Oct. 1, 1956.

The regular monthly meeting of the North York Borough Council was held Monday evening, Oct. 1, 1956, at 8:00 o'clock at the Liberty Fire Hall. The meeting was called to order by the president, Clair E. Desenberg. Roll call found the following councilmen to be present: Morris, Lease, Everhart, Baylor, Bowen, Chief Burgess Ross, Solicitor Beers, Treasurer Everhart and Secretary Shettel. The minutes of the previous meeting were approved.

Mr. Alpheus Strausbaugh, a resident of W. Ninth Ave., was present at the meeting in regards to the extension of the Sanitary Sewer to accomodate a property which he has built and is almost ready tooccupy, and which will not be furnished with the sewer facilities. He stated that he felt that he could not go along with the recommendations of the North York Authority in that he pay for the sewer line and then be reimbursed by any other property that may be built along the sewer line. He stated however that he would be agreed to lift three permits for the sewer immediately and with the Fifth E.U.B. Church and the Church Parsonage, it would make a total of five connections which he believes will pay for installing of this sewer line. He ask that council call a meeting with the North York Authority, the Fifth Church Administration Board, the Authority Trestee, and himself in order to come to some immediate and final decision. Council stated that they would arrange for such a meeting and advised Strausbaugh that he would be notified to this effect.

Finance Committee: The committee reported that final settlement of the property at the rear of 119 W. Sixth Ave., which has been purchased by borough council, will be made on Wednesday Oct. 3rd. Solicitor Beers stated that he has been in contact with Edward Jackson regarding same.
The secretary was instructed to contact the Metropolitan Edison Co., and instruct them to change any wiring that may be necessary to furnish power for this building.

Light Committee: It was reported that progress is being made on the new street lighting set-up in the borough.

Fire & Safety Committee: This committee reported that 3 fire calls were answered during the month.

Sanitary Committee: It was reported that two sections of the sanitary sewer were clogged up. This occurred on North Duke Street. They were opened up by Jackson and Raffensberger. A bill to the amount of $102.00 was presented for this work. It was ordered to be paid.

Police Committee: It was decided by council that a winter coat be purchased for the Police Officer, Jack Geisler, if the original coat purchased by council for the former police officer could not be found.

It was suggested that a fire extinguisher and first aid kit were needed for the police car. The police committee to discuss this issue and do whatever they think is necessary.

Highway Committee: This committee reported that they are waiting for the remainder of the curbs to be put in before the resurfacing work can be completed. Bowen stated that he felt these curbs will be put in immediately. Morris moved and Everhart seconded that if necessary these curbs be put in and that the property owners be billed for same. Motion carried.
It was reported that several bad spots in the streets in the borough were repaired.
The highway committee was instructed to purchase a new shovel and pick.
The storm sewer at the intersection of W. 8th. Ave., and N. George St., which has been damaged, is to be taken care of by the borough engineer, William Weigle.
A request by a resident of N. Court Ave., between 5th. and 6th. ave., for council to establish a no parking zone in this avenue. Council decided that this is impractical as the only time there is any extensive parking there is when there are services held at the St. Peters Lutheran Church.

A complaintwas received from residents of W. 6th. Ave., regarding the no parking signs placed on the north side of this avenue. They stated that they were unable to find places to park their automobiles. Council stated that they felt they had come up with a solution to the traffic problem on this street, which was the most satisfactory solution. They felt that this solution was very practical from a safety standpoint, and also in case of fire it would make the street more accessible for the fire apparatus.

Solicitor Beers was instructed to draw up an ordinance, to be acted on at the next meeting, regarding the establishing of a curfew in the borough.

The secretary was instructed to check into the possibility of the insurance company taking care of the repairs to the storm sewer at 8th. avenue and N. George St.

A letter was read by the Secretary, from the York County Boroughs Association, informing council of a meeting of this organization to be held Wednesday Oct. 10th. at Mt Wolf. Also of the annual meeting of the association to be held on Nov. 14th., Wednesday at Dover, at which time the annual banquet will be held.

In regards to the establishing of a Zoning Commission within the borough, Solicitor Beers stated that in view of the fact that the borough has so little room to expand or develope, and the terrific cost of engineering work and legal costs, he felt it was very unwise for the borough to go into this at this time. He stated regarding the situation of the noise and nuisance on Latimer Street that this was something that would have to be carried on between the residentsof this street and the Fabricating Company.

The Chief Burgess reported the following:

Sept. Fines	Burgess Office		$30.00
	Snyder	"	295.00
	Quickel	"	50.00
			$375.00
Aug. Permits		$25.00	
Sept. "		10.00

Morris moved and Everhart seconded that an order be granted for the payment of the bills. Motion carried.

Everhart moved and Lease seconded that the meeting be adjourned. Motion carried.

The regular monthly meeting of the North York Borough Council was held Monday evening Sept. 10th., at 8:00 o'clock at the Liberty Fire Hall. The meeting was called to order by the Vice President, Donald B. Thompson in the absence of the president. Roll call found the following councilmen to be present: Morris, Lease, Everhart, Bowen, Baylor, Engineer Weigle, Treasurer Everhart and Secretary Shettel. The minutes of the previous meeting were approved.

A petition signed by residents of E. 7th. Ave., Columbia Ave., and N. Queen St., was read by the Secretary. This petition requested that borough council reduce the speed of vehicles on the above streets to fifteen (15) miles per hour at all times. The petition further stated that there is a hazardous and dangerous condition existing in said area and because of the speed of motor vehicles, trucks and general traffic coming from the rural area by way of Columbia Ave., and Seventh Ave., to enter George Street at the signal light the lives of childred and pedestrians are greatly endangered.

It was stated that some time ago the question came up regarding the placing of fifteen mile speed limit signs in the vicinity of the school. Council decided at that time that if the school board furnished the signs coulcil would have them erected. Nothing up to this time has been heard from the school board. It was thought by council that the speed on these streets could not be reduced except those times that school is in session, but that council would advise their solicitor to look into the situation. The residents were told that the Chief Burgess would be contacted and have more police supervision on these streets. The petition was turned over to the police committee for further study and to report at the next meeting.

Rev. Joseph H. Yeakel and Gordon Quickel were present at the meeting representing the 5th. E. U. B. church regarding the extension of the sanitary sewer system to furnish the contemplated church with sewer facilities. Pastor Yeakel then read a letter from the Church Council of Administration of the 5th. Church in which they requested that borough council complete the sewer line west on Ninth Ave. to include the several properties fronting on West Ninth Ave. to a point where West Ninth Ave., and N. Pershing Ave. (Ext.) intersect.

Secondly if the request for the extension of the line is refused, except at the property owners expense, then they requested permission to use a septic system for the parsonage only.

Third since the fact that 40% of the church property lies in Manchester Township, and since they are evidently being detained from entrance of the Church proper into the sewer at W. Ninth Ave. and N. Beaver St. because of this factor, they requested that the matter of annexation of their property be expedited as soon as possible.

Following a discussion on the above Morris moved and Everhart seconded that the Engineer William Weigle be instructed to draw up necessary boundaries regarding this annexation and turn them over to the solicitor Robert Beers to be presented to the courts for proper action.

Permission was given the Fifth Church to enter our sewer system to take care of the church proper. The secretary to send the necessary letter to C. J. Beshore the plumber.

In regard to the extension of the sewer system to serve the church parsonage and also a home being constructed by Mr. Alpheus Strausbaugh(who was also present at the meeting) the council stated to these parties that they were in favor of extending this system for their use, but that they would have the sanitary committee requisition the North York Authority for funds or advice as to how this line could be extended and also means of financing same. William Everhart, chairman of the Sanitary Committee was instructed to arrange for a meeting with borough council and the North York Authority requesting that all members be present along with both Solicitors.

A petition signed by residents of Latimer Street was read by the Secretary. This petition stated that borough council through the proper borough officials take immediate action to relieve them from the noise and the blinding flashes from the welding operation which is carried on by the Fabricating Engineers, Inc., located at the corner of Fourth Avenue and Latimer Street in said Borough, County and State. It further stated that the above occurs from day to day and causes sleepless hours and disturbing the peace and quiet of the neighborhood for both old and young people. They requested council to remedy the situation. They further petitioned that borough council consider the creating of a zoning board and establishing ordinances that may be necessary to prevent any re-occurence of such annoyances and disturbances by similar businesses locating anywhere in the residential section of the borough.

Mr. Roy Kinard and Mr. Calvin Campbell representing the residents were informed that the Chief Burgess had made a request to this company regarding the above nuisance and had been informed that blinds would be placed over the windows to relieve the welding flahses and that there would be no noise after 10L00 o'clock. The residents stated that up to this time neither of the above have been done. Council stated that the above would be looked into and that the secretary would contact Solicitor Beers regarding the establishing of a zoning board.

Light Committee: A resolution requesting the changing of the old 1000 lumiline lamp light at the fire hall was presented to council. Lease moved and Baylor seconded that the resolution be adopted. It was reported that the Metropolitan Edison Co., is working on the changes to be made in the lighting system in the borough.

Fire & Safety Committee: Lease reported that one fire call was answered this month. This one being in the city of York.

Highway Committee: Wayne Bowen, chairman of this committee reported that all of the holes have been patched. He further stated that the rough grading on Pine and Meade Streets has been done. It was decided to notify the residents of these streets who have not put in curbing yet to do so at once as the thirty day period was up. The highway committee was instructed to have Engineer Weigle check into the condition of 11th. Ave.

Mr. Brandt a resident of N. Duke St., requested to council that the street at his property be repaired.

Bowen moved and Lease seconded that the necessary papers be signed to apply for aid for street repairing from the York County Commissioners.

It was reported that the storm sewer at 8th. Ave. and N. George St., has been broken. The highway committee to check into this and if the condition is not too dangerous to let it go for the time being.

A request from the drivers of the school busses regarding the painting of curbs was received. It was decided that the curbs on the southwest corner of Queen St., and the Southeast corner of Seventh Avenue be painted so that the school busses will be able to manipulate the corners better. It was also ask that borough council create a no parking zone on the north side of 7th. Ave., from the west end of the school parking lot to Columbia Avenue. Everhart moved and Baylor seconded to have this ordinance drawn up. Motion carried.

Lease moved and Everhart seconded that a pair of boots be purchased for the special officer. Motion carried.

Morris chairman of the Finance Committee suggested that the treasurer be instructed to sign the necessary note to megotiate the purchase of the property of Edw. Jackson, just as soon as word is received that the title has been searched and is found to be clear.

A letter from Borough Assessor, Leo C. Poff, which was addressed to the York County Commissioners, in which he tendered his resignation as assessor, was read by the secretary. Countil to await recommendations from the Commissioners regarding a successor.

A motion was made by Morris and Seconded by Everhart to issue an order that all of the bills be paid. Motion carried.

Morris moved and Everhart seconded that the meeting be adjourned. Motion carried.

Respectfully submitted,

Samuel H Shellet

An adjourned meeting of the North York Borough Council was called to order on Friday evening, August 10th., at 8:00 o'clock in the Liberty Fire Hall, by the president, Clair E. Desenberg. Roll call found the following to be present: Morris, Lease, Everhart, Bowen, Baylor, Burgess Ross and Secretary Shettel.

The purpose of the meeting was to arrive at a final decision regarding the purchase of a cement block building at the rear of 119 W. 6th. Avenue.

Morris, chairman of the finance committee reported that he had contacted Mr. Kissinger of the York Trust Company and that we could borrow the amount of $2800.00 from that bank on a note to be renewable every 90 days to be extended over a period of four years which would mean the payment of $700.00 per year. A resolution which had been drawn up by Solicitor Beers was read to council. Lease moved and Morris seconded that borough council purchase this 3 car cement block garage from Edward Jackson, located at the rear of 119 W. 6th. Ave., at a price of $2800.00. Motion carried.

Morris moved and Lease seconded that a lease agreement be signed between council and the Sico Co., for the purchasing of gasoline in bulk form for use in the police car and fire apparatus. Motion carried.

Everhart moved and Bowen seconded that the meeting be adjourned. Motion carried.

Respectfully submitted,

Samuel H Shettel

Secretary.

The regular meeting of the North York Borough Council was held Monday evening, Aug. 6, 1956, at 8:00 o'clock at the Liberty Fire Hall. The meeting was called to order by the president, Clair E. Desenberg. Roll call found the following councilmen to be present: Morris, Lease, Everhart, Baylor, Bowen, Solicitor Beers, Engineer Weigle, Burgess Ross, Treasurer Everhart and Secretary Shettel. The minutes of the previous meeting were approved.

Light Committee: Baylor, chairman of this committee reported that they had inspected the street lighting in the borough and gone over the map and recommendations presented by Mr. Daugherty of the Metropolitan Edison Co. They suggested four changes. The secretary to get in touch with Mr. Daugherty and present these changes to him. Morris moved and Everhart seconded that the Metropolitan be authorized to draw up the necessary resolutions to make the changes in the lighting system in the borough. Motion carried.

Fire & Safety Committee: It was reported by Lease, chairman of this committee that the old apparatus was out of running condition. The committee was instructed to get in touch with the trustees of the Liberty Fire Co., as to the extent of repairs needed to put the apparatus in running condition. It was further reported that there were no fire calls during the month of July.

Sanitary Committee: A bill from Edward Jackson for services to the pump was presented to council. This bill was to the amount of $14.40. Weigle to inform Jackson to make necessary adjustments to pump to keep it from clogging up. The committee to check into sidewalk at the end of Fifth ave. East.

Residents of North George St. at Eighth Ave., were present and stated that the mud condition at this intersection was very bad and ask council if something could be done to prevent it. They stated that the condition of North George St., caused the mud to be deposited at this intersection. They ask if it were possible to contact the state and have them change George St., to eliminate this condition. The matter is to be looked into.

Lease moved and Baylor seconded that council go on record as being in favor of the creating of an Authority for the formation of a York County Health Department. The motion carried. The secretary was instructed to send the necessary resolution to the Commissioners.

Highway Committee: Discussion was held regarding the alley between 7th. and 8th. avenues from N. Court Ave. to N. Duke St. Weigle to investigate this condition. Council decided to have the highway department purchase ready mix asphalt and patch the necessary holes in the borough streets. It was suggested that we obtain a truck from Mr. Busch and that Earl Quickel do this patch work.

It was reported that Latimer St., was getting to be in rather bad shape. The cuts in the street which were orginally made for the sanitary sewer were breaking away and becoming larger. The highway department to check into this.

It was reported that the condition of dumping at the east end of Seventh Ave., is still being continued. Baylor moved and Lease seconded that a barrier be built at this spot to prevent dumping. Motion carried.

Police Committee: A letter was read from Mr. Herman, Radio Eng. for York City, regarding the purchasing of a two way radio for the police car. An order was also received with specification sheet from the Allen B. Dumont Labs. Inc. It was stated that this radio may be operated in connection with the York City Police Department. Morris moved and Lease seconded that an order be placed for this two way radio. Motion carried. The cost to be $452.00

Baylor moved and Morris seconded that the police committee purchase a set of seat covers for the police car.

The folbwing report was presented by Chief Burgess Walter Ross:

Permits -	June	$29.00	
	July	24.00	
Permit from York County Gas Co.			$3.00
Fines -	June -	Snyder Office	$240.00
"	July -	Burgess Office	10.00
		Snyders Office	165.00
		Quickels Office	15.00

Finance Committee: A letter was read from Mr. Edward Jackson offering a two story three car cement block garage for sale to the borough at a price of $2800.00. A discussion was held regarding the manner in which such a purchase could be financed. A suggestion was made that contact be made with a bank to see if it could be borrowed on a note. The finance committee was instructed to contact banks to see if this manner of financing could be arranged. Council agreed to purchase the building if a means of financing could be arrived at. Morris chairman of this committee agreed to check with the banks. It was decided to hold an adjourned meeting on Friday evening, August 10th. to arrive at a decision. The meeting to be held at 8:00 oc'bck at the fire hall.

The discussion of a gasoline tank was deferred until the issue of the purchasing of this building is completed.

Everhart moved and Bowen seconded to grant an order for the paying of all of the bills. Motion carried.

Lease moved and Everhart seconded to adjourn to meet on Friday evening Aug. 10, at 8:00 oc'lock. Motion carried.

Respectfully submitted,

Samuel H Shettel

Secretary.

July 2, 1956

The regular meeting of the North York Borough Council was held Monday evening, July 2, 1956, at 8:00 o'clock at the Liberty Fire Hall. The meeting was called to order by the president, Clair E. Desenberg. Roll call found the following councilmen to be present: Morris, Everhart, Lease, Thompson, Bowen, Baylor, Chief of Police Jack Geisler, Engineer Weigle, Treasurer Everhart and Secretary Shettel. The minutes of the previous meeting were approved.

As requested by the Light Committee, Richard Baylor, chairman, Mr. Daugherty of the Metropolitan Edison Co., was present at the meeting and presented to council a proposed revision in the street lighting set-up in the borough. He stated that he had had the engineering department of his company make a survey of the entire borough in regards to the lighting and that they had come up with the following suggestions:

	Cost	
Increase 2 - 1000 L to 4000 L	$16.00 Ea.	$32.00
" 13 - 2500 L to 4000 L	8.00 Ea.	104.00
New 6 - 4000 L	27.00 Ea.	162.00
Increase 23- 1000 L to 2500 L	8.00 Ea.	184.00
		482.00
	Less 9%	43.38
	Net	$438.62
	Month	36.55

He stated that with the above changes in the set up and with keeping the remainder of the lights as they are will give very good light to all the necessary streets in the borough. At present the borough is paying for62 streets lights and 17,750' of line or a total cost of $1293.79, or $107.82 per month. This new set up will mean an increase per month in the cost of lighting of $36.55.
Council decided to turn the matter over to the light committee and have them make a check of the borough to see if they can see of any other necessary changes or make any other recommendations.

Finance Committee: No report.

Fire & Safety Committee: Lease, chairman of this committee reported that the Liberty Fire Co., has checked into the question of masks to be used by them and find that it will be to their advantage to purchase the more expensive mask at a cost of approximately $205.00. Morris moved and Thompson seconded that council will approve the purchase of this mask if the Liberty Fire Co., will pay one half of the cost. Motion carried.
It was reported that five (5) fire calls were answered during the month of June.

Sanitary Committee: A letter was read by the secretary from the Regional Planning Commission of Greater York Area in which they stated that they are recommending to all governing bodies of the Greater York Area to go along with the setting up of a "Garbage Collection and Disposal Authority". Morris moved and Everhart seconded that the secretary be instructed to inform the Commission that borough council would go along with them . Motion carried.
Council was informed that David Orr the present collector stated his intentions to try to build an incinerator at a cost of approx. $75,000., but in order to do this he would have to be assured of a five year contract. Council did not think this was a good plan.

Police Committee: Thompson, chairman of this committee reported that William Flickinger Jr., had reported five hours extra police duty during the month.

Thompson moved and Baylor seconded that the police officer be instructed to purchase two summer shirts for his use. Motion carried.

Highway Committee: Bowen, chairman of this committee reported that patching on the streets is being continued. He also reported that crusher waste has been placed in the alley at the Alto Company.

The secretary was instructed to contact Solicitor Robert O. Beers and see what progress he has made regarding the contract with Emrich Construction Co., for the resurfacing of Pine and Meade Sts.

Morris moved and Lease seconded that a check for $200.00 be given to the Central School District Recreation Fund. Motion carried.

A letter was read from the York County Boroughs Association requesting councils presence at their quarterly meeting to be held at New Freedom, July 11, 1956, at 7:30 P.M. Council decided that as many members as are able to are to attend.

Morris moved and Thompson seconded that an order be granted for the payment of all of the bills. Motion carried.

Lease moved and Everhart seconded that the meeting be adjourned. Motion carried.

Respectfully submitted,

Samuel H. Shetter

Secretary.

June 4, 1956.

The regular monthly meeting of the North York Borough Council was held Monday evening, June 4th. 1956, at 8:00 P.M. in their chambers in the Liberty Fire Hall. The meeting was in charge of the president, Clair E. Desenberg. Roll call found the following councilmen to be present: Morris, Lease, Thompson, Baylor, Bowen, Everhart, Chief of Police Jack Geisler, Engineer Weigle, Solicitor Beers, Treasurer Everhart and Secretary Shettel. The minutes of the previous meeting were approved.

Finance Committee - No report.

Sanitary Committee - No report.

Police Committee - Thompson, chairman of this committee reported that all necessary signs relative to the ordinances recently passed have been erected and the ordinances put into force. He further reported the following special police duty:

William Flickinger Jr.	5 hrs.
Earl Quickel	18 hrs.
Charles Thompson	10 hrs.

At this time the secretary read the bids for the purchasing of a car for the police department, which were received, following the advertising for same:

L. B. Smith Inc. Lemoyne, Pa.	$2106.73
Beshore & Koller, Manchester, Pa.	2150.00
Ammon R. Smith Auto Co., York, Pa.	2034.00

Thompson moved and Morris seconded that the lowest bid submitted by Ammon R. Smith Auto Co., be accepted. Motion carried.

Mr. Warren Gordon a resident of Dewey Avenue was present and stated that he felt the making of this street one way was a very good thing. He requested however that a "Caution" sign be placed at the west end of Dewey Ave., to protect any children that may be playing there. The highway committee was instructed to look into this matter and erect the sign.

Highway Committee: Bowen, chairman of this committee stated that there were several holes in the streets caused by the sewer, but that they are being closed up as soon as they appear.

Engineer Weigle was instructed to look into the situation of water flooding 11th. avenue and Duke St., also Duke street from 10th. Avenue, and suggest whatever he thinks may remedy this situation.

Bids for the paving of Meade and Pine Sts., that have been advertised, were then opened and read by the secretary. The following companies submitted bids;

James Favino, Red Lion, Pa.	$2.41 per sq. yd.
Stewart & March Inc. York, Pa.	1.843 per sq. yd.
C. K. Mellinger, New Freedom, Pa.	2.00 per sq. yd.
Emrich Construction, Manchester,Pa.	1.598 per sq. yd.
H. J. Williams Co., York, Pa.	1.90 per sq. yd.

Thompson moved and Lease seconded that the lowest bid of 1.598 per sq. yd., submitted by Emrich Construction Co., be accepted. Motion carried.

The secretary was requested to write the remaining property owners on Pine and Meade Sts., that have not as yet placed curbing at their properties to do so as soon as the initial grading of the street has been finished.

Earl Quickel was instructed to paint all curbs that are in need of it.

Fire & Safety Committee: Lease reported that it was impossible to obtain the type of mask they need and will have to look into another source of supply.

Jack Shire, Fire Chief, reported that two alarms were answered during the month of May. One in a car in the 800 block N. Duke St. No damage. One in a shed in the rear of 1142 N. George St. Damage approximately $100.00.

The Chief Burgess Walter A. Ross submitted the following report.

Permits issued during May	$30.00
Fines collected during May	
From Chief Burgess Office	32.00
" Quickels Office	5.00
" Snyders Office	210.00
	$247.00

The bills for payment was then submitted by the secretary. A motion was made by Morris and seconded by Bowen that an order be granted for the payment of these bills. Motion carried.

Thompson moved and Baylor seconded that the meeting be adjourned. Motion carried.

Respectfully submitted,

Samuel H Lettet

Secretary.

The regular monthly meeting of the North York Borough Council was held Monday evening, May 7, 1956, at 8:00 P.M. The meeting was in charge of the president, Clair E. Desenberg. Roll cass found the following to be present: Morris, Everhart, Thompson, Baylor, Bowen, Engineer Weigle, Solicitor Beers, Chief Burgess Ross, Police Officer Geisler, Secretary Shettel. The minutes of the previous meeting were approved.

Finance Committee: This committee recommended that borough council repay the temporary loan which was authorized to be made at the last meeting.

Light Committee: It was reported that the street lights were repaired after the recent electrical storm. Discussion was held regarding the possibility of replacing the old street lights for more modern and effective lights. The light committee was requested to look into this matter.

Fire & Safety Committee: It was reported that the fire company was in need of a face piece with 10" hose for an All Vision Industrial Mask. Everhart moved and Thompson seconded that this item be purchased for the fire company. Motion carried.

Sanitary Committee: No report.

Police Committee: Thompson, chairman of this committee requested that 25 mile per hour signs be placed on 7th. Avenue from Duke Street to Columbia Ave., and also on Columbia Ave. Everhart moved and Baylor seconded to have these signs erected.

A bill for $10.00 for a pair of handcuffs for the borough officer to replace the antiquated ones he now has, was presented. An order for payment of this bill was granted. A bill for the filing of the borough officers deputy sheriff commission was presented. This was also granted paid.

The police committee reported that a meeting of that committee would be held to draw up the necessary specifications for advertising for bids for a police car for the borough.

Thompson also stated that the police officer was receiving some criticism regarding his working at other jobs when off duty. Council stated that it was not concerned what the officer done when he was not on duty for the borough, and that they would have no criticism as long as he continues to do the same kind of job he is now doing.

Highway Committee: Mr. Young of the Freezing Equipment Co., was present at the meeting and requested that borough council open E. 10th. Avenue from Duke St. to the borough line in order that they could continue their work on the building they are erecting. Engineer Weigle to check into this matter.

It was reported that the inlet casting for the storm sewer on 7th. avenue has arrived. Stewart & March Inc., is to be contacted.

The highway committee was instructed to check to see which property owners on both Pine and Meade Sts., have not as yet laid curbing along their property. This is relative to the surface treatment of these streets. Letters to be sent to those owners which will be effected.

Engineer Weigle stated that he thought it would be a good idea to advertise for bids for the surfacing of these streets and actually start grading before the curbing is laid so that the proper curbing is put in. Morris recommended that council take individual areas as far as surfacing is concerned on Pine, Meade and Queen Sts. Thompson moved and Bowen seconded that council advertise for bids for the surface treatment of Pine and Meade Sts. Motion carried.

Baylor moved and Everhart seconded that the inlet grates on 7th. avenue be placed. Motion carried.

Chief Burgess Walter A. Ross gave the following report:

Permits		$62.00
Fines -	Burgess office	27.00
"	Quickel's office	5.00
"	Snyder's office	70.00

The following ordinances were read by the secretary:

Prohibiting the parking of any type vehicle on the North side of West Sixth Avenue in the Borough of North York, between North George St. and Fair Ave.

Prohibiting the driving of any type vehicle situate on West Sixth Ave., between George St. and Fair Ave; prohibiting the driving of any type vehicle northward on Fair Ave., between 6th. avenue and Dewey Ave; prohibiting the driving of any type vehicle westward on Dewey Ave., between Fair Ave. and North George St.

Morris moved and Bowen seconded that the ordinances be adopted and advertised. Motion carried.

Morris moved and Thompson seconded that an order be granted for the payment of all the bills. Motion carried.

Thompson moved and Everhart seconded that the meeting be adjourned. Motion carried.

Respectfully submitted,

Samuel H Shetter

The regular monthly meeting of the North York Borough Council was called to order Monday evening, April 2, 1956, by the president, Clair E. Desenberg. Roll call found the following councilmen to be present: Morris, Thompson, Baylor, Lease, Everhart Bowen, Chief Burgess Ross, Engineer Weigle, Solicitor Beers, Police Officer Geisler, Treasurer Everhart and Secretary Shettel. Everhart moved and Bowen seconded that the minutes of the previous meeting be approved. Motion carried.

Finance Committee: No report.

Light Committee: It was reported that the shade on the street light at the end of Fifth Ave., was broken. This to be reported and replaced.

Fire and Safety Committee: A bill to the amount of $54.11 from Emerson R. Spahr for repairs to relief valve on the FWD Fire Apparatus was presented by Lease, chairman of this committee. A bill to the amount of $537.31 for general repairs to the American LaFrance Apparatus was presented to council. This work was done by Brunks Garage, York. Lease was instructed to contact Mayers regarding a place to burn rubbish during Clean-Up Week.

Sanitary Committee: No report.

Police Committee: Thompson, chairman of this committee reported the following time of special officers during the month:

William Flickinger Jr.	5 hrs.
Charles Thompson	9 hrs.
Earl Quickel	19 hours.

Discussion was held regarding traffic conditions on W. 6th. Ave. and Dewey Ave. It was reported that parking conditions on W. 6th. Ave., were such that it would almost be impossible for a fire apparatus to pass thru the cars. Also that parking on Dewey Ave. caused cars and trucks to run over the curbing and pavement of the resident living at the corner of Dewey Ave. and Fair Ave. Everhart moved and Morris seconded that the Borough Solicitor draw up an ordinance prohibiting the parking of cars on the north side of W. 6th. avenue, from N. George St. to Fair Ave. Also to draw up an ordinance establishing a one way street going west on 6th.Ave. from N. George St. to Fair Ave., also one way south on Fair Ave. from W. 6th. Ave. to Dewey Ave., also Dewey Ave. going one way east from Fair Ave. to N. George St. Motion carried.

Highway Committee: It was reported by Bowen that the traffic condition at the intersection of E. 6th. Ave. and N. Duke St. was becoming very dangerous and he felt that if the stop signs were removed from 6th. ave., and placed on N. Duke St., it would relieve this danger. The highway committee was instructed to change these signs. This was done on a motion by Thompson and seconded by Baylor. Motion carried.

Morris moved and Baylor seconded that Bowen, chairman of the highway committee get crusher waste and fill in the cave-ins on the streets that had been caused by the sanitary sewer.

Weigle, borough engineer reported that as soon as the grates for the storm sewer at 7th., avenue were received by the H. J. Williams Co., they would be delivered and the storm sewer repaired.

It was reported that the storm sewer line on 4th. avenue has been cleaned out.

The secretary read the following ordinance prepared by Solicitor Beers:

> Prohibiting the carrying of concealed switch-blade knives or the sale, offering for sale or display thereof; authorizing confiscation, removal and destruction thereof; providing penalties; repealing inconsistent ordinances; and providing for the severability of the provisions.

Lease moved and Thompson seconded that the ordinance be adopted. Motion carried.

On a motion made by Baylor and Thompson it was decided to buy an adding machine to be used by the secretary in connection with his work with the sanitary sewer and also general borough duties. Motion carried.

Chief Burgess Walter A. Ross reported that $72.00 in traffic violations was turned over from the office of Justice of Peace Amanda Quickel, and that $240.00 was turned over from the office of Justice of Pease George F. Snyder.

He also stated that he was proclaiming the week of Apr. 8th. thru 14th. as CLEAN-UP Week. This project is sponsered by the York County Cooperative Fire Co's.

Morris moved and Bowen seconded that the necessary persons make arrangements for a temporary loan of $500.00 for general borough use. Motion carried.

Morris moved and Lease seconded that an order be granted for the payment of all of the bills. Motion carried.

Lease moved and Thompson seconded that the meeting be adjourned. Motion carried.

Respectfully submitted,

Samuel A. Shettel

Secretary.

The regular monthly meeting of the North York Borough Council was called to order Monday evening, Mar. 5th. 1956, at 8:00 P.M. by the president, Clair E. Desenberg. Roll call found the following councilmen to be present: Morris, Thompson, Bowen, Lease, Everhart, Baylor, Chief Burgess Ross, Engineer Weigle, Solicitor Beers, Police Officer Geisler, Treasurer Everhart and Secretary Shettel. Thompson moved Bowen seconded that the minutes of the previous meeting be approved. Motion carried.

Finance Committee: Morris moved and Lease seconded to adopt an ordinance setting a $5.00 per capita tax in the borough, also to adopt the ordinance levying a tax on Juke Boxes and Pin Ball Machines. Motion carried.

Light Committee: It was reported by this committee that a street light has been prected at the end of East 5th. Ave.

Sanitary Committee: Discussion was held regarding the possibility of placing a paper container on the west side of North George St., in the vicinity of the bus stop at 7th. and George St.

Fire & Safety Committee: Lease, chairman of this committee reported that the chimney at the property at the corner of 7th. Avenue and North George St. (north-west) is in a very bad condition. He stated that he has requested Mr. Kissinger of the York Trust Co., to have it repaired.

Thompson reported regarding the condition of the American LaFrance Apparatus of the Liberty Fire Co. He stated that he had contacted Weldon Brunk who operates a garage on Mt. Rose Avenue., York, regarding the repairing of the apparatus. He further stated that it could be repaired for approximately $505.00 thus putting it in usuable condition. Thompson stated that he had ask Mr. Brunk if it would be possible to place a larger booster tank on the apparatus. This was thought possible at an additional cost of approximately $30.00. A letter was read that had been received from the Liberty Fire Co., stating that they would enter into an agreement that the council assume full financial costs to the repairing of the apparatus and that after all necessary repairs are made the apparatus will be put into use and will answer fire calls if necessary.

Council stated that they would request the fire company that after the apparatus is repaired that it is to be taken on test runs at least once a week, and that the apparatus be officially inspected before it is taken out.

Lease moved and Baylor seconded to authorize borough council to have this apparatus repaired. Motion carried.

Fire Chief, Jack Shire, was present at the meeting and stated that the 500' of new hose recently purchased by council was tested and would be placed on the apparatus. He further stated that while testing this hose a soft suction hose broke. This soft suction will be repaired if at all possible but if it cannot be repaired a new one will have to be purchased. In any event council will be contacted.

Highway Committee: Edgar Sentz of Sigsbee Avenue has complained about the condition of the alley running parallel with Prospect Hill Cemetery between Sigsbee Ave. and 8th. Avenue, and he ask if council could do anything about repairing it. The highway committee to look into the situation. A general discussion was held regarding the conditions of the streets throughout the borough.

Police Committee: Thompson, chairman of this committee reported the following police duty:

William Flickinger Jr.	5 hours.
Charles Thompson	13 hours.
Earl Quickel	23 hours.

Thompson reported that he had contacted Paul Winter, Electrical Contractor, regarding the repairing of the traffic signal light. He stated that Winter had given him a price of $50.00 for the work which would include all material, and also caps for the lights. He stated that Winter gave him two alternatives in trying to remedy the old condition, one to move the traffic light further north, and the second one to get permission from the Metropolitan Edison Co., to place the light on the light pole.

It was reported that the ordinances have been turned over to the Commercial Department of the Central High School and that the students will type complete copies of all of the ordinances.

Morris moved and Everhart seconded that borough council provide a bond necessary to attain a deputy sheriff commission for the Police Officer Jack L. Geisler. Motion carried.

Chief Burgess Ross gave the following report:

Juke Box Licenses	$30.00
Pin Ball & Shuffle Board Licenses	350.00
Fines from Burgess Office	21.00
" " " Snyders Office	60.00
" " " Quickels Office	60.00
Permits	29.00

Morris moved and Everhart seconded that an order be granted for the paying of all the bills. Motion carried.

Thompson moved and Bowen seconded that the meeting be adjourned. Motion carried.

Respectfully submitted,

Samuel H. Shettel

Secretary.

Feb. 6, 1956.

The regular monthly meeting of the North York Borough Council was called to order Monday evening, Feb. 6th. 1956, by the president, Clair E. Desenberg. Roll call found the following councilmen to be present: Morris, Lease, Bowen, Thompson, Everhart and Baylor; Solicitor Beers, Engineer Weigle, Treasurer Everhart and Secretary Shettel. Morris moved and Thompson seconded that the minutes of the previous meeting be approved. Motion carried.

Finance Committee: It was reported that the 1956 budget had been advertised as required. Morris moved and Thompson seconded that the budget for the year 1956 be adopted. Motion carried.

In the absence of Chief Burgess Ross the following report was given:

Building permits issued during the month	$5.00
Fines collected from Chief Burgess Office	$12.00
Fines collected from office of J of P Geo. Snyder	$40.00

Light Committee: This committee reported that the street light at the end of Fifth Avenue is in the process of being installed.

Sanitary Committee: No report.

Highway Committee: Discussion was held regarding the storm sewer grate on E. 7th. Ave. at N. Queen St. Weigle reported that he had received prices from Stewart & March and H. J. Williams Co. He further stated that the one grate will be furnished by H. J. Williams Co., but that we will have tp purchase the other one. Stewart & March quoted a price of $270.00 and H. J. Williams a price of $450.00.
On a motion made by Lease and seconded by Baylor it was decided to have Stewart & March do the work for $270.00 plus $50.00 for one grate or a total of $320.00
Motion carried.

The highway committee reported that they had purchased cinders and had them placed on the icy streets throughout the borough.

Fire & Safety Committee: Discussion was held regarding the possibility of repairing the LaFrance fire apparatus. Fire Chief Jack Shire was present at the meeting and stated that repairmen who were called in to make repairs to the FWD apparatus felt they were not qualified to make an estimate on the amount of repairs needed to put the apparatus in operating condition, and they suggested that an experienced man be called in. Council stated that Weldon Brunk, foreman of the Victory Fire Co., and also an operator of a garage would be available and they felt he could determine what repairs were necessary. Action was deferred until the committee could investigate the matter further.

It was reported that there were no fire calls answered during the month of January.

Fire Chief Shire was granted permission by council to removed the siren from the apparatus and place it on his automobile.

Police Committee: The police committee reported the following hours of duty by special officers:

William Flickinger Jr.	5 hours.
Charles Thompson	16 hours.
Earl Quickel	14 hours.

Council decided to draw up an ordinance similar to the one drawn up by the city of York regarding the use of switch blade knives. Solicitor Beers was instructed to draw up such an ordinance.

The police committee reported that the traffic signal light had been struck again. Desenberg reported that he had called on Mr. Reigelmeier, but that he was in Florida. He stated that as soon as he returns he will contact borough council regarding the repairing of the light.

The committee reported that the police officer was in need of a heavy coat. Also 12 shoulder patches were needed . Lease and Everhart moved to check into this and purchase what they felt was necessary. Motion carried.

An ordinance fixing and levying the tax of .015 mills in the borough for general purposed was read. Bowen moved and Everhart seconded to adopt the ordinance. Motion carried.

A notice of intent to re-enact the ordinance of March 1, 1954 levying a $5.00 per capita tax on the adult residents of the borough was read. Everhart moved and Morris seconded to have this intention published as required. Motion carried.

A notice of intent to re-enact the ordinance of February 7, 1955 levying a tax for general borough purposed on Pin Ball Machines and Juke Boxes within the borough was then read. Morris moved and Bowen seconded that this intention be published as required. Motion carried.

The rebate period for the borough taxes was set at June 15th. 1956, on a motion made by Morris and seconded by Lease. Motion carried.

Thompson moved and Everhart seconded that an order be granted for the payment of all of the bills. Motion carried.

Bowen moved and Baylor seconded that the meeting be adjourned. Motion carried.

Desenberg moved and Everhart seconded that Samuel H. Shettel be appointed as Secretary of council. Motion carried.

Lease nominated Donald Thompson for the office of Vice President of council. Bowen seconded the nomination. Morris moved that the nomination be closed. Motion carried. Secretary cast ballot in favor of Donald Thompson as vice president of council.

Newly elected president Clair Desenberg then took his office and proceeded to conduct the business meeting.

President Desenberg appointed the following committees:

Finance - Richard Morris, chairman
Donald Thompson
Wayne Bowen

Sanitary - William Everhart, chairman
Richard Baylor
Wayne Bowen

Light - Richard Baylor, chairman
William Everhart
Richard Morris

Police - Donald Thompson, chairman
Richard Morris
Harry Lease

Fire & Safety - Harry Lease, chairman
Richard Baylor
William Everhart

Highway - Wayne Bowen, chairman
Donald Thompson
Harry Lease

Morris moved and Bowen seconded that the minutes of the previous meeting be approved. Motion carried.

Finance Committee - Morris moved and Lease seconded to accept the proposed budget for 1956. Motion carried. The secretary was instructed to do the necessary advertising of the budget.

Fire & Safety Committee: It was reported that there is a possibility in receiving aid from the State regarding the protection of their Highway Department property located on the Susquehanna Trail.

John W. Shire, fire chief of the Liberty Fire Co., was present at the meeting in regards to the fire apparatus. He stated that the oldest of the two apparatus was at the point that is was too old to leave the fire house leaving the company with only one apparatus to protect the borough. He stated that he felt the apparatus was too old to be repaired. The company is awaiting a representative from the manufacturer of the apparatus to see just what needs to be repaired. He further stated that he personally was not in favor of repairing the apparatus. He further stated that the Fire Co., at a recent meeting had started an apparatus and equipment fund and they were asking borough council to help with this fund whenever possible. All the contributions received by the fire company would be placed in this fund.

Morris moved to adopt an agreement with the U. S. Naval Ordnance Plant relative to fire protection. This agreement to furnish aid to each other in combating fires on a mutual assistance basis. Each agreement to include a written waiver by each party of all claims against every other party for compensation for any loss, damage, personal injury or death occurring as a consequence of the performance of such agreements, and the waiver shall also carry a provision that the firefighting services rest solely on the discretion of the parties as to availability of such services. Thompson seconded the motion. Motion carried.

Council deferred any action regarding the new apparatus until they hear from the representative of the American LaFrance Company.

Light Committee: Everhart, chairman of this committee reported that the light at the end of 5th. avenue is in the process of being installed. He further reported that the light at 6th. avenue has been installed.

Police Committee: Thompson, chairman of this committee reported that the signal light at 7th. and George St., has been hit and damaged. He reported that he had contacted the company who sold the light and also the company who installed it, and has heard nothing from them. The secretary was instructed to try to contact Mr. Reigelmeier of Harrisburg.

He further reported that William Flickinger Jr., had reported 5 hours as special officer during the month. Charles Thompson had reported 10-1/2 hours as special officer during the month.

Morris moved and Lease seconded to retain Jack L. Geisler as Police Officer for the year 1956, at a salary of $3500.00 per year. Motion carried.

Morris moved and Lease seconded that William Flickinger Jr., Charles Thompson and Earl Quickel be appointed special police officers for the year 1956. Motion carried.

Highway Committee: Desenberg, chairman of this committee reported that the getter on East Fifth Ave., has been repaired. The Highway committee was instructed to check into the alley at the east end of Third Avenue.

The Gas Company of York was to be contacted regarding a cutoff box on 7th. Ave., which has sunk. They are to be instructed to raise this to street level.

The question of the condition of the storm sewer grate at 7th. avenue and Queen St. was again raised. Engineer Weigle was present and stated that they are trying to find out who the manufacturer of the grate is. He further reported that he felt a side drop inlet would be the practical thing to install at this sewer eliminating the grate. He stated that the cost would approximately be $175.00 for this work. Engineer Weigle was asked to contact H. J. Williams Co., regarding the possibility of their going half way with the expense of such an inlet.

Sanitary Committee: David Orr, the newly appointed garbage collector was present. He stated that there were several stipulations in the present contract which he did not think were necessary, and he felt that they were too severe considering the amount of the contract. He further stated that he felt sure these issued would not be necessary in that he intended to do his job as good as possible. He showed council a copy of the contract he had signed with the West York Borough Council. After consideration council decided on a motion made by Lease and seconded by Thompson to accept a garbage contract made up by our solicitor, similar to the one approved by the West York Borough Council. Motion carried.

Thompson moved and Morris seconded that George F. Snyder be reappointed as a member of the North York Authority for a term of five years. Motion carried.

Chief Burgess Walter A. Ross reported that $59.75 had been collected in permits issued during the month. He further stated that $50.00 had been turned over to the Commonwealth for traffic violations. $2.00 collected from the office of the Burgess for fines; $366.00 from the office of Justice of the Peace George F. Snyder; and $45.00 from the office of Justice of the Peace Amanda Quickel. A total of $413.00 in fines for the month of December.

Council decided to purchase five (5) Pennsylvania Borough Officers Handbook's from the Penns Valley Publishers, State College, Penna.

Morris moved and Everhart seconded to set the milleage rate for borough tax purposes at .15 mills. Motion carried.

Morris moved and Everhart seconded that the $5.00 per capita tax again be levied. Motion carried.

The borough solicitor is to make up the necessary ordinances forthese taxes.

The borough solicitor to make up the necessary ordinance relative to the tax to be levied on the operators of Juke Boxes and Pin Ball Machines in the borough.

Morris moved and Lease seconded that the following salaries be set:

Secretary	$400.00
