chief Burgess Inners reported that he had received a request from the owner of the property at 1025 N. Duke Street, to construct an apron of concrete in the alley adjoining his place to prevent rain water from entering his cellar. Eckenrode made a motion that the Chief Burgess investigate the situation and if necessary issue a permit for the construction of the concrete apron, said apron to conform to the grade established by the borough. Cousler seconded and the motion carried.

Police- Officer Reigle's report was read by the Secretary and accepted on a motion by Eckenrode, seconded by Cousler.

Fire & Safety- Cousler reported he had been contacted by the Borough Fire Chief to have the York Water Company inspect all of the Fire Hydrants in the Borough. Eckenrode made a motion that the Secretary write a letter to the Water Company, requesting an inspection of the Borough Hydrants. Beshore seconded and the motion carried.

Eckenrode made a motion that bills amounting to $764.48 be paid. Cousler seconded and the motion carried.

Solicitor Foster then read Ordinance 69 as amended since the meeting of August 12. Eckenrode made a motion that it be accepted as read, Cousler seconded and the Ordinance was adppted. Mr. Foster then reported that he had received no reply from the State Department of Health concerning his inquiry about the proper method of letting the contract for the preliminary survey for the sanitary sewer system. He also reported that the He E. Goodling Company was desirous of meeting with the Highway Committee concerning the repair of Albright Alley between Second and Third Avenues. The Committee decided to comply with the request sometime during the week of September 16.

Councilman Kohr was commended by Eckenrode for the splendid job he did in organizing the Welcome Home Banquet for the returned veterans of World War II . Council then adjourned to meet October 7, 1946.

$2.500.00 was charged against the 1946 income but $3,500.00 was the total allowed for 1946 disbursement. The additional $1,000.00 was appropriated in 1945, but that money was not used in 1945 due to scarcity of labor and materials, therefore the Total Highway Expense percentage should be 87.61% and figuring the $1,000.00 for repair of streets, that percentage should be 91.18%.

The regular meeting of North York Borough Council was called to order by President John C. Throne, at 8 P. M, on Monday evening, Oct. 7, 1946 in the Council chambers of the Liberty Fire hall. A roll call showed the following members present: Eckenrode, Kohr, Shaffer, Cousler, Beshore and Throne.

The minutes of the regular meeting of September 9, 1946 were read by the Secretary and approved.

The standing committees gave the following reports:

SANITARY** Kohr reported having investigated the properties known as 1052 and 1054 North George street and found that they were discharging sewage from their cesspools into the Borough's storm sewer located on the corner of W. 7th. Ave. and North George street. Eckenrode made a motion that the matter be reported to the State Board of Health to deal with as they see fit. Kohr seconded the motion which carried.

LIGHT---No Report

HIGHWAY---Eckenrode stated that the committee had met with a representative of the H. E. Goodling Company concerning the condition of Second and Third Avenues and that section of Albright alley connecting the two streets. He reported that the Goodling Company was willing to pay the full expense for repairing Albright alley if the Borough would repair Second and Third avenues. Eckenrode made a motion that the matter be deferred until 1947, AT WHICH TIME the Highway committee will have more money available. Cousler seconded and the motion carried.

POLICE** Officer Reigle's report was read by the Secretary.

FIRE & SAFETY-- The Secretary read a communication from the York Water company stating that they were sending a man to test all of the fire hydrants in the Borough.

FINANCE--Eckenrode read a detailed report for the period ending Sept. 9, 1946 which showed that the Council was staying within its' budget.

Cousler reported an undesirable drainage condition on North Court alley between Seventh and Eighth avenues. Beshore stated that he believed that the condition could be remedied if the King Oil Service property would connect to the Borough storm sewer . Cousler was instructed to contact Mr. King concerning the matter.

A communication from Albright & Friel Inc., an engineering firm which is currently making the plans for the city of York's contemplated sewage system, was read by the Secretary,,who was instructed to furnish them with all available data.

Kohr made a motion for adjournment, Shaffer seconded and the meeting was adjourned.

President John C. Throne called the regular meeting of North York Borough Council to order at 8 P. M. on Monday, November 4, 1946. A roll call showed the following members present. Kohr, Shaffer, Cousler, Beshore and Throne.

The minutes of the regular meeting of October 7, 1946 were read and approved.

Standing Committees gave the following reports:

FINANCE--No Report

SANITARY--Kohr reported that according to the Borough Code, the Health Officer has the authority to enter the properties known as 1052 and 1054 North George Street and disconnect the pipes entering the Borough's Storm Sewer and the respective owners would be responsible for the payment of any charges incurred in doing same. Kohr made a motion that the Secretary of the Health Board notify the owner of the property known as 1052 North George Street that he is to disconnect from the Borough Storm Sewer within a period of ten days. Cousler seconded and the motion carried.

LIGHT--No Report

HIGHWAY--Cousler reported that patch work was being done on Albright alley between Second and Fourth Avenues as well as on North Duke Street In the 1400 and 1500 blocks. He also reported that St. Peter's Lutheran Church Council had requested a grade for the area surrounding the parsonage located at the corner of Dewey Avenue and North George Street. Kohr made a motion that Richard March be instructed to make the necessary survey. Shaffer seconded and the motion carried.

POLICE--The Secretary read Officer Reigle's report.

FIRE AND SAFETY-- Cousler suggested that provision be made in the 1947 Budget for the installation of one traffic light in the Borough. He felt that such a move would help to slow the movement of traffic. Further discussion was postponed until a later meeting.

A letter from Albright & Friel Inc., the engineering firm currently making a preliminary survey for the construction of a sewage disposal system for the City of York, was read and discussed. They suggested that representatives of our Borough should confer with York City Council concerning the future possibility of North York Borough entering the City's System. Kohr made a motion that the Sanitary committee confer with our Solicitor and arrange the meeting requested by Albright & Friel. Beshore seconded and the motion carried.

Cousler made a motion that the Secretary advertise for bids for the collection and disposal of organic and in-organic garbage for 1947. Beshore seconded and the motion carried.

Current bills amounting to $576.59 were ordered paid on a motion by Cousler seconded by Shaffer.

Kohr made a motion for adjournment, Shaffer seconded and the meeting was adjourned.

North York Borough Council met in regular session on Monday, December 2, 1946 at 8 P. M. in the Council Chambers of the Liberty Fire hall, with President John C. Throne presiding. A roll call showed the following present: Eckenrode, Kohr, Shaffer, Cousler, Beshore and Throne.

The minutes of the regular meeting of November 4, 1946 were read by the Secretary and approved.

Standing Committees gave the following reports.

Finance- Eckenrode reported that Council was staying well within the limits of the budget.

Sanitary- Kohr reported that Clarence Trimmer, the owner of the property known as 1052 North George Street had been notified to disconnect from the Borough's Storm Sewer system, but hadn't complied as of this date. Eckenrode made a motion that the owner be notified by registered letter to disconnect within a period of ten days. The Secretary of the Borough Board of Health is to prepare and send the letter and request a reply. Kohr seconded and the motion carried.

Light- Cousler reported that he had been contacted by the owners of Boring Brothers Furniture Company regarding the possibilities of moving the telephone pole at the southwest corner of Court Avenue and Seventh Avenue. The Light Committee was instructed to contact the Edison Light and Power Company concerning the matter and report at the next meeting.

Highway- Cousler requested the advice of Council concerning the drainage problem at the intersection of Duke Street and ~~East~~ Eleventh avenue. The Secretary was instructed to write to W. W. Crumling, Superintendant of District 8-4, Pennsylvania Department of Highways, requesting an appointment to meet with him to discuss the best method to eleminate the problem. The Secretary read a communication from Mr. Crumling requesting permission to remove snow from North George Street during the coming winter. President Throne signed a statement giving the Department of Highways the requested authority.

Police- The Secretary read Officer Reigle's report which included six arrests for illegal parking .

Fire and Safety- Cousler reported that the defective fire Hydrant at the corner of Seventh Avenue and North Duke Street had been replaced with a new one. He also reported that the Fire Company had requested Council to purchase six new pairs of rubber boots for on the fire apparatus. The Secretary was instructed to contact local shoe merchants concerning the cost of same, and make a report at the next session of Council.

Eckenrode reported arraigning a meeting with the Mayor and City Council of York to discuss the possibilities of North York connecting to the City's Sanitary Sewage System. He stated that he, in the company of the Borough Solicitor, had arrived at the Mayor's office several minutes prior to the scheduled meeting time and waited for approximately forty minutes before departing. It seemed that the City's Governing body was too busy to keep a scheduled appointment.

Bids for the collection and disposal of organic and inorganic garbage for the year 1947 were opened and read by the Secretary. Raymond Kann, the present contract holder entered a bid of $2900.00 for a one year contract or $2800.00 a year for a two year contract.

Jacob Knaub entered a bid of $2592.00 for a one year with the p privelege of two years contract.

Mr. Knaub's bid was received after the advertised date and the body referred the matter to the Solicitor and decided to postpone the letting of the contract until Monday, December 9, 1946, for which a special meeting shall be called.

Mr. Glenn Kretzman, a tenant residing at 535 North George Street, appeared before the body requesting relief from a boundary dispute , between the owner of his home and the owner of 537 North George Street, which has left him without toilet facilities. Eckenrode volunteered to contact the Solicitor as soon as possible, concerning the matter and promised to give a report at the special meeting.

Councilman Reachard's written resignation was read and accepted on a motion by Eckenrode, seconded by Kohr.

Communications were read and ordered filed.

Eckenrode made a motion to pay bills outstanding amounting to $1109.65 . Cousler seconded and the motion carried.

Beshore made a motion for adjournment. Kohr seconded. Motion carried and the meeting was adjourned.

Respectfully submitted,

ORDINANCE NO. 69

AN ORDINANCE

Prohibiting the dumping of all types of garbage, organic and inorganic, in or upon any of the sidewalks, streets, gutters, thorofares or any other property or premises within the corporate limits of the Borough of North York, and fixing the penalty for the violation thereof.

The Council of the Borough of North York, in the County of York and Commonwealth of Pennsylvania, hereby ordains as follows:

SECTION 1. That from and after the passage of this Ordinance, it shall be unlawful for any person, company, firm or corporation to dump any type of garbage, organic or inorganic, in or upon any of the sidewalks, streets, gutters, thorofares, or any other property or premises within the corporate limits of the Borough of North York.

SECTION 2. Any person, company, firm or corporation violating the provisions of this Ordinance, shall be deemed guilty of a misdemeanor and upon conviction shall be subject to the payment of a fine not exceeding the amount of $10.00 for each offense.

SECTION 3. All Ordinances or parts of Ordinances in conflict with this Ordinance are hereby repealed.

John C. Stone

President of Borough Council.

Attest:

S. D. Sueroth

Secretary of Borough Council.

Approved by me this 10TH day of June, 1946.

B. F. Inners.

Chief Burgess.
