Jan. 5, 1953.

The regular monthly meeting of the North York Borough Council was held Monday evening Jan. 5, 1953 at 8:00 P.M. The meeting was called to order by the president, Richard Slaugh. Roll call found the following to be present: Cousler, Brothers, Strine, Goodling, Bowen, Chief Burgess Inners, Officer Smith, Solicitor Foster, Engineer Weigle, Treasurer Everhart and Secretary Shettel. The minutes of the previous meeting were read and approved.

Report of Standing Committees:

Light Committee: No report.

Sanitary Committee: No report.

Fire & Safety Committee: The secretary reported that he had received a price on fire hose from the Houck Rubber Co. The price being $1.90 per ft. for 2-1/2" hose, with a 20% donation to be made.

Highway Committee: No report.

Police Committee: The Chief of Police report was read by the secretary. Brothers moved and Bowen seconded that the report be accepted and filed.

Chief Burgess Report: This report was read by the secretary. This report showed that $26.00 was collected in fines and $4.50 in permits during the month. Strine moved and Goodling seconded that the report be accepted and filed.

Finance Committee: The estimated budget for the year 1953 which was prepared by the finance committee was read by the secretary. Bowen moved that the budget be accepted and Brothers seconded the motion. The budget will be presented for adoption at the next regular meeting. The secretary was instructed to advertise the budget one time in the local paper.

An application for the position of Chief of Police for the Borough of North York was read by the secretary. This application was from Harry E. Smith. Cousler moved that the application be accepted and that Officer Smith be given an increase of $200.00 in salary, and also one weeks vacation with pay. Brothers seconded the motion.

Solicitor Foster stated that he had been in personal contact with the representative of the Department of Highway regarding the no passing zone thru the borough. He stated that he was left to think that a representative of the state would be at our meeting to give an satisfactory explanation regarding the highway departments refusal to grant permission to have this no passing zone. The representative failed to appear at the meeting.

Solicitor Foster stated that the term of Perry Peiffer as a member of the North York Sewer Authority expires as of Dec. 31st. 1952. He stated that it is the authorities request that Mr. Peiffer be renamed on this committee. Cousler moved and Brothers seconded that Mr. Perry Peiffer be reappointed as a member of the North York Sewer Authority for a term of five years. Motion carried.

Mr. Strine told of several conplaints he had received regarding the condition of Albright Ave. Council to look into this situation. Engineer Weigle reported that Eighth Ave. will be repaired just as soon as the pipe which is on order is received.

It was reported that the roof of the tool shed in the rear of the fire hall is in need of repairs. Council decided to repair same.

Cousler moved and Brothers seconded that an order be granted for the payment of all of the bills. Motion carried.

Brothers moved and Strine seconded that the meeting be adjourned. Motion carried.

Respectfully submitted,

Samuel H Shettel

Secretary.

February 2, 1953.

The regular monthly meeting of the North York Borough Council was held Monday evening February 2, 1953, at 8:00 P.M. The meeting was called to order by the president Richard M. Slaugh. Roll call found the following to be present: Councilmen Cousler, Brothers, Goodling, Fink, Slaugh, Treasurer Everhart, Attorney Jack Gailey, Burgess Inners, Officer Smith and Secretary Shettel. The minutes of the previous meeting were read and approved.

Report of Standing Committees:

Highway Committee: The highcommittee reported that several of the streets have been closed off due to the construction of the sanitary sewer, causing a dangerous condition in case of a fire. This to be looked into and corrected if possible.

Fire & Safety Committee: Borough Co uncil authorized the Liberty Fire Co., to purchase 200' of 2-1/2" fire hose from Chester M. Hartman, 324 Maryland Ave., York, Pa.

Sanitary Committee: No report.

Light Committee: The light committee reported that a light at the North York Playground Auditorium has been replaced.

Police Committee: The Chief of Police report was read by the secretary. Fink moved and Goodling seconded that this report be accepted and filed. $7.00 was collected by Officer Smith for Health Inspection Permits issued to Restaurants, etc.

Finance Committee: The secretary read the prepared budget for 1953. Cousler moved and Fink seconded that the budget be adopted. Motion carried.

Council decided to set the milleage for the 1953 Taxes at .15 mills for the General Fund, and instructed the solicitor to prepare an ordinance for the same.

Council set the rebate preiod for the 1953 taxes at June 1st. 1953.

The Chief Burgess report was read by the secretary. This report showed that 4.50 was collected in permits issued during the month and $63.00 collected in fines. Brothers moved and Fink seconded that the report be accepted.

Mr. H. C. Bennett of the Penna. Department of Highways was present at the meeting regarding the no passing zone thru the borough. He stated that before such a zone can be established a permit must be secured and then a survey is made by the department to determine if it is necessary. Mr. Bennett stated that a no passing zone thru a heavily traveled town or borough is not advisable. He stated that trucks double parked for deliveries will hold up traffic. After further discussion the secretary was instructed to write the department of highways asking for a survey to be made on North George Street. He was also instructed to write concerning a traffic count to be made at the corner of North George St. and Seventh Ave., regarding the erecting of a traffic light.

A motion was made by Cousler that the salary of the special motorized police officer be raised from $1.75 to $2.00 per hour. Fink seconded the motion. Motion carried.

Mr. Jack Gailey of Solicitors office was present and presented to borough council profiles prepared by Daugherty and Smyser, Surveyors, for the North York Joint School District. These profiles were of Sixth Avenue, Queen Street to the Creek, Seventh Avenue, Queen Street to the Creet, Tenth Avenue, Howard Street to Columbia Avenue, and Columbia Avenue, Seventh Avenue to Tenth Avenue. Mr. Gailey ask that borough council approve these profiles and adopt a resolution.

Fink moved that borough council approve the profiles presented but only if the North York Joint School Authority bear the expense of building sewers on these areas on Seventh Avenue and Columbia Ave., that must be drained by sewers. Andthat a resolution be adopted to this effect. Goodling seconded the motion. Motion carried.

A motion was made by Brothers that North York Borough Council make an official claim on the North York Sewer Authority to repair storm sewers on East 8th. Ave., which have been damaged thru blasting, giving the North York Authority to have the same repaired by the contractor of their choice, and to above repairs to ~~xx~~ meet the approval of the borough engineer. Cousler seconded the motion.

Fink moved and Cousler seconded that an order be granted for the paying of all the bills. Motion carried.

Goodling moved and Fink seconded that the meeting be adjourned. Motion carried.

Respectfully submitted,

Samuel A. Stettler

Secretary.

NORTH YORK BOROUGH COUNCIL

NORTH YORK, YORK COUNTY, PENNSYLVANIA

CERTIFIED COPY OF RESOLUTION
OF NORTH YORK BOROUGH COUNCIL.

RESOLVED, that the council of the borough of North York, have studied the profiles of Sixth Avenue, Queen Street to the Creek, Seventh Avenue, Queen Street to the Creek, Tenth Avenue, Howard Street to Columbia Avenue, and Columbia Avenue, Seventh Avenue to Tenth Avenue, prepared by Daugherty and Smyser for the Joint School Authority.

Further, that we find them satisfactory and providing sufficient slope to drain properly, except areas on Seventh Avenue and Columbia Avenue that must be drained by sewers.

Further, that these profiles are approved by borough council only if these sewers are built by the North York Joint School Authority at no expense to the Borough.

CERTIFICATION

I, Samuel H. Shettel, do hereby certify that I am duly elected Secretary of the Council of the Borough of North York, York County, Pennsylvania, and that the foregoing Resolution is a true and accurate copy of a Resolution adopted at a meeting of the council of the said Borough of North York on Monday Evening, February 2nd. 1953, and as spread upon the Minute Book of the said Council.

Samuel H Shettel
Secretary.

March 2, 1953.

The regular monthly meeting of the North York Borough Council was held Monday evening March 2, 1953, at 8:00 P.M. The meeting was called to order by the president, Richard M. Slaugh. Roll call found the following to be present: Councilmen Bowen, Brothers, Goodling, Cousler, Fink, Strine, Slaugh, Engineer Weigle, Chief Burgess Inners, Officer Smith, Treasurer Everhart and Secretary Shettel. The minutes of the previous meeting were read and approved.

Fire & Safety Committee: No report

Sanitary Committee: Brothers, chairman of this committee reported that the storm sewer at the corner of 7th. avenue and North George St. has been cleaned. It was also reported that several cesspools in the borough are running over.

Light Committee: No report.

Finance Committee: No report.

Highway Committee: No report.

Police Committee: The Chief of Police report was read by the secretary. Fink moved and Goodling seconded that the report be accepted and filed.

Chief Burgess report was read by the secretary. This report showed that $4.00 was collected in permits and $77.00 collected in fines during the month. Brothers moved and Fink seconded that the report be accepted and filed.

Glen Wolfgang chairman of the Betterment and Civic Improvement Committee of the North York Lions Club of North York, was present at the meeting. He stated that a survey was made among the members of the club regarding the purchase of an automobile for the police officer. He reported that among 50 members of the club questioned they voted 44 to 6 in favor of the officer having a car. 32 to 18 in favor of the purchase if it meant an increase of one mill in borough taxes. Of this number 23 were borough residents. ~~taxpayers~~ 30 of these were borough taxpayers. 39 voted that they would be in favor of taking a public stand in this matter. Wolfgang stated that the survey was taken on an impartial basis to determine the feelings of the club members on the situation and was not meant to bring any pressure on the council. President Slaugh stated that council would consider this purchase if council received a ~~petit~~ petition from a majority of borough tax payers requesting this purchase. Cousler reported that council had a part time motorized police officer. Council thanked Mr. Wolfgang for his presence at the club and for the Lions club interest in the matter.

Millard Gladfelter was appointed as a member of the North York Health Board until 1956 to fill the term of Paul Behler who moved from the borough. This appointment was made on a motion by Fink and seconded by Goodling.

Officer Smith stated that the special Officer Earl Quickel was in need of a pair of trousers. Council instructed Fink & Brothers to secure these for Special Officer Quickel.

Paul P. Lauer, borough garbage collector was present at the meeting and requested that something be done about garbage collections, in regards to closed streets. He stated that he has received a number of complaints regarding non collections. Chief Burgess read the following article in the collectors contract: The collector shall not be required to remove garbage on streets which are inaccessible or obstructed by snow, ice or construction work. It was requested that an article be placed in the press that residents should take their refuse to the nearest site to their home which is not blocked off.

The secretary reported that he had received a communication from the Department of Highways regarding the street light at the corner of 7th. ave. and North George St.

He reported that he had received an application form and had filled it out andmailed it back to the Highway Department. An investigation will be made to determine the advisability of the need of a light. An investigation will also be made regarding the no passing zone through the borough.

Cousler moved and Strine seconded that an order be granted for the payment of the bills. Motion carried.

Fink moved and Strine seconded that the meeting be adjourned. Motion carried.

Respectfully submitted,

Samuel H Shuttel

Secretary.

April 6, 1953.

The regular monthly meeting of the North York Borough Council was held Monday evening, April 6, 1953, at 8:00 o'clock. The meeting was called to order by the president, Richard M. Slaugh. Roll call found the following to be present: Councilmen Bowen, Fink, Brothers, Goodling, Cousler, Slaugh, Chief Burgess Inners, Solicitor Foster, Engineer Weigle, Treasurer Everhart, and Secretary Shettel.

The minutes of the previous meeting were read and approved.

Reports of standing committees:

Highway Committee: Fink, chairman of this committee reported that there was a hole at the corner of 8th. avenue and Duke street that should be repaired.

Finance committee: No report.

Light Committee: No report.

Sanitary Committee: No report.

Police Committee: The chief of police report was read by the secretary. Fink moved and Brothers seconded that the report be accepted and filed: Motion carried.

Fire & Safety Committee: No report.

Chief Burgess report was read by the secretary. This report showed that $4.50 was collected in fixxxx permits and $49.00 collected in fines during the month. Fink moved and Goodling seconded that the report be accepted and filed. Motion carried.

A communication was read by the secretary, from the Penna. Dept. of Highways regarding the request made to that department regarding the traffic condition on North George St. This communication contained five recommendations from the department which might help this situation. Brothers moved and Fink seconded that the letter be xxxxx accepted and placed on file. Motion carried.

Mr. B. T. Morgan of the Top Flight Tape Co., was present at the meeting and ask council if there was anything that possibly could be done to remedy the condition of East Ninth Avenue at their plant. He reported that when it rained the street was turned into a mud hole making it almost impossible for their trucks and employees to go to works. He stated that the office would be moved to this building next week and the total employment of the company would be brought up to about 90 people. Mr. Morgan stated that the company would rate to go along for several months like this. Mr. Weigle, borough engineer stated that he didnt think that was necessary that the ditches in that area had sunken enough to allow the construction of a street.
He stated that he would investigate the street and start repairs as soon as it is possible.

Solicitor Foster then discussed the recommendations of the North York Borough Sewer Authority to borough council. These recommendations regarded the yearly rental of the sewer. Solcitor Foster stated that at the present the rental charge is $28.00 per year which included one unit of a sink, Commode, basin and bath tub, plus $12.00 a year for treatment. This amount at present was over and above the unit price for any additional fixture is the home, such as a shower, sanitary tubs, authomatic washer, etc. Solicitor Foster recommeded a flat rate of $36.00 per home for a years sewer rental stating that then any home could have as many additional fixtures as they want and also any amount could be added later. After discussion of this matter Fink moved and Cousler seconded that the Sewer Authority amend present ordnance to establish rate of sewer rental to a flat rate of $36.00 per year per property. Motion carried.

Cousler moved and Brothers seconded that borough council pay bond for tax collector whenever it comes due. Motion carried.

The secretary was instructed to write our local state representative regarding Senate Bill 344 introduced for the Penna. StateAssoc. of Boroughs which will establish a more equitable distribution of the Liquid Fuels Funds to all municipalities and for the maintenance and construction of roads and streets. The secretary to state that borough council favor this bill.

Cousler moved and Brothers seconded that an order be granted for the payment of all bills. Motion carried.

Fink moved and Cousler seconded that the meeting be adjourned. Motion carried.

Respectfully submitted,

Samuel A Shettel

Secretary.

Mr. James Holland, a resident of the borough was present and ask Engineer Weigle if he, as an authority on such work, felt that the Contractors, Freeman and Basore were living up to the contract in the construction of the sewer. Weigle stated that he felt that the contractors were doing a fine job.

Mr. Paul Everhart presented to council several bills in connection with damage done at the home of Mrs. Louise Everhart, Corner of 8th. Ave. and Duke Street. He stated that during heavy rains water entered the cellar causing damage to a washing machine and oil burner, and that a plumber also done work that the property owner never authorized having done. Council requested that Mr. Everhart turn these bills over to the Sanitary Sewer Authority.

Police Officer Smith reported that Special Motorized Officer Preston Smith, during the discharge of his duty in the arresting of a man had his glasses broken and also his uniformed soiled. Council stated they would stand the expense of the broken glasses being repaired and also theofficers suit being cleaned.

The solicitor was requested to advertise for bids for the construction of East Ninth Ave., from Duke St. East to Queen Street. This was requested on a motion made by Fink and seconded by Cousler. Motion carried.

Fink moved and Brothers seconded that an order be granted for the paying of all of the bills. Motion carried.

Cousler moved and Fink seconded that the meeting be adjourned. Motion carried.

Respectfully submitted,

Samuel N. Whittel

Secretary

May 4, 1953

The regular monthly meeting of the North York Borough Council was held Monday evening, May 4, 1953, at 8:00 o'clock. The meeting was called to order by the president, Richard M. Slaugh. Roll call found the following to be present: Councilmen Cousler, Brothers, Bowen, Fink, Slaugh, Solicitor Foster, Engineer Weigle, Chief Burgess Inners, Chief of Police Smith, Treasurer Everhart, and Secretary Shettel. The minutes of the previous meeting were read and approved.

Reports of standing committees:

Finance Committee: No report.

Sanitary Committee: No report.

Fire & Safety Committee: It was reported that applications have been received and acted upon to receive matching funds of the hose recently purchased for the Liberty Fire Company. This money to be received from the State Council of Civil Defense.

Highway Committee: Brothers reported that several of the alleys in the borough were in an extremely bad condition due to the construction of the sewer and asked if it wasn't possible to have them fixed up. Court Ave. from 7th. Ave. to Laurel St. was used as an example. It was reported that this particular portion of court avenue was almost impassable. Cousler also ask if it wasnt possible to fix up some of the streets to eliminate some of the mud and dust. Engineer Weigle stated that it is something that cannot be helped and that you cannot expect to construct a sewer without some dirt and invonvenience. He stated that he believed it would not be for long as the sewer is just about completed. This situation is to be investigated and repair work done wherever necessary.

The Chief Burgess report was read by the secretary. This report showed that $9.50 was collected in permits and $52.00 collected in fines during the month. Brothers moved and Cousler seconded that the report be accepted and filed. Motion carried.

The Chief of Police report was read by the secretary. Cousler moved and Bowen seconded that the report be accepted and filed. Motion carried.

A letter was read by the secretary regarding Social Securitry for Police Officers replacing the present Police Pension Plan. This letter was received from the Penna. Municipal Pension and Insurance Service. The secretary was instructed to write Mr. Carl E. Bechdel and ask to have a representative at a future meeting to explain in detail, this plan.

A bid from Basore and Freeman for the repairing of East Ninth Ave., was read by the secretary. In as much as council knew nothing and asking for such a bid, Cousler Moved and Brothers seconded that it be tabled. Motion carried.

Mr. Edgar Gladfelter, a resident of the borough was present and protested the proposed change in the ~~rental~~ of sewer rental from the original $28. to $36. He stated that the change in his opinion was out of reason and that the ordinary home owner was helping to pay the way for those people having apartment houses. Solicitor Foster explained the proposed change. He stated that the $28. rental covered just one unit, that is sink, tub, commode and wash basin, and that any extras such as sanitary tubs, automatic washers, showers, etc., would be an additional rental charge. He stated that the authority felt that this new rate would more than cover any additions that a property would want to make after they have the sanitary sewer in their house. In as much as there were only four members of council present action could not be taken on the ordnance, and Solicitor Foster stated that it was was possible that a special meeting of council would have to be called to act on this issue.

June 1, 1953.

The regular monthly meeting of the North York Borough Council was held Monday evening, June 1, 1953, at 8:00 P.M.. The meeting was called to order by the president, Richard M. Slaugh. Roll call found the following to be present: Councilmen, Bowen, Goodling, Brothers, Fink, Cousler, Strine, Solicitor Foster, Burgess Inners, Police Officer Smith, Treasurer Everhart and Secretary Shettel. The minutes of the previous meeting were read and approved.

The following are reports of the standing committees:

Finance Committee: No report.

Highway Committee: No report.

Sanitary Committee: No report.

Light Committee: This committee reported that several lights in the borough have been repaired.

Police Report: The Chief of Police report was read by the secretary. Fink moved and Cousler seconded that the report be accepted and filed. Officer Smith turned over one dollar to council for a restaurant health inspection certificate.

Fire & Safety Committee: President Slaugh stated that an application has been received from the State Civil Defense Organization in order for council to obtain matching funds of the hose recently purchased for the fire company. He stated that this application has been acted upon and borough council would receive the amount of $84.00. This amount being received is due to the fact that the purchase price of the federal government is much lower than when purchased from a hose supplier by any individual organization. Brothers moved and Bowen seconded to Accept this refund. Motion carried. Councilman Brothers presented a petition to borough council from the Liberty Fire Co., in that borough council pay or help to share in the cost of the construction of the sanitary sewer. No action was taken by borough council, until they receive some sort of financial figures from the fire company.

The Chief Burgess report was read by the secretary. This report showed that $2.50 was collected in permits and $24.00 collected in fines during the month. Bowen moved and Fink seconded that the report be accepted. Motion carried.

It was reported that Mrs. Grace Brenneman a resident of W. 6th. Ave. complained of not being able to use her two car garage because of the condition of the alley between 6th. avenue and Dewey Ave., due to the construction of the Sanitary Sewer. She stated that she has lost considerable ~~xxxxx~~ revenue in rent received from these garages and threatened to present a bill to council for ~~xxxx~~ the amount she would have received for rent. Engineer Weigle to look into the situation.

A letter from the North York Health Board was read by the secretary. This letter stated that they have sent out letters to residents of the borough requesting them to either have their cesspools cleaned out or enter the sewer and also letters to residents requesting them to clean up their properties and put them in a sanitary ~~xxxxxxxxxx~~ condition.

Several residents of the borough were again present at the meeting asking to have questions answered which have arisen thru the construction of the sanitary Sewer. After a lengthy discussion on this issue President Slaugh stated that borough council was in no position to answer any questions or solve any problems in this issue and that they could only be answered by the Sanitary Sewer Authority ~~xx xxxxx xxxxx xxx~~ as the construction is in their hands. He stated that he would contact the Sewer Authority as to conducting an open meeting at which time all questions and problems could be ironed out, and that the public would be notified by the press when this meeting would be held.

Mr. Richard Hake of 1420 North Duke St., was present and ask council what could be done to relieve the swampy situation in the lot adjoining his house and also the condition of his cellar. He stated that water flows from the arsenal road and from as far as the Department of Highway sheds, flooding his cellar to the extent that he could almost use a row boat to get around in it. President Slaugh stated that he had tried to reach the Highway Department and Manchester Township Supervisors about this matter, without any success. He requested that our solicitor write letters to both the Penna. Dept. of Health and Dept. of Highways regarding this matter.

A letter was received from the Department of Highways stating that a permit has been granted borough council for the erection of a traffic light at the intersection of North George St., and 7th. Avenue. Bowen moved and Fink seconded to advertise for bids to be received and opened at out next regular meeting. Motion carried. The solicitor will advertise for these bids.

A request was made by several residents of the borough for the erection of stop signs. One request was made for the intersection of N. Queen St. and E. 6th. Ave., Another request for the intersection of North Duke St., and East 9th. Ave. The highway ~~department~~ committee to investigate this situation and erect these signs wherever they think they are necessary.

Fink moved and Cousler seconded that an order be granted for the payment of all the bills. Motion carried.

Fink moved and Bowen seconded that the meeting be adjourned. Motion carried.

Respectfully submitted,

Samuel H. Shettel

Mr. Gorden Steffee
108 W. 6th. Ave.,
North York Pa.

Dear Mr. Steffee:-

The Board of Health of this borough has received complaints about the condition of your yard at the residence in which you live. It is the desire of the board that you give the yard a general cleaning, cutting grass, and removing any rubish that may have accumulated within ten days from date of this letter, after which an inspection will be made.

Thanking you very kindly in advande for your co-operation in this matter. I remain

Very truly yours.

Frederick A. Shindel Secy.

June 11, 1953

Mr. Louis K. Scheffer
District Engineer
Department of Health
Commonwealth of Pennsylvania
Harrisburg, Pa.

Dear Mr. Scheffer:

The Borough of North York is confronted with a serious drainage problem, near the vicinity of 11th Avenue and Duke Street, in the Borough.

As I understand the situation, the problem was created when the Highway Department constructed the by-pass leading from U. S. 111 to the Naval Ordnance Road. The situation has now reached the point where property owners in the vicinity have water in their cellars constantly. I also understand that there is a stagnation problem which may seriously menance public health.

The Borough feels as if the problem is not theirs alone, and should be shared by the State, since the construction of the by-pass created the problem.

It would be most appreciated if you would arrange to have someone view the situation with representatives from the Borough, in an effort to decide some course of relief. Probably it would be well to have a representative of the Highway Department meet with the Borough Council.

Your prompt response will be most appreciated.

Very truly yours,

Solicitor for North York Borough.

June 11, 1953

Department of Highways
Commonwealth of Pennsylvania
Harrisburg, Pa.

Gentlemen:

I have enclosed herewith a copy of letter which I addressed this day to Mr. Louis K. Scheffer, of the Department of Health.

I am sure you will find the contents of same to be self-explanatory.

Any relief or assistance which you can give to the Borough in solving the problem will be most appreciated.

Very truly yours,

Solicitor for North York Borough

BOROUGH OF NORTH YORK

BOARD OF HEALTH

YORK, PA., June 9, 1953

North York Borough Council
North York Pa.

Gentlemen:-

At a redent meeting of the Board of Health Officer Harry Smith made a compaaint of a condition that exists on the property in which he lives. According to the information given by Mr Smith it seem's in the base ment of the same property occupied by the Hob Nob there is in operation a pump used to dispose of the waste water, which is pumped into the Cesspool, When the water in the Cesspool reaches a certain level it back's up into the sink, bath-tub and comode of the apartment occupied by Mr. Smith. The Board of Health has also decided to refer this case to Borough Council to tske whatever steps necessary to remedy the existing nuisance. I remain

Very truly yours.
Frederick A. Shindel

BOROUGH OF NORTH YORK

BOARD OF HEALTH

YORK, PA., June 9, 1953

North York Borough Council,
North York Pa.

Gentlemen:-

The Board of Health of this borough has received complaint's about a condition that exists on the property occupied by Mr. Gorden Steffee at 108 W. 6th. Ave. North York Pa. of which you will find enclosed a copy of the letter mailed to the above.

We have given ten days notice to remedy the existing condition, after which an inspection was made and find that nothing has been done in this case. It was decided by the Health Board at our recent meeting that we refer this case to Borough Council to take whatever step's they deem necessary to remedy the existing condition. I remain

Very truly yours
Frederick A. Shindel
Frederick A. Shindel Secy.

Borough Solicitor Foster was instructed to insert, in the local papers, advertisement for bids for the purchase and erection of a street traffic light to be placed at the corner of North George St., and E. 7th. Ave.

Solicitor Foster read an ordinance relative to the Sanitary Sewer. This ordinance was for the imposing sewer connection charges, and sewer rentals for cost of construction, upon the owners of property served or to be served by this sewer system; providing for the collection thereof, and the filing of liens therefor; requiring each property which ben be used as a separate unit to have a separate connection; requiring that the status of all properties be determined as of July 1, 1952 and repealing specifically the ordinance dated July 25th. 1952. This ordinance is an exact duplicate of the ordinance of July 25, with the exception of the annual sewer rental rate being set at $36.00 per year for each connection regardless of the number of fixtures presently installed or hereafter to be installed. This same rate was originally set at $28.00 in the previous ordinance. Fink moved and Strine seconded that the ordinance be adopted. Motion carried.

The second ordinance relative to the sanitary sewer was then read by the solicitor. This ordinance was for the purpose of imposing sewer charges for the use of the Sewer System and the Sewage Treatment Works, upon the owners of property served or to be served by such Sewer System and Sewage Treatment Works; providing for the collection thereof, and the filing of liens therefor; specifically repealing the Ordinance of July 25th. 1952. This ordinance is an exact duplicate of the ordinance passed by council on July 25th. 1952. Brothers moved and Fink seconded that this ordinance be adopted.

Both ordinances in detail are attached to these minutes.

Fink moved and Cousler seconded that the meeting be adjourned. Motion carried.

Respectfully submitted,

Samuel H. Shettel

Samuel H. Shettel.

June 15, 1953.

A special meeting of the North York Borough Council was called to order Monday evening, June 15th., at 7:30 P.M. by the president, Richard M. Slaugh. Roll call found the following councilmen to be present: Brothers, Strine, Goodling, Cousler, Fink, ~~Brown~~, Solicitor Foster, Engineer Weigle, Treasurer Everhart and Secretary Shettel.

An ordinance was read by Solicitor Foster. This ordinance was for the purpose of vacating and closing a public street known as 9th. avenue from Queen street to Columbia Avenue. This ordinance was written due to a request from the North York School Board.

A second ordinance was then read by the solicitor. This ordinance was for the purpose of adopting and extending a public street known as 8th. Avenue between Queen St. and Howard Avenue. This ordinance was written to insure the borough to run its sewer line across the property of the school board.
After a discussion Fink moved and Goodling seconded that both these ordinances be adopted.

It was brought to the attention of Council by Borough Sewer Authority President Snyder that he was under the impression that the school board had granted the borough permission to place its sewer along ~~Eighth~~ this portion of Eighth Avenue. This truth was established when Borough Solicitor Foster contacted School Authority Solicitor Leader and learned that the school board had granted the borough this permission. Fink then moved and Brothers seconded that the ordinance pertaining to the adopting and extending of 8th. avenue from Queen St. to Howard Ave. be recinded. Motion carried.

Two letters were then read. The first letter was directed to the Department of Heath of the Commonwealth of Pennsylvania, and the second letter directed to the Department of Highways. These letters were written by borough Solicitor Foster and were in regard to the water situation at the corner of W. 11th. Avenue and North Duke St., and asking that these two department help to come to some conclusion in order to remedy this very bad ~~xxx~~ situation. Engineer Weigle stated that he felt sure that the Department of Highways would do nothing at all to help. He stated that he had talked to ~~Engineer~~ Salesman Krone of Manchester, and they thought that if a pipe was placed diagionally across 11th. avenue diverting this water into a field on the west side of North Duke Street that it would relieve this situation. He also mentioned that this be done on a fifty-fifty basis with Manchester Township. Fink moved and Brothers seconded that the borough assume half the cost of the placing of a pipe across 11th. avenue. Brothers seconded the motion. Motion carried.

Brother moved and Fink seconded that the treasurer be authorized to pay to the treasurer of the North York Sewer Authority the sum of $2000.00, the initial payment on the sewer. Motion carried.

A request came from the North York School Board that a portion of E. 6th. avenue, from Queen to Pine Sts. be opened and adopted. Fink moved and Brothers seconded that this be done and that the North York School Board stand the expense of placing this portion of 6th. avenue in a first class condition.

A letter was read by the secretary from the North York Health Board which stated that they are sending notices to all eating places to enter the sanitary sewer within a period of 30 days or face alternative of being closed. Fink moved and Goodling seconded that the secretary sent out printed notices. Motion carried.

Engineer Weigle suggested to borough council that they advertise for bids for the resurfacing of the streets as the construction of the sanitary sewer is just about finished. He was advised to draw up the specifications and submit them to Solicitor Foster who will have them published in the local papers. Weigle also stated that the people be notified that the contractor for the sewer is about ready to begin repaving the sidewalks and they should enter the sewer as soon as possible in order to save themselves the expense of replacing their sidewalk themselves. The residents of North Duke St. and N. George St. to be notified in particular. This notification to be done thru the press.

One bid for the construction of a traffic light at the intersection of E. 7th. Ave. and North George St. was received. This bid was from Mr. Charles J. Kinsler of Dallastown. His bid offered to place the necessary adjustable signals for a price of $926.44, and the non-adjustable signals for $859.20. After discussion it was decided to reject this bid for the present because of it being the only one received. Engineer Weigle stated that he felt a better price could be obtained and that he would inquire into the matter from different sources and report at the next meeting. The motion to reject the bid was made by Brothers and seconded by Fink. Motion carried.

Fink moved and Cousler seconded that borough donate the amount of $180.00 to the Liberty Fire Co., to help pay the expense of entering the Liberty Fire Hall into the Sanitary Sewer. Motion carried.

Cousler moved and Strine seconded that the amount of $200.00 be given to the North York Recreation Commission to help pay the expense of supervised playground activities in the borough. Motion carried.

Cousler moved and Fink seconded that an order be granted for the payment of all of the bills. Motion carried.

Bowen moved and Fink seconded that the meeting be adjourned. Motion carried.

Respectfully submitted,

Samuel H Shettel

Secretary.

July 6, 1953.

The regular monthly meeting of the North York Borough Council was called to order Monday evening, at 8:00 P.M. by the Vice President, Harry Goodling in the absense of President Slaugh. Roll was called finding the following councilmen to be present: Strine, Bowen, Brothers, Cousler, Fink, Engineer Weigle, Jack Gailey, Treasurer Everhart, Chief Burgess Inners, and Secretary Shettel. The minutes of the previous meeting were read and approved.

The report of the Standing Committees:
Finance Committee: No report.
Highway Committee: Fink, chairman of this committee reported that stop signs have been placed at the intersections of E. 9th. Ave. and Duke St., and E. 6th. Ave. and Queen St. He also reported that yellow traffic paint has been purchased and that the work of painting the curbs at intersections will be started.

Sanitary Committee: No report.

Light Committee: No report.

Fire & Safety Committee: Bowen, chairman of this committee reported that the estimated cost of entering the fire hall into the sanitary sewer would be $420.00. As requested by the Liberty Fire Co., council was asked to share in the cost of this installation. The secretary was instructed to write the York Water Co., requesting them to flush the fire hydrants in the borough.

The Chief Burgess report was read by the secretary. This report showed that $15.00 was collected in permits issued, and $24.00 collected in fines, during the month. Strine moved and Fink seconded that the reported be accepted. Motion carried.

The Chief of Police report was read by the secretary. Fink moved and Brothers seconded that the report be accepted and filed. Motion carried.

A report was given by David Fink, chairman of the Highway Committee, regarding the water condition on E. 11th. ave. at North Duke St. He stated that he had met with the Manchester Township Supervisor and that plans were made to lay a 30" pipe along E. Eleventh Ave. Fink moved and Brothers seconded that a letter be addressed to Mr. Krone, Manchester Township Supervisor that the borough council would assume one half the cost of ~~the laying of 63 ft. of pipe~~ material and labor for the laying of 63 ft. of pipe.

It was reported that the insurance policy taken out for the Sanitary Sewer would have be be taken over by the borough council, and that this policy would expire July 7th. A representative from the office of Roy L. Geesey Ins. Co., was present to discuss the writing of this policy. It was decided to have this company issue a binder on this policy and take final action at the August meeting. Engineer Weigle to draw up specifications regarding this policy and obtain the agreement of the trustee. A motion was made by Brothers and seconded by Cousler that a binderbe issued by the office of Roy L. Geesey, the terms to be the same as the policy now in effect for the North York Borough Authority so prescribed in the lease and to have bodily injury limits of $100,000. to $300,000. and Property Damage limits of $50,000. ~~and coverage of the completed sanitary sewer as prescribed in the lease to the amount of $300,000.~~

In answer to the advertising for bids for the general repairing of the borough streets, one bid was received from Basore & Freeman. The secretary read this bid which showed that the bidder would provide one coat of asphalt and stone at at .53 per square yard; two coats of asphalt and stone at .89 per square yard, or a base of crushed rock and bituminous material at a cost of $2.07 per square yard. Discussion was held regarding the bid, at which time Engineer Weigle stated that he felt this bid was in line with present day costs for wuch work. Fink moved and Strine seconded that Freeman & Basore be awarded the contract for this work. Motion carried.

August 3, 1953.

The regular monthly meeting of the North York Borough Council was called to order Monday evening, August 3rd. at 8:00 P.M., by the president Richard M. Slaugh. Roll was called find the following to be present: Councilmen ~~Strine~~ Bowen, Strine, Fink, Cousler, Goodling, Brothers, Solicitor Foster, Burgess Inners, Officer Smith, Treasurer Everhart and Secretary Shettel. The minutes of the previous meeting were read and approved.

The report of the Standing Committees:

Finance Committee: None.

Highway Committee: A motion was made by Brothers and seconded by Goodling that a stop sign be placed at the South East corner of Duke St., and Eleventh Ave. A motion was made by Cousler and seconded by Bowen that the decision as to which of the borough streets should be repaired be left up to the highway committee.

Sanitary Committee: It was reported that the storm sewers in the borough should be cleaned out. The sanitary committee to look into this matter.

Fire & Safety Committee: No report

Police Committee: The report of the Chief of Police was read by the secretary. Fink moved and Strine seconded that the report be accepted and filed.

Light Committee: No report.

Chief Burgess Report: This report was read by the secretary and showed that $26.00 was collected in permits issued and $36.00 collected in fines during the month. Brothers moved and Fink seconded that the report be accepted and filed.

Mr. Edwin S. Lyman Jr., of the insurance office of Roy Geesey was present and presented to council an insurance plan for the sanitary sewer. Bowen moved and Cousler seconded that borough council provide for the sanitary sewer an insurance policy including liability and physical damage insurance for the borough, the sewer authority and the trustees of the bond issue. The policy to include $100,000. to $300,000. coverage for personal liability and up to $50,000. for property damage. Motion carried. The price quoted for this policy was approximately $250.00 per year.

Mr. Ray Reigelmierer of the Riegelmeirer Traffic Services was present at the meeting to discuss the traffic signal which council wishes to erect at the intersection of N. George St. and Seventh Ave. He stated that he believed with a few revisions we could use only 6 lights instead of the required ten which would lower the cost of the lights and also the cost of installation. The secretary was instructed to write the department of highways regarding revising the plans of the light. Fink moved and Brothers seconded that the secretary write this letter and resubmit bids for light after receiving approval from the state.

Mr. Basore of the firm of Freeman and Basore signed the contract for the general repairing of the borough streets.

Fink moved and Strine seconded that the solicitor draw up an ordinance to prohibit parking on the west side of North George Street from Devel Avenue to the borough line south. Motion carried.

It was decided that the Sanitary Committee work with the secretary and treasurer and prepare billings for sewer treatment, and present them to the York Tabulating Co., so they can prepare them for submitting to the borough ~~residents~~ property owners.

AN ORDINANCE

Making and declaring Eagle Street, to be a one way street, and prohibiting the driving and operating of any type of vehicle in an Eastward direction upon said street and providing penalties for the violation of the same.

The Council of the Borough of North York, in the County of York and Commonwealth of Pennsylvania, hereby ordains as follows:

SECTION 1. That from and after the passage of this Ordinance, Eagle Street is herewith declared to be a one-way street, from the point of its intersection with George Street to its terminus at the Borough Line.

SECTION 2. It shall be unlawful for any person or persons to drive or operate any type of vehicle on the above mentioned Eagle Street, in an Eastward direction from its terminus at the Borough Line to its intersection with George Street.

SECTION 3. Any viol[illegible]f this Ordinance, upon con-
viction thereof, shall be sul[illegible]fine of Two ($2.00) Dollars
or imprisonmeent for two day[illegible]ork County Prison for the
first offense and a fine of T[illegible] Dollars or ten days
imprisonment for each success[illegible].

SECTION 4. All Ord[illegible]arts of Ordinances
inconsistent herewith are he[illegible].

M. Stauch
[illegible]f Borough Council.

Attest:
Samuel N. Shettel
Secretary of Borough Co

Approved by me this [illegible] 1953.
