A roll call showed the following to be present: Councilmen Slaugh, Fink, Poff, Lauer, Gladfelter, Chief of Police Reigle, Chief Burgess Inners, Borough Solicitor Foster, Treasurer Everhart and Secretary Shettel. The minutes of the previous meeting were read and approved.

The standing committees gave the following reports:

Finance Committee: No report.

Sanitary Committee: No report.

Light Committee: Gladfelter, chairman of this committee reported that a total of five street lights were out of order during the month of October. All of these have been repaired.

Highway Committee: Poff, chairman of this committee reported that pitch has been placed in the joints on Duke Street. He also reported that 10th. avenue has been repaired. He reported that the warning sign which was ordered to be placed on Duke Street has been received but that it is entirely too big for our use. He reported that he contacted the Service Supply regarding taking the sign back but they informed him that they had to order it special for us. They said they would contact the supply house and if it cannot be returned they will try to sell it for us.

Police Committee: The Chief of Police Reigles report was read by the secretary. Fink chairman of this committee reported that Chief of Police Reigle was in very bad need of a new uniform, and suggested that council furnish him with a new one.

Fire & Safety Committee: Slaugh chairman of this committee reported that one fire call was answered by the fire company during the month of October.

Chief Burgess Inners report was read by the secretary. This report showed that $7.00 was collected for permits issued during the month of October.

Slaugh moved that council purchase a complete new uniform for the borough officer. Lauer seconded the motion. Motion carried. The secretary was instructed to give Officer Reigle a letter authorizing him to make this purchase to the amount of $132.50.

Chief Burgess Inners reported that the borough was without a special officer in that Earl Taylor had a permanent position as officer of Dallastown. Mr. Kindig was present and applied for the position of special officer. Slaugh moved that council defer action. Poff seconded the motion. Motion carried.

At this time bids for garbage collection were opened and read. One bid was received from Raymond Kann for the amount of $3200.00 a year. One bid was received from David Orr for the amount of $3888.00 Fink moved that the bid from Raymond Kann be accepted. The motion was seconded by Poff. Motion carried.

October 4, 1948.

The regular session of the North York Borough Council was called to order at 8 P.M., Monday, October 4, 1948, by the president Granville Kohr. A roll call showed the following to be present: Councilmen Brothers, Slaugh, Fink, Poff, Lauer, Gladfelter, Chief of Police Reigle, Chief Burgess Inners, Borough Solicitor Foster, Treasurer Everhart and Secretary Shettel. The minutes of the previous meeting were read and approved.

The standing committees gave the following reports:

Finance Committee: Lauer chairman of this committee reported that we are staying within our estimated budget with the majority of our finances, however there are a few items in which we went beyond.

Sanitary Committee: Brothers chairman of this committee reported that sanitary conditions in the borough have been inspected.

Light Committee: Gladfelter chairman of this committee reported that all of the street lights are in good working order and that the committee has not had any complaints.

Highway Committee: Poff chairman of this committee reported that two barrels of pitch have been received and work on pitching the cracks on Duke St. and Fifth Ave., has been started. He also reported that the warning sign which will be placed on Duke Street approaching Seventh Avenue has been received and will be installed. He reported that he and Borough Engineer Monk had inspected the condition on W. 10th. Avenue, and prepared a plan to repair this avenue.

Police Committee: Chief of Police Reigles report was read by Fink chairman of this committee. It showed that $25.00 was collected in fines during the month of September.

Fire & Safety Committee: Slaugh chairman of this committee reported that the Fire apparatus and equipment is in good working order. He reported that the new door being put on the fire hall has been completed and that the fire company answered no calls during the month.

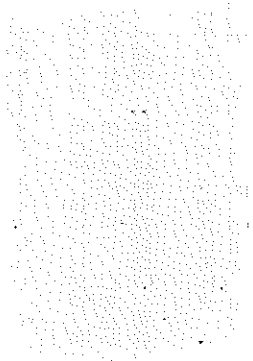
Chief Burgess Inners report was read by the Secretary. This report showed that $8.25 was collected for permits issued during the month of September.

The secretary reported that a check to the amount of $2325.00 has been received from the Federal Works Agency as final advance for the Sanitary Sewer Fund. Lauer moved this be accepted. Fink seconded the motion. Motion carried.

Lauer made a motion authorizing the treasurer to transfer $800.00 from the Sinking Fund into a certificate of deposit. The motion was seconded by Poff. Motion carried.

The secretary was instructed to advertise for bids for garbage collection. The bids to be received until the next regular meeting. These instructions were made on a motion by Fink and seconded by Poff. Motion carried.

Lauer made a motion that the chairman of the highway committee purchase the necessary material to repair W. 10th. Avenue. Gladfelter seconded the motion. Motion carried.



Poff made a motion that all of the bills be paid. Lauer seconded the motion. Motion carried.

Following the regular meeting and in observance of Pennsylvania Week, Mr. Charles McGuigan, a past president of the Pennsylvania Borough Association, gave a very interesting talk to the members of council and several visitors present.

Following this a motion picture entitled "Pennsylvania Local Government in Action" was shown.

Following the picture the meeting was adjourned by President Kohr.

Respectfully submitted.

Samuel H. Shettel.
Secretary.

REPORT INCLUDING SEPT. 1948 MEETING

September 7, 1948.

The regular session of the North York Borough Council was called to order at 8 P.M., Tuesday, September 7, 1948, by the president Granville Kohr. A roll call showed the following to be present: Councilmen Brothers, Slaugh, Fink, Poff, Gladfelter, Chief of Police Reigle, Chief Burgess Inners, Borough Engineer Monk, Treasurer Everhart and Secretary Shettel. The minutes of the previous meeting were read and approved.

The Standing Committees gave the following reports:

Finance Committee- No report.

Sanitary Committee- No report.

Light Committee- No report.

Highway Committee- Poff, chairman of the Highway Committee reported that he had investigated the sewer at the west end of 6th. avenue and found that as far as he could see it was clear and should take the water away. He also reported that he had investigated the sewer at the end of East Eighth Ave., and found it to be clear. He stated that to change this sewer as suggested at a previous meeting would be a very expensive proposition. The issue was tabled for the present.

Police Committee- The Chief of Police Reigle's report was read by the secretary. This report showed that $65.00 was collected in fines during the month of August. Howard Zeigler was present at the meeting and stated that on several occasions he had received phone calls from residents of the borough asking him to investigate disturbances. He stated that some of these calls came during the illness of Officer Reigle. He answered these calls he stated as a matter of public duty and also because of his friendship to the officer. He asked to be reimbursed to the amount of $15.00 for gas and oil used at these times.

Fire & Safety Committee- No report.

Chief Burgess Inners report was read by the Secretary. This showed that $10.50 was collected for permits during the month of August.

Under new business Fink made a motion that council pay Howard Zeigler $15.00 for services rendered. The motion was seconded by Slaugh. Motion carried.

A discussion was held regarding pitching the cracks on Fifth Ave., and Duke Street. It was decided that this should be finished before cold weather sets in. Slaugh made a motion that the Highway Committee be authorized to purchase enough material to complete this job. The motion was seconded by Poff. Motion carried.

Ona motion made by Gladfelter and seconded by Brothers, Engineer Monk was instructed to make a survey at the corner of E. Eighth Ave., and Court Ave., for H. G. Brant.

A petition was read by the secretary signed by residents of the 1100 Block of North Duke St. The petition stated that Mr. Ross Black was keeping five dogs in a kennel which is unclean creating a very unhealthy situation and that they also create a disturbance in regards to their barking. It further stated that the kennel is only a few

feet away from the kitchen window at 1140 N. Duke St., and also directly under a bedroom window. Officer Reigle stated that he had investigated this and found that the kennels were very clean and that to receive further action the complaintants would have to have an information sworn out by an alderman or justice of the peace. Burgess Inners stated that the kennels were kept clean but that when the dogs were disturbed they barked and howled very much.

The secretary reported that a check had been received from the Post War Planning Commission as final payment of proportionment for the Sanitary Sewer. This check was for the amount of $1330.00. Fink moved that Engineer Monk be given a check for $1330.00 as part payment for engineering services in drawing up plans and specifications of sewer. Slaugh seconded the motion. Motion carried.

In connection with the placing of new type doors on the Liberty Fire Hall, the Fire Co., ask council to replace 6' more of less of circular curbing at the north end of the building. Fink moved that this be done. Slaugh seconded the motion. Motion carried.

A communication was read from Allen Kling a resident of West Tenth Ave., stating that nothing had been done regarding the condition of W. Tenth Ave. He stated that he hoped the borough would see fit to repair the street as last winter he suffered severe inconvenience due to the water pipes leading into his house freezing up. Slaugh moved that the communication be referred to the Highway Committee. Fink seconded the motion. Motion carried.

A communication was read by the Secretary from Mr. H. F. Alderfer, Director of the Bureau of Municipal Affairs of the Department of Internal Affairs, Harrisburg, Pa., regarding Pennsylvania Week which will be observed the week beginning Sept. 26. During this week local councils are requested to have an open meeting to which the public should be invited to see the work which is being done by the council. Slaugh moved that the council observe this week. Brothers seconded the motion. Motion carried.

Fink moved that the secretary be instructed to write a letter to the North York Lions Club thanking them for the gift of the street signs which they erected in the borough. Poff seconded the motion.

Fink moved that all the bills be paid. Poff seconded the motion. Motion carried.

Poff moved the meeting be adjourned. Fink seconded the motion. Motion carried.

Respectfully submitted.

NORTH YORK BOROUGH COUNCIL

SECRETARY
SHERWOOD D. SUERETH
30 E. SIXTH AVENUE

CHIEF BURGESS
BENJAMIN F. INNERS
1059 N. DUKE ST.

TREASURER
PAUL H. EVERHART
1118 N. GEORGE ST.

YORK, PENNSYLVANIA

August 2, 1948.

The regular session of the North York Borough Council was called to order at 8 P.M., Monday August 2, 1948 by the president Granville Kohr. A roll call showed the following to be present: Councilmen Lauer, Poff, Gladfelter, Slaugh, Brothers, Chief Burgess Inners, Solicitor Foster, Treasurer Everhart and Secretary Shettel. The minutes of the previous meeting were read and approved.

The Standing Committees gave the following reports:

Finance Committee - No report.

Sanitary Committee - No report.

Light Committee - No report.

Highway Committee - Poff, chairman of the Highway Committee reported that the general repairing of the borough streets has been completed. He stated that there were a few minor things to be done such as the cutting of weeds and the cleaning of gutters. President Kohr then spoke of the possibility of repairing the sewer at the east end of Eighth Avenue. He stated that at present it presented a very unhealthy and dangerous condition. He stated that it may be possible to pipe from this sewer into the field and that he had received permission from Arthur Mayer to do this. A motion was made by Lauer to look into the situation and remedy it if possible. Slaugh seconded the motion. Motion carried.

Police Committee - No report.

Fire & Safety Committee: Councilman Slaugh, chairman of the fire and safety committee stated that he had approached Fire Chief Eisenhart regarding investigating the fire hazard at the Minnich residence on East Eighth Avenue, which had been reported at a previous meeting, but that as yet he has not had any report. Kohr stated that he had stopped to investigate this and found that in his opinion it was not as bad as stated. Mrs. Minnich stated that she intended to chop the wood which was piled at the rear of her yard and place it in her cellar.

Chief Burgess Inners report was read by the secretary. This showed that $14.50 was collected for permits during the month of July.

A permit was read from the Public Utility Commission regarding request for chartered bus service by the York Bus Company. Lauer moved the communication be received and filed. Poff seconded the motion. Motion carried.

A motion was made by Lauer and seconded by Poff that the council radify the action taken by Tax Collector Kauffman and Solicitor Foster in entering leins on the following taxes:

Richard L. Astle - 929 N. Pine St.	$10.42
Wm. F. Minnich, Est. - 46 E. 8th. Ave.	9.61
Caroline Nicholas, Est. 1217 N. Duke St.	2.36

A motion was made by Poff to advance Solicitor Foster, $2.00 for each lein entered, or a total of $6.00. Lauer seconded the motion. Motion carried.

It was moved by Lauer to give the Solicitor the authority to proceed with plans for vacating the street west of 7th. avenue and also the land running parallel to Prospect Hill Cemetery between 7th. avenue and Sigsbee Avenue. Poff seconded the motion. Motion carried.

A resident of West 8th. avenue was present and stated that the storm sewer at the end of this avenue was apparently clogged up in that it didn't take the water away, causing a terrible stench which is very unhealthy. Poff was instructed to investigate this situation and have it remedied.

Solicitor Foster was asked to check whether or not council had ever prepared an ordinance regarding excessive noises in the borough.

Lauer moved that all the bills be paid. Gladfelter seconded the motion. Motion carried.

Lauer moved that the meeting be adjourned. Poff seconded the motion. Motion carried.

Respectfully submitted,

Samuel A. Shutt

Secretary.

July 6, 1948.

The regular session of the North York Borough Council was called to order at 8 P.M., Tuesday July 6th. 1948, by the President Granville Kohr. A roll call showed the following to be present: Councilmen Lauer, Poff, Gladfelter, Slaugh, Fink, Chief of Police Reigle, Burgess Inners, Engineer Monk, Treasurer Everhart and Secretary Shettel. The minutes of the previous meeting were read and approved.

Engineer Monk stated at this time stated that the council was aware that the plans for the Sanitary Sewer System which were submitted to the State had been approved and that a permit had been received from the Sanitary Water Board of the Department of Health. He stated that the report had to be recorded in the Office of the Recorder of Deeds of York County, after which the permit could be submitted to the Post War Planning Commission and Federal Works Agency before we would receive any additional appropiation. Following further discussion Lauer moved that the Secretary apply to both the Post War Planning Commission and the Federal Works Agency for the balance of funds due in regards to the preparation of plans and specifications for the sanitary sewer system and further that our secretary is hereby authorized to file the permit which has been received from the Department of Health in the Recorders Office of York, Co., Pa. The motion was seconded by Gladfelter. Motion carried.

A motion was then made by Fink that in the absence of Mr. Eckenrode who is no longer a member of council, the secretary be appointed as a legal representative to receive and execute forms which may be directed to him from the Post War Planning Commission and the Federal Works Agency. Lauer seconded the motion. Motion carried.

The president then introduced Mr. Raymond Brothers as a propective member of council to replace Clarence Cousler who resigned. Fink moved that Mr. Brother be elected a member of council. Poff seconded the motion. Motion carried. Burgess Inners then installed Brothers as a member of borough council.

The Standing Committees gave the following reports:

Finance Committee - No report.

Sanitary Committee - No report.

Light Committee - No report.

Highway Committee - Council Poff, chairman of the Highway Committee reported that progress was being made on the general repairing of the borough streets. He also reported that the new stop signs had arrived and were being placed

Police Committee - Chief of Police Reigle's report was read by the Secretary. This showed that $20.00 was collected in fines during the month of June.

Fire & Safety Committee - No report.

Chief Burgess Inners report was read by the Secretary. This showed that $30.50 was collected for permits during the month of June.

Mr. Roy Anderson a resident of East Eighth Avenue was present and stated that the unhealthful condition and menace of fire still existed in the backyard of 46 East Eighth Avenue. Officer Reigle stated that he had been down and warned the resident that the situation had to be stopped. In as much as the situation is a fire hazard it was decided to instruct the Fire Chief to investigate and have the fires stopped.

A letter was received from the Pennsylvania Public Utility Commission stating that the Commission has fixed Friday July 16th. 1948 in the Court House at York, at 10:00 A.M. as the new date and place of hearing regarding the application of the York Bus Company. Slaugh moved that the communication be received and filed. Fink seconded the motion. Motion carried.

A communication was received from the U.S. Naval Ordnance Plant, York, Pa., in regards to a traffic light which they wish to have installed at the intersection of the Susquehanna Trail and North George Street at a point where the new highway enters onto George Street. In as much as this point is not in the borough Lauer moved that the communication be received and filed. Poff seconded the motion. Motion carried.

Lauer moved that all bills be paid. Fink seconded the motion. Motion carried.

Fink moved that the meeting be adjourned. Lauer seconded the motion. Motion carried.

Respectfully submitted,

Samuel H. Shatto

Secretary.

June 7th, 1948.

The regular session of the North York Borough Council was called to order at 8 P.M., Monday June 7th. 1948, by Vice President David Fink. A roll call showed the following to be present: Councilmen Kohr, Lauer, Poff, Gladfelter, Slaugh, Chief of Police Reigle, Burgess Inners, Solicitor Foster, Engineer Monk, and Secretary Shettel. The minutes of the previous meeting were read and approved.

Standing Committees gave the following reports:

Finance Committee - No report

Light Committee - No report

Highway Committee - Councilman Poff, chairman of the Highway committee reported that the curbing at the intersections have been painted, and that the stop signs at the intersection of Seventh Avenue and Duke street have been placed. He also reported that the warning signs have been ordered but have not been received. It was also reported that several of the present stop signs were in bad shape.

Police Committee - Chief of Police Reigle's report was read by the secretary. In it he reported that $50.00 was collected in fines during the month of May.

Fire & Safety Committee - Councilman Slaugh, chairman of the Fire & Safety Committee reported that the fire apparatus has been repaired as requested.

Chief Burgess Inners report was read by the secretary. This showed that $14.75 had been collected in permits during the month of May.

Mr. Paul Wolfgang, a representative of the North York Lions Club was present and stated that the Club is undertaking the project of placing street markers throughout the borough and that they will do this as a gift to the borough. The following resolution was read by the secretary:

"Resolved by the Council of the Borough of North York in regular session convened with a quorum present that the gift from the North York Lions Club of a set of markers for the use of the Borough as a civic duty is hereby accepted without further qualification of any type or character".

Kohr made a motion to accept the gift. Poff seconded the motion. Motion carried, after which the resolution was signed by the members of council.

Mr. Roy Anderson a resident of East Eighth Avenue was present and presented a petition signed by residents of Eighth Ave. and North Duke street, in which they complained of a nuisance occuring repeatedly at 46 East Eighth Avenue. In the petition they complained of a very unhealthful condition existed in the burning of rubbish, papers and manure from animal pens in the back yard of the above address. They also complained of a menace of fire in that the resident started these fires very close to a pile of accumulated lumber. After a lengthy discussion Joseph Eisenhart, Chief of the Liberty Fire Co., who was present, volunteered with the Chief of Police Reigle to investigate the situation and relieve it if all possible.

The secretary read the resignation of Mr. Clarence Cousler, in which he stated that his present position prevented him from attending the meetings. Granville Kohr moved that his resignation be accepted. Gladfelter seconded the motion. Motion carried.

Vice President Fink then called for nominations for President to fill the office of Mr. Cousler. Councilman Poff nominated Granville Kohr for president. Gladfelter moved that the nomination be closed. The motion was seconded by Lauer. Motion carried. At this time Kohr took the chair and continued with the meeting.

Edgar Glatfelter a representative of the Liberty Fire Company was presented and stated that for some time the Apparatus of the Fire company has been at the point where a new one is needed. He stated that both the apparatus and equipment were outmoded and far below the standard of a well equipped fire department. He stated that speaking for the fire company, council could expect all possible help from them.

Thomas Monk Jr., the borough engineer stated that as council knew the Sanitary Sewer Plans which were submitted to the state had been approved quite some time ago but as yet we have not received any information from them. He suggested the secretary write a letter to the Department of Health asking for a formal notification of the approval so that we can notify the Post Was Planning Commission and the Federal Works agency from whom we will receive our funds. Fink moved the secretary write such a letter. Lauer seconded the motion. Motion carried.

Solicitor Foster stated that he had received information that Earl and Elsie Frey who own a property on North Queen Street had sold their property to a veteran and upon investigating the deed it was found that there home which is 20' deep was built on a 16' deep lot, and that part of it was on borough property. After discussing the issue Foster suggested that it be tabled until a time when a survey is submitted. Councilman Slaugh moved that the issue be tabled until a survey is submitted. Fink seconded the motion. Motion carried.

Raymond Kann, the garbage collector was present and ask permission of the council to split his collections. He stated that he was no longer connected with West York Borough and that he felt he could handle North York alone. He stated he would collect everything west of the borough, that is, North George street to the bottom of the hill, all streets west of George, Fifth avenue, on Monday and Thursday; and everything east of North George street on Tuesday and Friday. He also reported that the condition of the garbage receptacles was very bad in that people were putting wet garbage in paper bags and cans that were worn out. Poff made a motion to grant him permission to make his collections as requested, and that the people were to be told about using proper and suitable garbage cans. Fink seconded the motion. Motion carried.

Solicitor Foster stated that the city engineer spoke to him about the possibility of the city annexing a portion of the borough for the purpose of extending a proposed parkway to George street. After much discussion it was decided to ask the city engineer for a plan showing the exact location of the parkway in relation to the borough line and any borough properties. Slaugh moved that we ask the city engineer for such a plan. Fink seconded the motion. Motion carried.

Fink moved that the communication received from the Department of Highways regarding the Traffic Signal Light be received and placed on file. Poff seconded the motion. Motion carried.

Slaugh moved that all bills be paid. Lauer seconded the motion. Motion carried.

Fink moved that we adjourn. Lauer seconded. Motion carried

Respectfully submitted,

Samuel H Whittle

Secretary.

April 5th. 1948.

The regular session of the North York Borough Council was called to order at 8 P.M., Monday April 5th. 1948, by President Cousler. A roll call showed the following to be present: Councilmen Kohr, Fink, Lauer, Poff, Gladfelter, Chief of Police Reigle, Burgess B. F. Inners, Solicitor Foster, and Secretary Shettel. The minutes of the previous meeting were read and approved.

Councilman Kohr nominated Mr. Richard M. Slaugh as a member of Council to fill the unexpired term of Eugene Beshore. The nomination was seconded by Fink. The nomination carried after which Mr. Slaugh was sworn into office by Chief Burgess B. F. Inners.

Standing Committees gave the following reports:

Finance - No report.

Sanitary - Councilman Kohr reported that he investigated an overflowing cesspool at a property on North George St., owned by Mr. Irvin Quickel. He informed Mr. Quickel of the matter and the latter said he would remedy the situation.

President Cousler reported that he had received several complaints from people living on North George St., in the vicinity of Willis Run. They stated on several occasions the run has overflowed causing damage to property. Council decided to investigate the situation as to the responsibility of this issue in that the borough, York City, Manchester and West Manchester Townships comethgether at that point.

Burgess Inners reported that he visited West York Borough to learn of their garbage collection situation and found them to be in a far worse condition than we are. He reported that our collections have been improved.

Highway - Councilman Poff reported that he investigated the condition of W. 10th., Ave. and found that the surface of the street is gone. He also reported that stones had been purchased and placed on Meade Street. The Highway committee to make a tour of inspection of the borough streets to decide which of them are in need of repairs.

David Falkenstine was present and reported that he had purchased a padlock for the tool shed.

Councilman Kohr reported that he had contacted Engineer Monk in regards to preparing grades for John D. Graves. Monk said he could survey the street but that it would cost approximately $400.00. Mr. Graves stated that he would not pay for anymove engineering work when he had already paid to have it surveyed. In as much as no headway is being made on the situation, council decided to drop the issue until such time when Engineer Work and Graves can come to some terms.

Fink made a motion that the secretary be instructed to advertise for bids for the purchasing of oil and stone for the repairing of the borough streets. These bids to be in the secretary's hands not later than 8 P.M. , May 8th., 1948. The motion was seconded by Lauer. Motion carried.

Light - No report.

Police - Chief of Police Reigle's report was read by the Secretary. A communication from the North York School Board was read by the secretary. In it they stated that it has been brought to their attention that there is not at all times a traffic officer at the intersection of East Seventh avenue and North George Street during such times as school children are crossing George Street in attending school to and from Wilson building. Police Chief Reigle was present and in defense of himself he stated that there is no time when he or a sworn in special officer are not on duty. He stated that he has proof of this, and is willing to face the party or parties making the complaint. In so far as the complaint was very uncertain and evasive council dismissed the issue. Inthe same letter the School Board suggested to council to have the stop signs at the intersection of Seventh Avenue and Duke Street changed, in that they think it would be more effective as a safety measure to have the signs on Duke Street instead of Seventh avenue. After much discussion Councilman Kohr made a motion to leave the stop signs on Seventh Avenue and also place additional stop signs on Duke Street. The motion was seconded by Fink. Motion carried. Lauer moved that the communication be received and filed. Kohr seconded. motion carried.

Fire & Safety - This committee reported that the Siren Light for the Fire Apparatus which was ordered purchased, has been received.

Councilman Fink moved that the Borough Tax Rebate period be set at June 1st. Lauer seconded. Motion carried.

The Chief Burgess' report was read by the secretary. This showed that $4.00 had been collected for permits issued. Fink moved the report be accepted. Kohr seconded. Motion carried.

Lauer moved that all bills be paid. Kohr seconded. Motion carried.

Kohr moved that the meeting be adjourned. Poff seconded. motion carried.

March 1, 1948.

The regular session of North York Borough Council was called to order at 8 P.M., Monday, March 1, 1948, by President Cousler. A roll call showed the following to be present: Councilmen Kohr, Fink, Lauer, Poff, Gladfelter, Chief of Police Reigle, Burgess B. F. Inners, Solicitor Foster, Treasurer Everhart and Secretary Shettel. The minutes of the previous meeting were read and approved.

Standing Committees gave the following reports:

Finance - No report.

Sanitary - No report.

Light - No report.

Highway - The highway committee reported that during the extremely cold weather a large amount of ice had accumulated at the intersection of North George and Eagle Streets, causing a hazardous condition. This ice was removed by workmen.

Police - Chief of Police Reigle's report was read by the Secretary. In this report a complaint was made by a resident that his garbage had not been removed for one week. The situation was discussed and Councilman Lauer moved that the Secretary be instructed to write Mr. Kann, the garbage collector, asking him to improve his service. The motion was seconded by Poff. Motion carried.

Fire & Safety - No report.

Chief Burgess Inner's report was read by the Secretary, showing that $5.00 was received for permits issued.

Under old business a discussion was held regarding the obtaining of rent from the York Bus Co., for operating thru the borough. Solicitor Foster who had been ask to investigate stated that due to the difficulties that are likely to arise from this he advised the council to defer action at the present time. The council decided to do so.

Mr. John D. Graves was present at the meeting and discussed the issue of the development on the site of the former Trailer Camp. He stated that if he received the necessary grades he would pave the street. He stated that he had already built six houses and that he wished to build twelve more completing the avenue. A discussion was held regarding the plan of the development which Engineer Monk requested Graves to submit. Mr. Graves stated he could not make up such a plan due to the fact that is was possible that the new proposed state highway may go directly thru this development. Councilman Kohr made a motion that Engineer Monk furnish Mr. Graves with the necessary grades of Columbia Avenue, these to be in accordance with the sewage plans submitted to the state, and that no permits are to be issued until O K'd by Monk. The motion was seconded by Fink. Motion carried.

Under new business Councilman Lauer discussed the possibility of obtaining an automobile or motorcycle for the Chief of Police. He stated that he felt the Officer could perform his duties more efficiently in dealing with the welfare of the people of the borough, and that in a very short time the vehicle would pay for itself. After much discussion the matter was turned over to the police committee. This committee to give the matter serious thought and report at a latter date.

Mr. William Black Jr., a trustee of the Liberty Fire Co., was present and requested Council to purchase a new siren light for the fire apparatus to replace the present one which is broken. A motion was made by Fink that council purchase such a light. The motion was seconded by Poff. The motion carried. Poff a member of the Fire and Safety Committee was instructed to proceed with the purchasing of this light.

A communication was received from Mr. Allan Kling a resident of N. 10th. Ave., in which he stated that the condition of the street is such that the water pipes leading into his house are exposed and during the extremely cold weather they were frozen, leaving his without any water in his house. He stated that only with extensive and expensive operations was he able to obtain water. Action was taken by council on this matter and it was decided to correct this situation as soon as possible. It was also thought wise to make a tour of the entire borough to see the condition of the streets, and have them corrected. Fink moved that council receive and file the communication. Kohr seconded. Motion carried.

The secretary read the resignation of Councilman Eugene Beshore, he stated that his resignation becomes necessary due to the fact that he has moved out of the borough. Kohr moved that council accept the resignation. Fink seconded. Motion carried. The president appointed Kohr a committee of one to try to obtain a man to replace Beshore.

A form for the purpose of allocating police pension funds was received from the State. Fink moved this be received and the secretary provide the necessary information to fill it out and return it to the state. The motion was seconded by Poff. Motion carried.

A communication was received from the Department of Commerce, Washington, requesting a copy of the borough map to aid them in the preparation of the 1950 census. Kohr was ask to obtain such a map and have a photostatic copy made of it to submit.

Kohr moved that all bills be paid. Fink seconded. Motion carried.

Fink moved that the meeting be adjourned. Lauer seconded. Motion carried.

Respectfully submitted,

Samuel R. Whited

The regular session of North York Borough Council was called to order at 8 P.M., Monday, February 2, 1948 by President, Clarence Cousler. A roll call showed the following to be present: Councilmen Kohr, Lauer, Gladfelter, Poff, Fink, Chief of Police Reigle, Solicitor Foster, Chief Burgess Inners, Treasurer Everhart and Secretary Shettel. The minutes of the reorganization meeting held January 5th., 1948 were read and approved.

Standing Committees gave the following reports:

Finance The proposed Budget for 1948 was read by Lauer, Chairman of the Finance Committee. After much discussion the Budget was adopted on a motion made by Kohr, and seconded by Gladfelter. The motion carried. Solicitor Foster then read the proposed ordinance for fixing and levying taxes, in as much as the tax millage has been changed to 14 mills for the general fund and 1 mill for the sinking fund. A motion was made by Lauer to accept and publish this ordinance. It was seconded by Fink. The motion carried.

Sanitary No report.

Light No report.

Highway No report.

Police Chief of Police Reigle's report was read by the Secretary.

Fire & Safety No report.

Chief Burgess Inner's report was read by the Secretary, showing that $2.50 was received for permits issued.

Under old business, the Building Code issue was discussed. After much discussion the Building Code as proposed was adopted on a motion made by Fink, and seconded by Lauer. The motion carried. The solicitor was authorized to make up the appropriate ordinance.

Solicitor Foster stated that in a conversation with John D. Graves, the latter stated that if council furnish him with the necessary grades, he would pave the streets on the development site east of the Borough. In as much as Graves was to have submitted to council a plan of this development and as such has not been received by council, they decided to stand by this before making any decision.

Treasurer Everhart stated that retired bonds and coupons to the amount of $50,172.00 had been received by him from the York Trust Co. These include the Duke St. and George St. Bonds. A motion was made by Poff to destroy these bonds and coupons. It was seconded by Gladfelter. Motion carried.

The secretary then read the resignation of Councilman Granville I Kohr. The resignation was not accepted on a motion by Fink and seconded by Lauer. Motion carried.

A communication from T. F. Chrostwaite, President of the Pennsylvania State Association of Boroughs, was read by the Secretary, regarding membership in this organization. This issue was discussed but no action was taken by council.

Lauer moved, and Fink seconded, that Solicitor Foster is to investigate the possibility of obtaining rental from the York Bus Co., for operating thru the borough or for the use of the intersections as bus stops. Motion carried.

Kohr moved that all the bills be paid. It was seconded by Lauer. Motion carried.

Kohr moved that the meeting be adjourned. Fink seconded. Motion carried, and meeting was adjourned.
