Dec. 26, 1951.

A special meeting of North York Borough Council was called to order by the president David E. Fink, at 7:30. Roll call found the following to be present: Councilmen Gladfelter, Slaugh, Brothers, Cousler, Chief Burgess Inners, Solicitor Foster and Secretary Shettel.

This meeting was called for the purpose of passing several ordnances.

Solicitor Foster read the first ordnance which pertained to the changing of the names of Court, McClellan, Albright and Howard Alley's to Court, McClellan, Albright and Howard Avenues. Slaugh moved and Cousler seconded that the ordnances be adopted. Motion carried.

Solicitor Foster then read an ordnance pertaining to the opening and extending of East Ninth Ave. at a point from Howard Avenue, east to a distance of 140' from Howard Avenue. Cousler moved and Brothers seconded that this ordnance be adopted. Motion carried.

An ordnance was then read by Solicitor Foster pertaining to the laying out, extending and adopting of Columbia Avenue. This avenue to be adopted to a width of 50' and extending from the north curb line of 7th. Avenue to a distance of 580'. Gladfelter moved and Cousler seconded that this ordnance be adopted. Motion carried.

Solicitor Foster stated that some time ago Borough Council passed a detaching ordnance regarding the houses on the West side of North George St. opposite Second Avenue, but that ~~khe~~ City Solicitor Heller was not satisfied with the petition originally prepared by Mr. Weigle the City Engineer. He stated that a new petition was drawn up and signed by the property owners and that he was submitting it to council for action. Slaugh moved that council re-enact the original ordinance detaching these properties from the borough, and adopt the present ordnance which is more fully described. Brothers seconded the motion. Motion carried.

Solicitor Foster stated that he had been contacted by the city that to properly open the Parkway Boulevard a light pole would have to be moved. He stated that City Engineer Weigle had contacted the Metropolitan Edison Co. regarding this but that they stated they would like to have the permission of North York Borough before proceeding with this. The pole to be moved from the West side of North George St. to the East side near the intersection of North George St. and Second Ave. Cousler moved and Slaugh seconded that the secretary give the Metropolitan Edison Co., permission to do this. Motion carried.

Slaugh moved that the meeting be adjourned. Cousler seconded the motion. Motion carried.

Respectfully submitted,

Samuel H Shettel

Secretary.

Dec. 17, 1951.

WARNING SOUNDED

Chief Burgess to Deal Harshly With Halloween Revelers Who Damage Property

Chief Burgess Benjamin Inners issued a warning to all Halloween pranksters that those caught committing any act of vandalism resulting in personal injury or damage to property will be prosecuted. He also pointed out that parents can be held liable for any damages caused by their children.

AGREEMENT SIGNED

North York Given Right to Connect With City s Sewage Disposal System

The long-negotiated sewage disposal agreement between York and the North York Borough Authority was finally signed today.

The signing took place at noon in the office of Mayor Felix S. Bentzel shortly after city council passed finally an ordinance authorizing the action. Signing for the city were the mayor and City Clerk Wilbur G. Baker, while George F. Snyder, chairman of the borough authority, and Perry A. Peiffer, secretary, signed for the borough agency.

The action brought to an end months of negotiations dealing with conditions under which the borough would hook onto the city's sewage disposal system. During the discussions the proposed agreement which was signed today was re-drafted nine times.

There are three important revisions, according to Snyder and Peiffer, in the agreement as it now stands. One of these was elimination of a clause which established a floor on the rate to be charged for connections after construction of the proposed new sewage disposal works

Another of the changes, Snyder and Peiffer pointed out, concerns liability. This clause now reads: "Authority agrees to indemnify and save harmless city against all losses, costs, damages, or claims for damages on account of any injury to persons or property in the performance of this agreement due to the negligency of the authority, its servants, agents, or employes, or resulting from the failure of the city's sewage system to properly function from any cause due to the negligence of the authority. . . ."

In another section of the agreement dealing with the authority's responsibility to pay costs of any damages to the sewage system. Snyder and Peiffer said the following two paragraphs were added:

"In order to determine the question of improper sewage the authority and the city agree to employ a disinterested engineer for the purpose of making such inspection as may be necessary and the decision of such disinterested engineer shall be binding on the part of the city and the authority. If city and authority are unable to agree upon the selection of a disinterested engineer, the entire matter shall be referred to the proper agency of the Commonwealth of Pennsylvania."

The regular meeting of the North York Borough Council was called to order at 8:00 P.M. by the president, David E. Fink. A roll call found the following councilmento be present: Slaugh, Brothers, Poff, Gladfelter, Cousler, Lauer, Chief Burgess Inners, Chief of Police Smith, Treasurer Everhart, Solicotor Foster, Engineer Monk and Secretary Shettel. The minutes of the previous meeting were read and approved.

The following are the reports of the standing committees:

Finance Committee: No report.

Sanitary Committee: Brothers, chairman of this committee reported that he had been notified that the storm sewers are closed with leaves.

Highway Committee: Poff, chairman of this committee reported that two alleys and Laurel Street has been repaired. He stated that nothing has been done to Ninth Avenue as yet.

Light Committee: No report

Police Committee: Officer Smith gave a report on his activities since his appointment to the job of police officer. Following this report Slaugh moved and Poff seconded that the police officer strictly enforce parking at intersections and public driveways and that the secretary insert a notice in the paper to this effect.

Mrs. Hollinger a resident of North Court Avenue was present avenue and ask council if they could do anything about repairing of this avenue. She stated that the avenue was constantly in a very muddy condition due to water being run from the service station in the 1100 Block North George Street. She stated that the street in full of large holes and the water laying in them very often splashes up onto their front porch making it impossible for them to sit on them. She stated that that water often splashes onto clean wash hanging in the yards farther down the avenue. Council told her that they realize the condition of the avenue and that several things have been tried to remedy it and that the service station owner had been notified about the water and that he had been given permission to enter the boroughs storm sewer b ut that he had not done it. They stated that if view of the fact that the construction of the sanitary sewer would start very soon and that it would be a waste of time and money to do any extensive repairing at this time.

The secretary was instructed to advertise in the local papers for bids for the collection of garbage in the borough for the year 1952. These bids will be received and opened at the regular December meeting.

Residents of Laurel St. reported that cars are being parked in front of their driveways making it impossible to put their cars in their garages. Police Officer Smith to strictly enforce the law regarding this condition.

It was also reported that there is an unlicensed car parked on W. Ninth Ave., and two on E. Eighth Avenue. Police Officer Smith was instructed to enforce the ordinance regarding the parking of such vehicles on the streets of the borough.

A letter was read from the Pennsylvania Department of Highways regarding any corrections to the borough map. Engineer Monk stated that he would write to the state for forms needed to make these corrections and then would correct the map and then send the corrected map to the state. This is needed to assure the borough of receiving the correct funds in the Motor License Fund.

Cousler moved and Slaugh seconded that all the bills be paid.

Poff moved and Cousler seconded that the meeting be adjourned.

Respectfully submitted,

Samuel A Shettel

Secretary.

The regular meeting of the North York Borough Council was called to order at 8:00 P.M. by the President, David E. Fink. A roll call found the following councilmen to be present: Slaugh, Brothers, Poff, Gladfelter, Cousler, Chief Burgess Inners, and Secretary Shettel. The minutes of the previous meeting were read and approved.

The following are the reports of the standing committees:

Finance Committee: No report.

Sanitary Committee: Brothers reported that no action had been taken regarding the property at 7th. and George St.

High Committee: Poff, chairman of this committee reported that work on Ninth Avenue is waiting the completion of the laying of gas pipes.

Light Commitiee: No report.

Police Committee: The Police Chief's report was read by the secretary. This report showed that $10.00 was collected in fines during the month.

Fire & Safety Committee: Slaugh, chairman of this committee reported that one fire call was answered by the fire company during the month.

The report of the Chief Burgess was read by the secretary. This report showed that $5.00 was collected in permits during the month, and $15.00 collected in fines.

President Fink brought to the attention of council that Dr. Dorothy Reiber of the borough has asked to have no parking signs placed at her office for the convenience of her patients. Council discussed the issue and decided that the signs could be placed but that no parking could be enforced by law. Slaugh moved that the secretary inform Dr. Reiber that she has permission to do this if she will purchase and have them placed herself. Poff seconded the motion. Motion carried.

A bill to the amount of $3540.00 was presented to council from J. H. Emrich & Son, contractors for the laying of Columbia Avenue. Engineer Monk suggested that payment of this bill be deferred until he contacted the Letort Co., and then Poff and they make a tour of inspection of the street to see that it was constructed to specifications. Poff made a motion to this effect and Slaugh seconded. Motion carried.

A bill for gasoline bought by Officer Reigle, for the amount of $18.80 was brought to the attention of council. Cousler stated that he had instructed Mr. Zirkle not to extend any more credit to Officer Reigle which in turn would be charged to the borough. An investigation as to what this gasoline was used for was to be made.

Councilman Brothers made a motion that notices be sent to all persons guilty of parking unlicensed vehicles on the streets of the borough, and that if the vehicle is not removed borough council will have them removed at the expense of the owner. Slaugh seconded the motion.

Poff moved that all the bills be paid. Gladfelter seconded the motion. Motion carried.

Poff moved that the meeting be adjourned. Cousler seconded the Motion. Motion carried.

Respectfully submitted.

The regular meeting of the North York Borough Council was called to order at 8:00 P.M. by the President, David E. Fink. A roll call found the following councilmen to be present: Slaugh, Brothers, Poff, Gladfelter, Cousler, Chief of Police Reigle, Chief Burgess Inners, Secretary Shettel and Treasurer Everhart. The minutes of the previous meeting were read and approved.

The following are the reports of the standing committees:

Finance Committee: No report.

Sanitary Committee: Brothers, chairman of this committee that it has been reported to him that water has been entering the cellar of the home at the corner of East Seventh Avenue and North George St. The resident seems to think that this water is coming from the storm sewer located on the northwest corner of the intersection. Brothers stated that he cannot see that this can be possible since water is entering the cellar on the south side of the house and the storm sewer runs along the north side. He stated that it will be remedied just as soon as the source of leakage can be detected. The possibility of placing a coloring material in the sewer and flushing it thru the sewer, was discussed. This would tell if the water is actually coming from a break anywhere in the sewer pipes.

Highway Committee: Poff, chairman reported that the patch-up work on the streets has been done, and work on the repairing of the alleys will be started.

Light Committee: No report.

Police Committee: The chief of police report was read by the secretary. This report showed that $7.00 was collected in fines during the month.

Fire & Safety Committee: Slaugh chairman of this committee had no report but J. Elmer Burkings, Fire Chief of the Liberty Fire Company was present and stated that the company had recently tested the fire hydrant on W. 9th. Ave., and that there was not enough water coming out of it for one hose. He also stated that the water that did come out was a coffee syrup like substance. He stated that he didnt believe that there was no pressure there but that the line was probably so corroded that the water could not come thru any faster. He suggested to council that the York Water Company flush out all of the fire hydrants in the borough and that a member of the fire company accompany the Water Company on this operation to see what the water lines were like. Slaugh moved that the secretary be instructed to write the York Water Company instructing them to do this. Cousler seconded the motion. Motion carried.

The Chief Burgess report was read by the secretary. This report showed that $7.00 was collected in fines and $3.00 in permits issued during the month.

In ansswer to a reguest ask by borough council last month, Mr. B. T. Morgan, a representative of the Topflight Tape Company was present at the meeting. Mr. Morgan stated that his company would like to have the borough construct 9th. Ave. and place it in a passable condition. Mr. Morgan stated that he realized the position of the borough and that his company did not want to place any more expense on them or add to their problems. When ask if he thought his company would go along with the borough financially in the constructing of this street he stated that he did not think so because the council had gone on reacord some time ago as stating that they would place this street in a passable condition. After a length discussion Gladfelter moved and Brothers seconded, that Poff contact the J. H. Emrich Co. regarding the filling in and grading, and ~~xxxxxxxxxxxxxxxxxxxxxxxxxx~~ ask for bids, one for the grading of the street and the other for the laying of the stone. One bid for this work from Duke St. to Howard Ave. and one bid from Howard Ave. to 20' beyond the eastern end of the Topflight building, and try~~xxx~~ to keep both bids under $500.00. Motion carried.

Solicitor John Foster recommended the name of Jack Peeling as a member of the Sewer Authority, to replace Royce Martin who resigned because of moving out of the borough. Slaugh moved and Gladfelter seconded that council appoint Mr. Peeling to this psotion. Motion carried.

Chief Burgess Inners brought up the question of the weeds at the intersection of Eleventh Ave. and North Duke street in that it was very hazardous. He stated that it cut off the view of any motorist ~~xxxing~~ traveling on either Eleventh Ave. or Duke St. A discussion was held regarding the weeds throughout the borough. Inners stated that the reply which was given regarding other weeds was that the borough should cut down their own weeds before they expect other people to cut theres.

The question of the water entering the property at the corner of East Seventh Ave. and North George St. was left entirely in the hands of the sanitary committee. Council stated they were to do anything they saw fit to remedy the situation.

A letter was read by the secretary from the Liberty Fire Co., asking for $300.00 toward the purchase of new fire hose, this being the amount the council promised to pay toward the hose. The amount was paid. They also ask if there was any form of fire, theft or collision insurance carried on the new fire apparatus. Council stated that the only insurance they knew of that was carried on the apparatus was the insurance which is held by the Fire Co., itself.

Poff moved and Gladfelter seconded that all of the bills be paid with the exception of the chief of police gasoline bill. This not to be paid until an explanation was given by chief of police. Motion carried.

Slaugh moved and Cousler seconded that the meeting be adjourned. Motion carried.

Respectfully submitted.

The regular meeting of the North York Borough Council was called to order at 8:00 P.M. by the Vice President, Richard Slaugh. A roll call found the following to be present: Councilmen Poff, Gladfelter, Brothers, Cousler, Lauer, Chief of Police Reigle, Secretary Shettel and Treasurer Everhart. The minutes of the previous meeting were read and approved.

The following are the reports of the standing committees:

Finance Committee: No report.

Sanitary Committee: No report.

Light Committee: No report.

Highway Committee: Poff, chairman of this committee reported that Mr. Kersey who is the contractor on the general repairing of the borough streets has been unable to do any of the repairing because of other jobs, but that he had contacted him and he said he would be able to start in a few days.

Police Committee: The Chief of Police report was read by the secretary. This report showed that $47.00 was collected in fines during the month.

Fire and Safety Committee: No report.

Chief Burgess report was read by the secretary. This report showed that $16.00 was collected in permits, and $20.00 was collected in fines, during the month.

The secretary reported that he had received a call from Mr. Morgan of the Topflight Tape Co., had called him to ask regarding the repairing of East Ninth Ave., at the point where his company is constructing a factory. ~~[illegible]~~ Council discussed the extent to which this street whould have to be constructed. The cost of this work was also discussed. Council felt that it may be possible to put this street in a passable condition. Cousler moved that borough council construct East 9th. Avenue in a passable condition from Duke St., to 20 ft. beyond the eastern boundary of the Top Flight Tape Co., building. Poff seconded the motion. Motion carried.

Discussion was held regarding the increased rate set by the York Water Company. Council felt that in as much as they have not received any complaints from any of the residents of the borough they would not make any public protest.

The secretary was instructed to notify the Metropolitan Edison Co., regarding the street light at the North York Playground as being out of order.

Cousler moved and Poff seconded that the bills be paid. Motion carried.

Lauer moved and Gladfelter seconded that the meeting be adjourned. Motion carried.

The next meeting to be held Monday evening Sept. 10th. due to Labor Day.

Respectfully submitted,

Samuel H. Shettel

Secretary.

A special meeting was held by Borough Council at the site of the Top Flight Tape Company to find out to what extent the street would have to be constructed. After a lengthy discussion the secretary was instructed to write the Company asking them to have a representative at the next council meeting so that some suitable agreement can be reached regarding East Ninth Ave.

The regular meeting of the North York Borough Council was called to order at 8:00 P.M., by the president David E. Fink. A roll call found the following to be present: Councilmen Slaugh, Poff, Gladfelter, Brothers, Cousler, Chief of Police Reigle, Chief Burgess, Solicitor Foster, Treasurer Everhart and Secretary Shettel. The minutes of the previous meeting were read and approved.

The following are the reports of the standing committees:

Finance Committee: No report.

Sanitary Committee: Brothers, chairman of this committee reported that the two storm sewers at the corner of Sixth Ave., and North George St., and the one at the corner of Seventh Ave., and North George St., were cleaned out at a cost of $15.00.

Highway Committee: Poff, chairman of this committee reported that he had received word from the Letort Company that they would go along with the borough on a 50-50 basis in the construction of Columbia Avenue. He also stated that he had contact Engineer Monk, and he would in turn contact Solicitor Foster regarding the agreement to be drawn up between the borough and the Letort Company regarding their share in the cost of this project. Monk also stated that he would contact the J. H. Emrich Co., of Manchester and advise them to go ahead with the job. A representative from the office of Engineer Monk stated that stakes have been placed on Columbia Ave., in preparation for the construction.

Light Committee: No report.

Police Committee: The Chief of Police report was given by Officer Reigle. He stated that he made four calls during the month. It was also reported that $80.00 in fines was collected from George Snyder during the month.

Fire & Safety Committee: No report.

The Chief Burgess report was read by the Secretary. This report showed that $17.50 was collected in permits during the month, and that $33.00 was collected in fines during the month.

Solicitor Foster was present at the meeting and stated that at the present time the Sewer Authority had not entered into any agreement with the City of York. He stated that the latest contract included in it a clause stating that the city of York would not be liable for any damage occurring in the borough due to any possible negligence of the city. This clause Foster stated was brought about by the explosion which occurred in Springettsbury Township last November. He stated that the authority felt that the borough was in no position to go along with this contract and place the borough in the position of possibility having a damage suit on its hands. He stated that he has contacted insurance companies regarding obtaining insurance against this but that they were not too keen on writing such a policy. The possibility of the borough building its own treatment system was again discussed but again thought very impractical financially, and that it would be much more simple for everyone concerned to go in with the city. Foster also stated that the thought occurred regarding the possibility of North York Borough entering in a joint operation with Springettsbury Township in the erection of a treatment system. Foster assured the council that an agreement can and will be reached with the City of York soon.

A report was given regarding the septic tank at the North York Grill, in that it was overflowing and entering the property of William Boring. It was stated that water was entering the cellar and interfering with the oil burner causing general inconvenience. It was reported that the owners of the Grill stated that they have spent considerable money to eliminate this situation and they did not know what else to do. This is one of the many conditions in the borough which the sanitary sewer will correct.

Slaugh moved that all the bills be pair. Brothers seconded the motion. Motion carried.

Poff moved that the meeting be adjourned. Brothers seconded the motion. Motion carried.

Respectfully submitted,

Samuel Hollstetter

Secretary.

June 27, 1951.

A special meeting of the North York Borough Council was called to order at 7:00 P.M. by the president David Fink. Roll was called finding the following to be present: Councilmen Slaugh, Gladfelter, Brothers, Cousler, Chief Burgess Inners and Secretary Shettel.

The purpose of the meeting was to take action on the street lighting contract which was not passed by the state, due to the fact of the time period of the publishing of the ordinance, running out.

Cousler moved and Gladfelter seconded to repeal the motion made March 5th. This motion gave the secretary and chief burgess the authority to sign the street lighting contract. Motion carried.

Cousler moved and Slaugh seconded that council pass an ordinance giving the secretary and chief burgess the authority to sign the street lighting contract presented by Mr. McDowell of the Metropolitan Edison Co.

Therebeing no further business the meeting was declared adjourned by the president Mr. Fink.

Respectfully submitted,

Samuel H Shettel

Secretary.

The regular meeting of the North York Borough Council was called to order at 8:00 P.M., by the president David E. Fink. A roll call found the following to be present: Councilmen Lauer, Slaugh, Poff, Gladfelter, Brothers, Cousler, Chief of Police Reigle, Chief Burgess Inners, Engineer Monk, Treasurer Everhart and Secretary Shettel. The minutes of the previous meeting were read and approved.

The following are the reports of the standing committees:

Finance Committee: No report.

Sanitary Committee: Brothers, chairman of this commettee reported that the storm sewer at the corner of 6th. Avenue and George Street was filled up, and should be cleaned out.

Highway Committee: Poff, chairman of this committee reported that a new "No Parking" sign has been erected, and also that the curbs have been painted.

Light Committee: No report.

Police Committee: The Chief of Police report was read by the secretary. This report showed that $50.00 was collected in fines during the month.

Fire & Safety Committee: No report.

Chief Burgess Benjamin F. Inners report was read by the secretary. This report showed that $14.50 was collected for permits issued, and $60.00 was collected in fines during the month.

A motion was made by Cousler and seconded by Lauer to reimburse the Liberty Fire Company to the amount of $180.00 for insurance on the fire apparatus. $90.00 for 1950-51 insurance and $90.00 for 1951-52 insurance. Motion carried.

Poff moved and Cousler seconded that Borough Council donate $200.00 to the North York Recreation Commission for supervised recretion in the borough. Motion carried.

A discussion was held regarding the connecting of the sewer on the Letort Property to the City Sewer. The secretary read a letter forwarded to the city by Solicitor Foster. Up to this time the secretary reported that he had not heard anything from the city of York.

The following bids for the construction of Columbia Avenue were opened and read by the secretary:

The specifications consisted of the following groups:

Group "A" Grading & paving Columbia Avenue from East Seventh Ave., (north curb line) North, a distance of 580'.

Group "B" Grading & paving East Ninth Avenue from the east curb line of North Duke Street east to centerline of North Pine St., a distance of 710.6'.

Group "C" Grading & paving Ninth Avenue from centerline of North Pine Street east to west curb line of Columbia Avenue a distance of 286'.

Group "D" Grading & paving Columbia Avenue from a point 580' north of the north curb line of East Seventh Avenue to north curb line of Ninth Avenue., a distance of 275'.

The following are the Companies placing bids and the costs:

	"A"	"B"	"C"	"D"	Sq.Yd.	Rock-Per Cu.Yd.
J. F. Favino Co. Red Lion, Pa.	$4355.00	$3362.00	$4605.00	$2347.00	1.80	15.00
H. J. Williams York, Pa.	$3558.00	$2396.00	$3658.00	$1936.00	1.78	12.00
Stewart & March York, Pa.	$3650.00	$2575.00	$3980.00	$1840.00	1.70	20.00
J. H. Emrich Manchester, Pa.	$3540.00	$2433.00	$3699.00	$1887.00	1.75	12.00
York Co. Constr. Co.	$3804.00	$2944.00	$3992.00	$1987.00	1.75	10.00

Following the reading of the bids each bid was discussed individually. The main question of this project was the possibility of financing it. Cousler stated that he felt that council was in no position financially to undertake this. Mr. Baird of the Letort Co., was present and again stated that the Letort Co., would go along with borough council in the cost of this. He stated that he had suggested at a previous meeting the amount of $1500.00 but that he had only done this on his own presumption, He stated that his board of directors were meeting and that he wished to have an exact percentage of cost to present to them for their approval or rejection. Following a very thorough discussion on this issue Councilman Poff moved that borough council accept Group "A" and that the contract be awarded to J. H. Emrich Co., of Manchester, Pa., providing the Letort Co., goes 50-50 on the cost of this. The bid to Emrich Co., to be awarded at a cost of $3540.00, further that the secretary advise Emrich Co., to go ahead with the job after a report from the Letort Co., and further that before the job is started the Letort Co. to enter into an agreement with borough council regarding their help in this project, and that this agreement to be drawn up by our solicitor, and Engineer Monk to be given authority to place stakes and supervise construction on this project. Cousler seconded the motion. Motion carried.

Cousler moved and Lauer seconded that council table all other bids received. Motion carried.

Cousler moved and Poff seconded that all the bills be paid. Motion carried.

Brothers moved and Cousler seconded that the meeting be adjourned. Motion carried.

Respectfully submitted,

Samuel H. Stettler

The regular monthly meeting of the North York Borough Council was called to order at 8:00 P.M. by the president David E. Fink. A roll call found the following to be present: Councilmen Lauer, Slaugh, Poff, Gladfelter, Brothers, Chief of Police Reigle, Chief Burgess Inners, Solicitor Foster, Engineer Mon[illegible], Treasurer Everhart and Secretary Shettel. The minutes of the previous meeting were read and approved.

The following are the reports of the standing committees:

Finance Committee: No report.

Sanitary Committee: No report.

Highway Committee: This committee reported that the speed sign at the foot of North George Street hill has been erected.

Light Committee: No report

Police Committee: The Chief of Police report was read by the secretary. This report showed that $49.00 was collected in fines during the month.

Fire & Safety Committee: This committee reported that one fire, and this in a grass field, occurred during the month. A discussion was held regarding the position of the fire plug on Columbia Avenue. Slaugh moved and Brothers seconded that this fire plug be connected and put in operation. The committee to investigate as to the best position for this plug and the secretary to then notify the York Water Company their wishes.

Engineer William Weigle of the city of York was present and presented a petition to borough council regarding the annexation of the four properties on the west side of North George Street directly at the foot of the North George Street hill. This petition also requested the borough council to pass an ordinance necessary to annex these properties. Donald Yeatts one of the residents stated that the city promised them that their yards would be in line with the boulevard, their garages raised and that the water condition which heretofore was always very bad would be eliminated. Lauer moved that the proper ordinance be drawn up by the solicitor regarding the annexing of the described properties mentioned in the petition. Slaugh seconded the motion. The question was brought up regarding the street light to be placed at the intersection. Engineer Weigle stated that this would be rected and maintained by the city of York.

The question was brought up regarding the possibility of extending the yellow curb line farther north from the fire hall creating a parking zone for the Police Dept. Slaugh moved and Lauer seconded that this curb be painted establishing a No Parking Zone to be used by the Police Department.

J. F. Baird, representative of the Letort Company was present and continued a discussion regarding placing Columbia Avenue in a passable condition. He stated that his company would go along with the borough in fixing this street but he was not able to commit himself as to the amount. Brothers moved and Gladfelter seconded that the Borough Engineer was to prepare the necessary specifications and then secretary to advertise for bids for the fixing up of Columbia Ave. Lauer moved and Gladfelter seconded a motion that the borough solicitor drawn up the necessary ordinance for the adoption of Columbia Avenue from 7th. Ave. ~~east~~ North to 9th. Ave.

A letter was read from Robert C. Fluhrer regarding the possibility of the Letort Company connecting the sewer used by the former trailer camp to the York City Sewer. He stated that he believed that the sewers are still in the ground and need just to be connected. He also requested a statement of charges for this cewer connection. Slaugh moved and Brothers seconded that the borough solicitor be authorized to contact the City of York regarding this issue.

Gladfelter moved and Brothers seconded a motion that Engineer Monk be authorized to place stakes on 9th. Ave., from Duke to Pine Sts., showing the exact location of this unimproved street for the Top Flight Tape Company.

Lauer moved and Slaugh seconded that grades be established and a passable road be laid on 9th., Ave. from Duke St. to Pine Street.

Engineer Monk discussed the possibility of extending Columbia Ave., to 9th. Ave. It was decided to include this in the original specifications but it does not mean that it will be done.

Lauer moved and Slaugh seconded that all the bills be paid. Motion carried.

Lauer moved and Gladfelter seconded that the meeting be adjourned. Motion carried.

Respectfully submitted.

The regular monthly meeting of the North York Borough Council was called to order at 8:00 P.M., by the president David E. Fink. A roll call found the following to be present: Councilmen Lauer, Slaugh, Poff, Gladfelter, Brothers, Cousler, Chief of Police Reigle, Chief Burgess Inners, Secretary Shettel and Treasurer Everhart. The minutes of the previous meeting were read and approved.

The following are the reports of the standing committees:

Finance Committee: No report.

Highway Committee: Poff chairman of this committee reported that stones were placed on Court Avenue.

Light Committee: No report.

Sanitary Committee: Brothers, chairman of this committee reported that the storm sewer at the corner of Seventh Avenue and North George Street has been cleaned out at the cost of $20.00. This work was done by Tom MacFarland.

The Chief of Police report was read by the secretary. This report showed that $60.00 was collected in fines during the month.

The Chief Burgess report was read by the secretary. This report showed that $74.00 was collected in fines and $3.00 in permits during the month.

Councilman Slaugh, chairman of the Fire and Safety Committee reported that after his investigation the Liberty Fire Company is in need of 400' of 1-1/2" fire hose, and that same can be purchased from the Houck Rubber Co., of Hanover for the price of $1.30 per ft., or a total price of $520.00. less 20% or $416.00 Slaugh moved that borough council advance the Liberty Fire Company $300.00 for the purchase of this hose. Brothers seconded the motion. Motion carried.

It was reported that a resident of the borough complained of the grate at the storm sewer at the corner of East Sixth Avenue and North George Street was extending out to such an extent that it caused him to ruin his automobile tires while turning the corner. Council stated that the reason the grates were placed there was to prevent large objects and even children falling into the sewer. The question of parking at this intersection was discussed and also as to whether the curbs were painted yellow to prevent parking to near the intersection. The question was also asked if it would be possible to paint the curb at the 5th. E. U. B. church at the south west corner of North Duke St., and East Sixth Avenue, to allow the bus bringing people to church and Sunday School to park during the services. Slaugh moved and Poff seconded that the curb be painted at this point. It was also suggested that standards might be purchased to be placed there during the services.

Chief of Police Reigle reported that one new sign post and three new "no parking" signs were needed.

In regards to the complaint received from a resident regarding water running down the alley between 7th. and 8th. avenues, Poff reported that stones have been placed in Court Avenue to prevent this, but that these stones have been moved to turn the course of the water down this alley. Chief of Police Reigle reported that people were complaining of water being splashed onto their wash while it is hanging in the yards and also onto their houses. Council stated that a great deal of this water was coming from the wash stand at the King Oil Service Station. The secretary was instructed to write Mr, King a letter requesting his to enter the storm sewer on Court Avenue to help relieve this situation.

Solicitor Foster was present and reported to council that Lloyd Kauffman had ask him to present to council a question regarding an 8' alley extending along the rear of the properties on the east side of North Duke St., between Meade St. and Sixth Ave. Kaufman stated that he owned a 34' strip of property extending from this eight foot alley to Howard avenue and he would give the deeds of this land to the property owners if the borough council would abandon this alley. In as much as this alley had never been adopted by the borough Foster stated that he thought this was purely a personal matter between Kauffman and the property owners.

Solicitor Foster reported that the SewerAuthority has been meeting every Friday evening and have had quite some lengthy sessions. He stated that plans and specifications have been completed and they are ready to go. He stated that the bond issue has been set up with the bonding house, but that their is one major issue which has not been settled as yet and that is the contract for the treatment of the sewage. He stated that if the authority cannot arrive at a suitable solution to the Contract issue the next possible solution would befor the borough to build their own treatment plant. He stated that this would not be advisable but it may become necessary. He stated that he would not venture to say just when the sewer would be started.

Poff moved and Lauer seconded that all the bills be paid. Motion carried.

Poff moved and Brothers seconded that the meeting be adjourned. Motion carried.

Respectfully submitted,

Samuel A. Shutter

The regular monthly meeting of the North York Borough Council was called to order at 8:00 P.M., by the president David E. Fink. A roll call found the following to be present: Councilmen Lauer, Slaugh, Poff, Gladfelter, Brothers, Chief of Police Edward Reigle, Chief Burgess B, F. Inners, Secretary Shettel and Treasurer Everhart. The minutes of the previous meeting were read and approved.

The following are the reports of the standing committee:

Finance Committee: No report.

Sanitary Committee: Brothers, chairman of this committee reported that he had contacted Sylvester Hartman regarding cleaning out the sewer at the corner of 7th. Ave., and North George St., and that he would do so as soon as possible.

Highway Comittee: Poff, chairman of this comittee reported that he and Lauer had investigated the condition of Court Avenue between seventh and Eighth Avenues, He stated that the avenue would have to be filled up with stone to change the course of the water. He reported that stones had been taken out of the alley to allow the water to run down to Duke Street.

Light Committee: No report.

Police Committee: The chief of police report was read by the secretary. This report showed that $30.00 was collected in fines during the month.

The report of the Chief Burgess was read by the secretary. This report showed that 1.50 was collected in permits during the month.

Mr. McDowell of the Metropolitan Edison Co., was present and reported that the contract for the lighting of the streets would expire in July and that he had prepared a new contract. He ask council to pass an ordinance to give the secretary and chief burgess authority to sign the contract. He stated that the street lighting will cost North York $6.40 more per month and that the majority of the contracts are made up to run for a period of ten years. He stated that the rate per month would be $98.60 per month. Gladfelter moved that borough council pass this ordinance. Brothers seconded the motion. Motion carried.

President Fink proposed the name of Mr. Clarence Cousler to fill the vacancy left by the resignation of Adam Spotz. Poff moved that Mr. Cousler be elected to council. Brothers seconded the motion. Motion carried. Mr. Cousler was then sworn into office by Chief Burgess Inners.

Mr. Klinefelter a resident of the 900 Block North George street was presented and reported to council that the condition of Court Avenue between 5th. and 6th. avenue was very bad. He stated that the holes in the street are so bad that it is very hard for automobiles to be gotten out of the garages. Borough Council will look into the condition of this avenue.

A letter was read from Mr. John Heilman, president of the Liberty Fire Company requesting borough council to purchase fire hose for the company. He explained in the letter that 1-1/2" hose was needed, and that the amount is 400 ft. He suggested in the letter that borough council purchase the amount allowed by council without advertising for bids and that the fire company will purchase the remainder. He suggested that the chairman of the fire and safety committee Mr. Slaugh investigate the exact needs before council take any action. Lauer moved that the letter be tabled until Mr. Slaugh reports at the next meeting. Poff seconded the motion. Motion carried.

At this time bids for stone and oil for the repairing of the borough streets that were received were opened and read.

Bids for stone were received from Eli Z. Zinn, Inc.
Standard Concrete Products Co., Inc.
York Stone & Supply Co.
All three bids were identical at $2.20 per ton delivered and for use of spreader. Slaugh moved that the contract for stone be awarded equally to each of the three companies and the purchasing be left up to the supervisor on the basis of their availability when they are needed.

Bids for oil were received from Service Supply Company
Daniel B. Krieg.

After a discussion Poff moved and Brothers seconded that the contract be awarded to Daniel B. Krieg ata price of .18.9 cents per gal. to be applied on the streets in truckloads or part truck loads as may be required throughout the season. Motion carried.

A motion was made by Poff that the rebate period for the borough taxes be set at June 1st. 1951. Lauer seconded the motion. Motion carried.

A letter was received from Mr. Stewart Dromgold 1054 N. George St., complaining of the noise coming from the Hob Nob restaurant at the corner of 7th. avenue and N. George St. He stated that this noise was very annoying and ask that something be done about it. Council placed the complaint in the hands of the police department.

Mr. Cousler brought to the attention of council the condition of Willis Run. A discussion was held then regarding this run overflowing whenever there was a rainy period. Council stated that they thought this was caused by the condition of the run at the point where it flows through West Manchester Township and that they have been advised regarding this condition but nothing has been done. Cousler moved that the secretary be instructed to write to the Department of Forest & Waters at Harrisburg explaining this situation. Brothers seconded the motion. Motion carried.

Slaugh moved that all the bills be paid. Gladfelter seconded the motion. Motion carried.

Poff moved that the meeting be adjourned. Lauer seconded the motion. Motion carried.

Respectfully submitted,
Samuel H Shettel

The regular monthly meeting of the North York Borough Council was called to order at 8:00 P.M., by the president David E. Fink. A roll call found the following to be present: Councilmen Lauer, Slaugh, Poff, Gladfelter, Brothers, Chief of Police Reigle, Chief Burgess B. F. Inners, Secretary Shettel. The minutes of the previous meeting were read and approved.

The following are the reports of the standing committees:

Finance Committee: No report.

Sanitary Committee: A discussion was held regarding the storm sewer at the corner of 7th. avenue and N. George St. Officer Reigle stated that a large amount of the trouble comes from the restaurant at that corner in that it is usually clogged up with paper bags, paper boxes and that the owner allows greasy water to run into the sewer which in turn clogs it up. Lauer moved that the correction of this situation be left in the hands of the Sanitary Committee. Poff seconded the motion. Motion carried.

High/Committee: George Poff, chairman of this committee reported that stones have been placed at the corner of Duke St., and 10th. Ave., and also between Queen and Pine Sts., on Fifth Avenue.

Police Committee: The chief of police report was read by the secretary. This report showed that $45.00 was collected in fines during the month.

Fire & Safety Committee: Slaugh, chairman of this committee reported that the fire company answered one call during the month, with $600.00 damage and also one fatality.

The Chief Burgess report was read by the secretary. This report showed that $3.50 was collected for permits issued during the month.

President Fink reported that he had received a complaint from the resident living on Duke St., at the alley between 7th. and 8th. avenues in that water coming down the alley floods his cellar. He stated that this water was coming from the wash racks at the King Service Station. This water should run down Court Avenue into the storm sewer at Eight Avenue but because of the condition of Court Avenue and because the alley is a lower grade than Duke St. Council to kook into the situation.

Edward Hostetter the special police officer and also a member of the Civilian Defense ask the council the boroughs set up in regard to air raid warning system and also observation posts. Council stated that the siren is used exclusively for fires and it would be very impractical to use it for any other reason. They also reported that it was possible for the residents of North York to hear either the whistles or bells in the city of York and that they suggest that North York go along with using the sirens in York city.

Mr. Hostetter reported that the borough was in need of such kind of flares to be used in cases of an emergency. He stated that these flares can be used by the police department in case of accidents on the borough streets and also by the fire department in case of fires or other emergencies. Slaugh moved that the Police Committee look into the possibility of purchasing these flares or whatever they see necessary. Lauer seconded the motion. Motion carried.

Poff moved that the secretary advertise for bids for stone and oil to be used on the borough streets in the general repair program. Brothers seconded the motion. Motion carried.

The secretary read a letter from Councilman Spotz in which he tendered his resignation as councilman because of his moving out of the borough. Lauer moved that council accept his resignation with regret. Poff seconded the motion. Motion carried.

Lauer moved that all the bills be paid. Gladfelter seconded the motion. Motion carried.

Poff moved that the meeting be adjourned. Gladfelter seconded the motion. Motion carried.

Respectfully submitted,

Samuel H Shettel

Secretary.

January 15th. 1951.

A special meeting of the North York Borough Council was held Monday evening, January 15th., at 8:00 P. M. The meeting was called to order by the president, David E. Fink. Roll call found the following to be present: Councilmen Spotz, Lauer, Brothers, Poff. Slaugh.

Mr. J. F. Baird of the Letort Corp., of Carlisle, Pa., explained to council his reasons for being there. He stated that he had contacted the Mayers brothers and they had approved plans for the erection of their terminal. He stated that they could only purchase this land and erect their terminal if the borough would consent not to open Eighth Ave., east of Columbia. He also stated that he felt that with the erection of this terminal would help with the progress of the borough of North York. He stated that the terminal plant will be valued at about $50,000. Tentative plans call for the erection of a two story brick and cinder block building approximately 35 x 100 feet on the 300 x 200 foot lot. Mr. Baird stated although the terminal will be erected adjacent to the new Harrisburg-Baltimore express highway the company expects to use seventh avenue if the highway has an entrance at that point.

Council stated that Columbia Avenue would have to be finished to withstand the hard use it will get by the trucks traveling over it. They also stated that council was not in a financial position to place this road in the necessary condition. Solicitor Foster asked Mr. Baird if he thought the Letort Corp., would share in the expense of these improvements. He stated that he was not talking with any authority, but he felt that they would share in this expense. Engineer Monk stated [illegible] to put this street in the proper condition, ~~the estimate was~~ for a 30 foot wide blacktop on the 250 feet of roadway ~~and~~ would amount to approximately $1800.00.

Solicitor Foster stated that an ordinance would not be necessary for the abondoning of Eighth Ave., east of Columbia Ave., but that it would require a resolution.

Lauer moved that the plans which have been drawn up indicating that 8th., avenue not be extended east of Columbia Avenue be accepted. Slaugh seconded the motion. Motion carried.

Solicitor Foster stated that he has been contacted by the Topflight Tape Co., asking that borough council extend or open East Ninth Ave., between Duke and Pine Sts., as they are interested in erecting a factory east of Pine St., on the south side of Ninth Avenue. He stated that the proposed factory would cost approximately $80,000. The company to extend their building to a warehouse and office building. Mr. Foster stated that Topflight's option on the land expires Jan. 16th., and that is why they would like to have some action taken by council. Council decided to have the Topflight Company submit plans for their building to be studied for final approval. Council stated also that if Ninth Ave., is extended it will have to be put in favorable condition. Engineer Monk submitted an estimate which included flexible paving for heavy traffic at a cost of $3,734., curbing $1,125., sidewalk $1.020. After a lengthy discussion Slaugh moved that the solicitor be authorized to take the necessary legal steps for the opening of 9th. Avenue from Duke to Pine Sts. Poff seconded the motion. Motion carried.

Slaugh moved that the meeting be adjourned. Spotz seconded the motion. Motion carried.

Respectfully submitted,

Samuel H. Shittel

Secretary

Jan. 8th. 1951.

The regular monthly meeting of the North York Borough Council was called to order at 8:00 P.M. by the president David E. Fink. A roll call found the following to be present: Councilmen Lauer, Slaugh, Poff, Gladfelter, Brothers, Spotz, Chief of Police Edward Reigle, Treasurer Everhart and Secretary Shettel. The minutes of the previous meeting were read and approved.

The following are the reports of the standing committees:

Finance Committee: No report.

Sanitary Committee - Brothers reported that the storm sewer at the corner of George St. and 7th. Avenue has filled up.

Highway Committee - Poff, reported that the condition of the street at the corner of Pine and Meade Sts., was bad.

The Chief of Police report was read by Spotz. This report showed that $2.00 was collected in fines during the month. He also presented to council a bill of $12.83 for gasoline for automobile used by the Chief of Police.
The Chief Burgess report was read by the secretary. $2.75 was collected for permits.
Fire & Safety Committee - Slaugh reported no calls during the month.

An application for the position of Chief of Police from Edward Reigle was read by the secretary. Spotz moved that Reigle be appointed chief of police, Poff seconded the motion. Motion carried.

Poff moved that Dr. Chas. H. May and Paul Beuhler be appointed as members of the North York Health Board. Brothers seconded the motion. Motion carried.

Spotz moved that the chief of police be set at $2200.00 per year, or an increase of $100.00 over that of last year. Lauer seconded the motion. Motion carried.

Lauer moved that the salary of the Treasurer be increased to $85.00 per year. Spotz seconded the motion. Motion carried.

Lauer moved that the retaining fee of the Solicitor remain at $75.00 per year. Gladfelter seconded the motion. Motion carried.

Poff moved that the rate for street labor be increased from $.75 to $1.25 per hour. Lauer seconded the motion. Motion carried.

Lauer moved that the rate for special police duty with car be set at $1.75 per hour, Spotz seconded the motion. Motion carried.

Spotz moved that the rate for special police duty be set at $1.00 per hour, Poff seconded the motion. Motion carried.

The secretary reported that a check for the amount of $578.22 had been received from the Pennsylvania Department of Health as a grant-in-aid for the sewer project. Spotz moved that this amount be placed in the Sanitary Sewer Fund, and that the treasurer be authorized to issue check to Sewer Authority to be used wherever necessary. Poff seconded the motion. Motion carried.

Thomas Monk, borough solicitor presented Mr. Baird of the Letort Corp. of Carlisle, Pa., who in turn ask council that they do not develope 8th. avenue, east of Columbia because the Letort Corp., a branch of Hall's motor Transit Co., wants to construct a warehouse on this property. Mr. Monk stated that this company has negotiated with the Mayers Bros., to purchase this property each of Solumbia Ave., approximately 300' x 180' adjacent to a 20' alley and between 7th. and 8th. avenues. The purpose of this building will be to operate and maintain a terminal operated by Hall Motor Co. After a lengthy discussion president Fink decided to hold a special council meeting on Monday, Jan. 15, 1951, to go into the matter in greater detail.

The proposed budget for the year 1951 was read by Lauer, chairman of the finance committee: Brothers moved and Gladfelter seconded that the budget be adopted. Motion carried.

Lauer stated that the finance committee felt that the council would be justified in changing the 15 mills from 14 & 1 to 14½ & ½. Lauer moved that the solicitor drawn up an ordinance changing the milleage to General Fund 14½ mills and Sinking Fund ½ Mill. Spotz seconded the motion. Motion carried.

Lauer moved and Poff seconded that all the bills be paid. Motion carried.

Lauer moved the meeting be adjourned. Poff seconded the motion. Motion carried.

Respectfully submitted,

Samuel H Shatto

Secretary.
