Dec. 26, 1957

A special meeting was held by North York Borough Council, Thursday evening, Dec. 26th. 1957, at 7:30 P.M. The meeting was called to order by the president, Clair E. Desenberg. Roll call found the following to be present: Councilmen, Desenberg, Thompson, Morris, Baylor and Everhart; newly elected councilmen Roderick, Kauffman and Kerns; Chief Burgess Ross; Emerson Portner; and Secretary Shettel.

The purpose of the meeting was to hear a report from Emerson Portner, North York Borough Council's representative on the York Regional Refuse Authority.

Portner stated that the Authority is making very good progress in their attempt to set up a very good program of garbage disposal. He stated that they had several places in mind as far as land fill is concerned, but that in order to obtain a place and also to prepare it for receiving garbage it will be necessary for the authority to have some financial help. He stated that they arrived at the decision to assess each municipality belonging to the authority to the extent of $.20 per capita. He stated that in view of this North York Borough would be assessed approximately $450.00 since the present population of the borough is 2255. He stated further that if this plan is not approved it will mean floating a bond issue which will probably be much more costly for each municipality concerned.

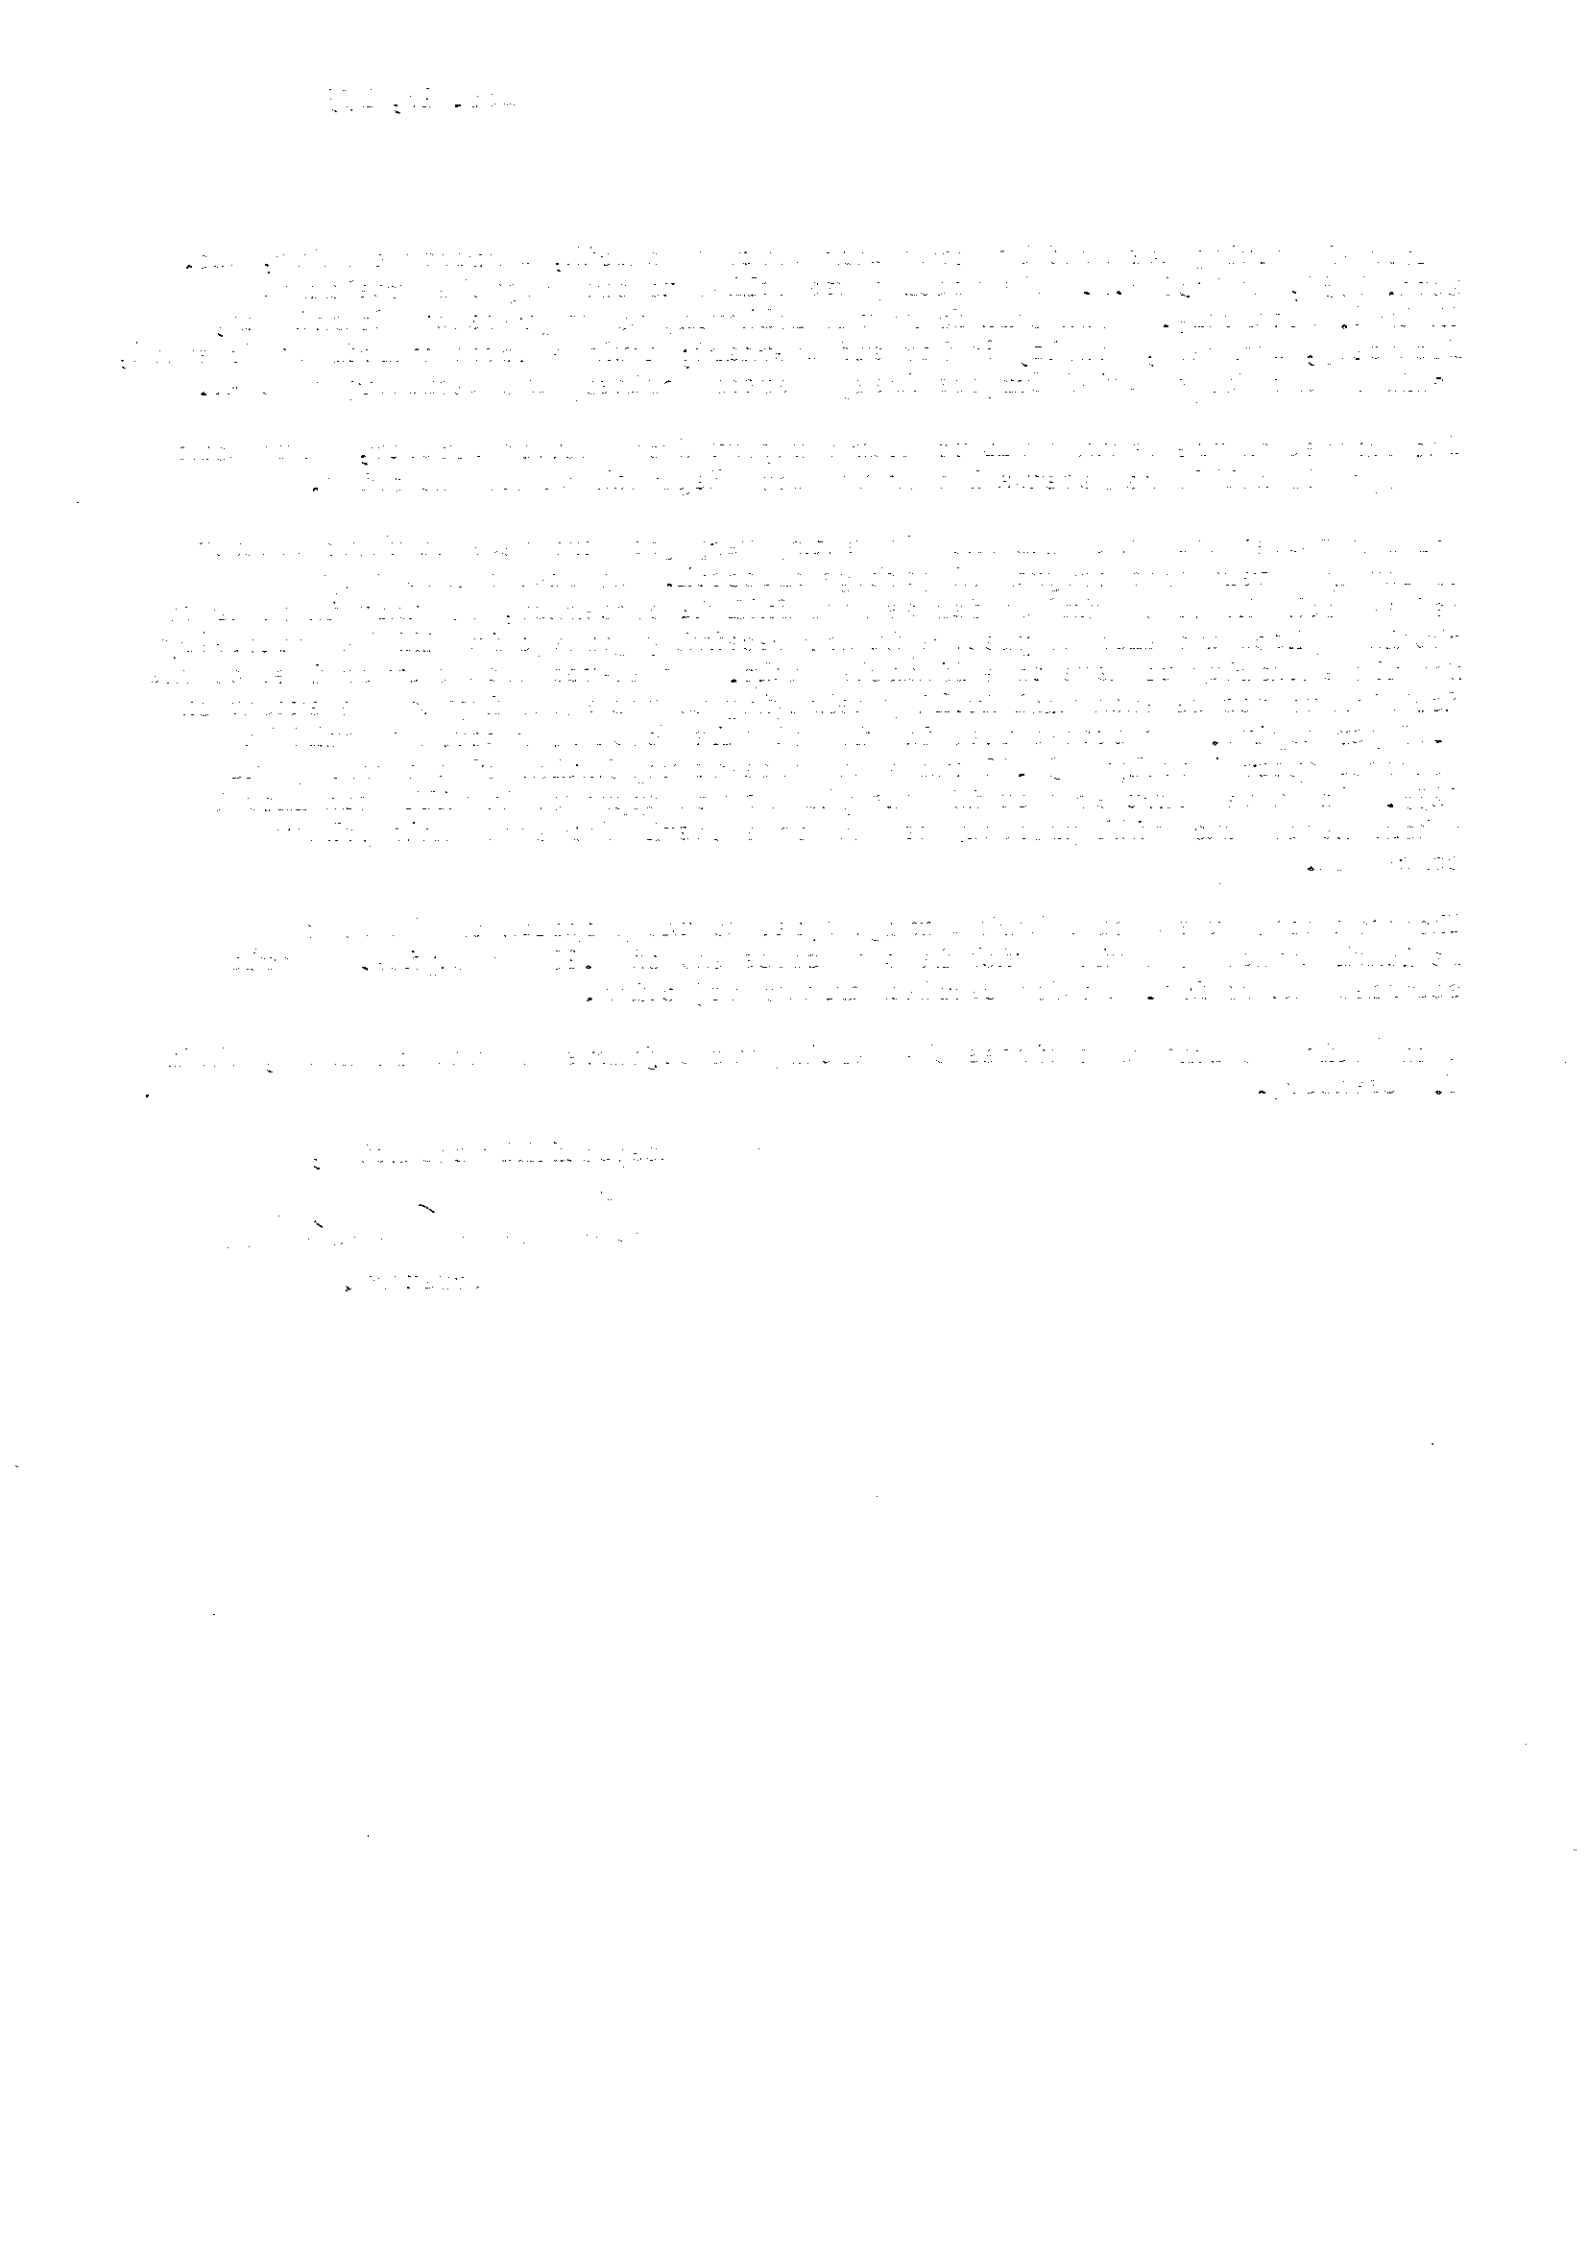
Thompson moved that North York Borough agree to the proposal of the York Regional Refuse Authority which is the assessment of $.20 per capita. Morris seconded the motion. Motion carried with no objection.

There being no further business the meeting was adjourned by the president, Clair E. Desenberg.

Respectfully submitted,

Samuel H. Shettel

Secretary.



Dec. 9th. 1957

The regular monthly meeting of the North York Borough Council was held Monday evening, Dec. 9th. 1957, at 8:00 o'clock. Roll call found the following councilmen present: Desenberg, Morris, Thompson, Everhart, Baylor, Lease and Bowen, Solicitor Beers, Engineer Weigle, Chief Burgess Ross, Secretary Shettel and Treasurer Everhart. The meeting was called to order by the president Clair Desenberg. The minutes of the previous meeting were read by the members and were approved on a motion by Lease and seconded by Bowen. Motion carried.

Finance Committee: No report.

Light Committee: It was reported that lights at 8th. & Schley Ave; and 10th. Ave. were repaired by the Metropolitan Edison Co.

Fire & Safety Committee: No report.

Sanitary Committee: It was reported that the storm sewers were clogged up and should be cleaned out. The sanitary committee to see that this is done.

At this time the bids received for the collection of organic and inorganic garbage in the borough were opened. It view of the fact that only one bid was received the garbage contract was awarded to Paul Lauer, for a period of six (6) months with the option to renew the contract on a month to month basis at 1/6th. of the bid. The bid presented was for the amount of $1200.00. The bid was awarded to Lauer on a motion by Thompson and seconded by Bowen. The motion carried.

At this time bids received for the constructing of approximately 1500' of sanitary sewer on W. 10th. Ave; Beaver St; Olympia Ave; and Chapel Drive, were opened and read by the Secretary.

The following bids were received:

Gaines and Co., Inc., 635 Piccadilly Rd., Towson 4, Md.

At a total cost of $12,549.00

West York Construction Co. 150 S. Sumner St., York, Pa.

At a total cost of $13,329.90

Stewart & March Inc., 1049 N. Hartley St., York, Pa.

At a total cost of $11,835.86

On a motion made by Thompson and seconded by Baylor the construction bid was awarded to Stewart & March Inc., who were the lowest bidders. Motion carried.

A discussion was held regarding the rat condition on 5th Ave; Pine and Queen Sts. Everhart chairman of the sanitary committee that to his knowledge nothing has been done as yet, by the state health inspector. Ross stated that one condition was a cesspool which is partially closed. He instructed Geisler to have resident close this properly. It was also stated that the situation would be relieved if wet garbage would be placed in metal containers with lids. He stated that the residents would be notified to this effect.

Police Committee: William Flickinger Jr., reported 10 hours extra police duty during the month. It was reported that 95 gals. of gas were used in the police car during the month. Thompson chairman of this committee reported that he had checked and found that the average mileage per gallon of gas in the police car was from 8 to 12 miles per gallon. Quickel reported 18-1/2 hours special police duty during the month.

Highway Committee: Bowen chairman of this committee reported that several signs throughout the borough were repaired or placed during the month.

The Chief Burgess, Walter A. Ross gave the following report:

Permits -	$13.00
Fines-Burgess Office	34.00
Snyders Office	115.00

Thompson brought to the attention of council that the newly formed Planning and Zoning Commission were organized and proceeding with their plans. He stated that it was brought to his attention that the commission were at present without a meeting place. He stated that they were unable to meet in the fire hall because of conflicting dates. He suggested that council consider seriously the possibility of renovating a portion of the building at the rear of 119 W. Sixth Ave, into a room in which the commission could meet without being disturbed. Following a discussion on this issue Desenberg appointed Thompson, Everhart, Bowen and Baylor as a committee to consider this possibility and report at the January meeting.

A letter received from Richard Clineburg was read by the secretary. Mr. Clineburg stated that because of personal reasons it would be necessary to resign as the boroughs representative on the Greater York Regional Planning Commission of which he has been a member for the past three years. Thompson moved that the resignation be accepted with regret. Baylor seconded the motion carried. In view of the fact that it was necessary to appoint a member of this commission immediately Baylor moved and Thompson seconded that Richard A. Morris be appointed to this Commission. Motion carried.

An ordinance amending Section 1 of an ordinance passed by council dated Nov. 10th. 1932, known as Ordinance #61 was read by the Secretary. The following is the amended section:

> "Section 1. That disorderly conduct within the limits of the Borough of North York, York County, Pennsylvania, shall be and is hereby defined as an act, word or conduct cuasing or tending to cause a disturbance of the peace and good order of the Borough of North York, York County, Pennsylvania, or causing inconvenience or discomfort to the inhabitants of the Borough of North York, York County, Pennsylvania or users of the thoroughfares within the said Borough, and shall include loafing, fighting, profanity or indecent language, drunkenness, vagrancy, begging, and the making of unnecessary noises, shall be deemed a breach of the peace; all the foregoing offenses as coming within the definition of said disorderly conduct are hereby declared to be unlawful".

Lease moved and Baylor seconded that the amended ordinance be adopted. Motion carried.

Bowen moved and Everhart seconded that an order be granted for the payment of all of the bills. Motion carried.

Everhart moved and Baylor seconded that the meeting be adjourned. Motion carried.

Respectfully submitted,

Samuel H. Latimer

Secretary.

Nov. 4th. 1957

The regular monthly meeting of the North York Borough Council was held Monday evening, Nov. 4th. 1957, at 8:00 o'clock. Roll call found the following councilmen present: Desenberg, Morris, Thompson, Everhart, Baylor and Bowen. The meeting was called to order by the president, Clair E. Desenberg. The minutes of the previous meeting were approved on a motion made by Thompson and seconded by Everhart Motion carried. Also present at the meeting were Solicitor Beers, Burgess Ross, Treasurer Everhart and Secretary Shettel.

Solicitor Beers presented the following ordinance to council for adoption:

> "Signifying the intention and desire of the Municipal Authorities of the Borough of North York, York County, Pennsylvania, to organize an authority jointly with the City of York, the Borough of West York and the Townships of Spring Garden, Springettsbury and West Manchester, all of York County, Pennsylvania, under the provisions of the Act of May 2, 1945, P.L. 382, as amended; setting forth and authorizing the execution of the articles of incorporation; appointing the first members of the Board of the Authority and fixing the terms thereof"

Morris made a motion that the ordinance as read by the secretary be adopted. Everhart seconded the motion. Motion carried. The ordinance was then duly signed by the president, Chief Burgess and Secretary respectively. The resolution was also signed by the secretary.

In reference to the false arrests made by borough officers under Ordinance #61 and which were brought to the attention of borough council at the last meeting, Solicitor Beers stated that an arrest made under and covered by a motor vehicle code, the fine would have to be sent to the state, but that an arrest made that was covered by a borough ordinance should remain in the borough treasury. He further recommended that borough council retain an attorney to go over every information written up to determine if it should go to the state or remain in the borough. He stated that if this is not done we may be paying back more than we should. Justice of the Peace George Snyder was present and stated that the auditor from the Auditor Generals office of the Commonwealth went over every information and picked out those that should go to the state. Beers however stated that he would still make the above recommendation and it was up to council to do whatever they deemed necessary. President Desenberg then appointed Baylor, Everhart and Morris as a committee from council to check into these informations with Snyder and determine their contents, and if they felt they need the advice of our solicitor or any other attorney they were to retain him.

The name of R. Raymond Everhart was proposed by George Snyder, presidentof the North York Authority, to fill the unexpired term of Jack Peeling on the Authority. Mr. Peeling resigned from the authority when he moved from the borough. Thompson moved that Mr. Everhart be appointed for this unexpired term. Bowen seconded the motion. Motion carried.

Mr. Snyder also stated that he had been in contact with Henry Leader the attorney for C. J. Beshore regarding the annexation of the land known as Evanbreth Heights. He stated that the petition had been filed in the Court House with the Quarter Sessions Court on Sept. 30th, and since there were no objections made until the 30th. of October, the last is officially annexed. Council to ask for a letter from Mr. Leader regarding the same. Engineer Weigle is to be requested to start drawing up specifications and bids for the laying of the sanitary sewer. Council to proceed and advertise for bids when this is completed.

FINANCE COMMITTEE: Morris, chairman of this committee reported that he had received and was reviewing a financial statement up to and including Sept. 30th. 1957.

Morris reported that Donald Lease has been appointed as the fifth member of the Zoning and Planning Commission. He further stated that an organization meeting has been held at which time Donald Lease was elected president and Howard Delle secretary. The commission plans to meet with Engineer Weigle who has promised his help as far as ordinances and maps are concerned. The president of council Desenberg thanked the committee for their fine work.

Light Committee: No report.

Fire & Safety Committee: This committee reported that two fire calls were answered by the company during the month. None of these were in the borough.
A bill to the amount of $9.60 from Diehls Service Station for repairs to the fire apparatus, and also a bill to the amount of $1.73 for gas for the apparatus were presented.

Sanitary Committee: Chester Quickel, an inspector with the State Health Department checked the rat situation at Fifth, Pine and Queen Sts. He noticed a cesspool filled with cinderblock with a large number of rat holes around it. He remarked that the yards were in a bad condition, and that the situation remained the same as stated at the previous investigations. Thesanitary committee to check with Mr. Quickel to see if anything can be done and if not we will contact the Health Department for further information.

The secretary was instructed to advertise for garbage bids for a period of six months from Jan 1, 1958 to June 30, 1958.

The Engineer Weigle was instructed to check with Edward Jackson regarding the clogged up sewer on N. Duke St. from 6th. Ave. to Laurel St., and make arrangements with a contractor to have the sewer opened to remedy the clogged situation.

Police Committee: Thompson, chairman of this committee reported that 102 gals. of gas were used in the police car during the month.
Quickel reported 47-1/2 hrs. special police duty during the month.
William Flickinger Jr., reported 10 hrs. special police duty during the month.
Chief Burgess Ross reported that he had purchased a State Police Civic Association Criminal Law and Criminal Procedure Book for the amount of $4.50
It was reported that the traffic light has been repaired in that it has been checked and the time clock reset.

Highway Committee: It was reported that the alleys between 7th. & 8th; 8th & 9th; 9th. & 10th. avenues, and also the alley along the cemetery north of 6th. avenue have been surface treated. The secretary was instructed to write Millard Wolfgang and thank him for what he had done in repairing Court Ave. between 7th. and 8th. Ave.
Charles Lease was present and remarked about the dangerous condition at 5th. Ave. and N. George St. when traffic enters George St., from 5th. Ave. The only solution was investigating the distance of the yellow line and extend it if possible. That was the only solution that was thought of. The police committee to investigate this situation.

Chief Burgess Ross reported permits to the amount of $32.00 issued during the month. He reported $65.00 in fines from Snyders office, and $4.00 in fines from Quickels office.

The secretary was instructed to write the resident at the west end of Ninth ave., regarding placing curbing at their property.

Thompson moved and Bowen seconded that an order be granted for the payment of the bills. Motion carried.

Baylor moved and Everhart seconded that the meeting be adjourned. Motion carried.

Respectfully submitted,

Secretary.

Oct. 7, 1957

The regular monthly meeting of the North York Borough Council was held Monday evening, Oct. 7th, 1957 at 8:00 P.M., in the Liberty Fire Hall. The meeting was called to order by the president Clair E. Desenberg. Roll call found the following councilmen to be present: Lease, Morris, Thompson, Everhart, Bowen and Baylor; Engineer Weigle, Solicitor Beers, Burgess Ross, Treasurer Everhart and Secretary Shettel. The minutes of the previous meeting were approved on a motion by Thompson and seconded by Bowen. Motion carried.

Finance Committee: No report.

Light Committee: No report.

Fire & Safety Committee: No report.

Sanitary Committee: The condition of the clogged sanitary sewer at E. 6th. Ave., and N. Duke St. was discussed by council. Engineer Weigle stated that he did not believe that the sewer pipe was broken but that there possibly could be tree branches causing this condition. He suggested that council have Jackson periodically use a tree cutter and run it thru the sewer. He suggested that nothing be done regarding opening the line until the clogged condition occurs again. He also suggested the removing of the trees around the area.

An ordinance presented by Solicitor Beers regarding the burning of leaves and other rubbish in a closed container was read. The ordinance was adopted on a motion by Lease and seconded by Thompson. Motion carried.

Mr. Bubb a resident of Fifth Ave., was present and stated that a very unsanitary condition existed in the vicinity of his property in that it was being overrun with rats. He stated that it had been investigated by Earl Quickel and a representative of the state, and it was decided that they were being fed on uncovered garbage cans. The sanitary committee was instructed to check with Chester Quickel, an inspector with the Penna. Dept. of Health and have this condition re-investigated to see what can be done to remedy this unsanitary condition.

A committee to select men to be members of a proposed Planning and Zoning Commission presented the following names for approval of council: Howard Delle, Pearson Hinkle, Roy Kinard and John Hershock. They stated that the fifth member would be named at a latter date. Everhart moved and Baylor seconded that the above mentioned men be accepted and named on the Planning and Zoning Commission. The council instructed the committee continue to function until the fifth man is named and the commission organized.

Police Committee: This committee reported that the traffic signal light at 7th. Ave., and N. George St, had been repaired. They further reported that Winters stated that the wiring in the light should be changed in that there is a wire shorted out causing continuous trouble. The council stated that in the event there is more trouble the necessary steps should be taken to remedy it.
It was reported that 74 gals. of gasoline were used in the police car during the month of September.
It was further reported that the "Do Not Enter" sign at the corner of Laurel St., and Court Ave., was changed so that it now can be seen by everyone entering Laurel St.

Highway Committee: This committee reported that the street repairing program was completed with the exception of several holes that should be filled up. The committee was ask to check the condition at the corner of Court Ave., and the alley between 7th. and 8th. Ave. The committee was also instructed to check into the alley running east from N. Duke St., between 7th. and 8th. avenue.

Chief Burgess Ross gave the following report:

Fines -	Burgess Office	$46.00
	Quickels Office	10.00
	Snyders Office	10.00
		$66.00
Permits		$11.00

The burgess reported that he had prepared a 16 point directive for the police department describing duties, working hour schedules, manner of dress and methods of enforcing the law. He stated that above all the directive stresses courtesy at all times.

A letter from the York County Health Department Referendum Committee was read by the secretary. The letter stated the needs for such a committee and also ask for any donation to help finance this committee. Council decided to relay action on this until they see what the other municipalities are going to do.

The secretary was instructed to purchase a copy of the newly published Chrostwaite Borough Law book.

A representative of the Auditor General Office of the Commonwealth of Pennsylvania met with Solicitor Beers and Chief Burgess Ross. The representative claimed that arrests have been made under Borough Ordinance No. 61 dated November 10th. 1932, and the monies collected turned over to the treasury of the borough. He stated that this ordinance was superseded by Section 1002 of the state motor vehicle code defining reckless driving, and the money should have been turned over to the state. He stated that all money collected from Sept. 1, 1956 until the present time would have to be turned over to the state. Beers stated that the money would probably be collected from the Justice of the Peace and in turn the borough council would reimburse them. Council instructed the borough officer not to make any more arrests under this present ordinance until the solicitor could revise it by adding an amendment to it. Council with their solicitor will check further into this.

Morris moved and Bowen seconded that an order be granted for the payment of all of the bills. Motion carried.

Morris moved and Baylor seconded that the meeting be adjourned.

Respectfully submitted,

Samuel H Shettel

Secretary.

Sept. 9th. 1957.

The regular monthly meeting of the North York Borough Council was held Monday evening, Sept. 9th. 1957, at 8:00 o'clock, in the Liberty Fire Hall. The meeting was called to order by the president, Clair E. Desenberg. Roll call found the following councilmen present: Morris, Thompson, Lease, Baylor, Bowen, Everhart, Chief Burgess Ross, Solicitor Beers, Engineer Weigle, Treasurer Everhart and Secretary Shettel. The minutes of the preceding meeting were accepted on a motion by Thompson and second by Baylor. Motion carried:

Finance Committee: No report.

Light Committee: No report.

Fire & Safety Committee: Lease, chairman of this committee reported that six (6) fire calls were answered during the month.

A letter was read by the secretary from the Liberty Fire Co. #1, asking permission of council for the use of the building at the rear of the lot. They stated they would like to clean up the yard and demolish the fire companies two existing buildings and use the boroughs building to store equipment and material that is now kept in the fire house. Morris moved and Baylor seconded that this request be granted. Motion carried. The secretary was instructed to reply to this letter.

Sanitary Committee: It was reported that the sewer was clogged at N. Duke St. and 6th. Ave. It was stated that Edward Jackson feels that the sewer line may be broken since the sewer has been clogged at the same spot several times. Engineer Weigle stated that he does not believe that it is broken since it could be opened. It was further reported that tree roots were removed from the sewer. Engineer Weigle to check into the possibility of opening the sewer at this point.

A letter from David Eppley regarding the condition he had at his property on N. Court Ave. He submitted a bill from his plumber for work done. The question was raised if borough council was liable for this bill. Weigle stated that whenever the sewer is clogged it is necessary for the property owner to contact a plumber to find the trouble, and since in this case it was in the street he feels that council should pay the bill. Thompson moved and Lease seconded that the bill be paid. Motion carried.

Police Committee: Thompson, chairman of this committee reported that 103 gals. of gasoline was used in the police car during the month, and 14 gals. for highway work. The committee was instructed to check into the necessity of a new battery for the police car.

Highway Committee: Bowen, chairman of this committee reported that the storm sewer at 11th. avenue has been completed by Fitz Bros. of Red Lion.

Weigle was instructed to check into the progress being made on the general repairing of streets in the borough by the Emrich Construction. Council felt that this company was not doing the job that they were instructed to do oron which they bid. Weigle was also instructed to give Mr. Laprairie curb grades on E. 10th. Ave. Weigle was also instructed to check into the alley east of North Duke St.

Chief Burgess Walter A. Ross gave the following report:

8 Permits $16.00

Fines from Burgess Office (
Snyders Office ($176.00
Quickels Office (

Burgess Ross discussed the action to be taken against Ross Black of 1114 N. George St., for violation of an ordinance regarding the building of projections onto the West side of N. George St. Since our last meeting Burgess Ross submitted a letter to Black requesting him to remove the enclosure. Solicitor Beers was questioned as to his advice regarding this matter. Beers stated that he was in error regarding the ordinance which was passed in 1921 and that Black was not in violation of this ordinance since this projection does not project more than 6 feet from the property line, and since it is assumed that the property line starts at the property itself. He stated that if Black falsified the permit in that it was issued for interior and exterior repairs, he is in direct violation of this permit ordinance and was subject to a fine of not less than $1.00 or more than $100.00. Beers further stated that due to the fact that Black did not lift the permit himself, but had his contractor do it, he was not liable for any prosecution, only if his contractor was acting as his direct agent.
Beers further stated that he previously instructed council that when a dispute arises among individuals it is better that council lets their hands off of such a dispute, and he felt that this was such a case. He stated that council could not act as a police force. Lease moved and Morris seconded that on advice of council the matter be dropped. Motion carried with seven aye's and no nay's.

It was reported that progess is being made in the securing of names of persons to serve the borough on a Zoning and Planning Commission.

It was decided by council to pay Emrich Bonstruction Co., and Fitz Bros., for work done, the amount submitted with the exception of 10%. This was done on a motion made by Lease and seconded by Baylor. Motion carried.

Attorney Henry Leader, attorney for C. J. Beshore was then recognized by council. He submitted to council plans showing lots to be annexed into the borough. He further stated that he had prepared an ordinance arizing from a petion signed by the majority of the freeholders of the proposed land to be annexed, and that Mr. Beshore was ready to have an agreement drawn up between himself and borough council regarding the construction of the sanitary sewer. Mr. Leader stated that the ordinance after being adopted by council would then be presented to the quarter sessions court, at which place it would lay 30 days, before a decision is made, and during which time the township from which the property is to be annexed may question it. The ordinance regarding annexation was read by the secretary and was adopted on a motion made by Lease and seconded by Everhart. Motion carried. An agreement between C. J. Beshore and Borough Council was then prepared by Solicitor Beers and read to council. Thompson moved and Baylor seconded to draw up a resolution giving the president and secretary authority to execute the agreement between Beshore and council. Motion carried.

Everhart moved and Baylor seconded that an order be granted for the payment of all of the bills. Motion carried.

Lease moved and Bowen seconded that the meeting be adjourned until Monday Oct. 7th. 1957. Motion carried.

Respectfully submitted,

Samuel H. Whittle

Secretary.

RESOLUTION

RESOLVED that the Borough of North York enter into an agreement to extend sewer service to fifteen (15) lots belonging to C. J. Beshore, upon accexation of said property to Borough, upon terms and conditions read at the meeting of Sept. 9th. 1957, a copy of which is incorporated in these minutes, and that the President of Council is authorized to execute said agreement and the secretary to attest to it.

CERTIFICATION

I, Samuel H Shattel, Secretary of North York Borough Council, do certify that the above is a true and correct copy of a resolution passed at the regular meeting of North York Borough Council held Monday, Sept. 9th. 1957.

Passed this 9th day of Sept. 1957.

Samuel H Shattel
Secretary.

August 30, 1957

At the request of Mr. C. J. Beshore, a special meeting of North York Borough Council, North York Authority and C. J. Beshore, was called for Friday evening, August 30, 1957, at 8:00 o'clock in the Liberty Fire Hall.

Those present at the meeting were Councilmen Desenberg, Thompson, Baylor, Everhart, George Snyder of the Authority, C. J. Beshore, Emmanuel Cassimatis, Attorney, and Secretary Shettel. W. Schmid, R. Everhart and I. Quickel were also present.

Attorney Cassimatis addressed council and stated that he had drawn up a petition necessary for the annexation of a portion of land owned by C. J. Beshore, now in Manchester Township, into the borough of North York. He stated that he had the petition signed by a majority of the freeholders, and ready to present to the Quarter Sessions of the York County Court where it will be held for thirty days, and then be decided by the Court either favorable or not favorable. He asked council for their decision as to whether they desired this annexation or not.

Council stated that before anything was decided it would have to be determined if the sanitary sewer system can be extended to this property. Snyder, president of the Authority stated that they had met with Mr. Beshore and came up with what everyone thought were agreeable terms, that is, the owner or owners of this property would agree to pay $180.00, equal to five annual payments of $36.00 to cover the previous years the sewer has been in operation, plus any additional fees such as, advertising, engineering, legal, etc.

Beshore then stated that he was agreed on the $180.00 charge, but that he felt that the additional fees were included in the $1440.00, the amount paid over a period of forty (40) years, and that if he were ask to pay them he would be charged double. He stated that these fees were included in the forty year cost of the property owners in the existing system and that he should be treated in the same manner.

Following a discussion on this issue, Snyder asked Beshore if he would be agreed to pay a flat charge of $200.00, only if the remaining members of the authority approved of it. Snyder stated that this was only a possible solution to the issue and that he could not speak for the rest of the authority. Beshore agreed to this and requested that an agreement be drawn between himself and North York Borough.

Following this council stated they would agree to annex this property into the borough.

Meeting adjourned.

Respectfully submitted,

Samuel Shettel

Secretary.

Aug. 5, 1957

The regular monthly meeting of the North York Borough Council was held Monday evening, Aug. 5th. 1957, at 8:00 o'clock, in the Liberty Fire Hall. The meeting was called to order by the president, Clair E. Desenberg. Roll call found the following councilmen present: Morris, Lease, Everhart, Thompson, Bowen, Chief Burgess Ross, Engineer Weigle, Solicitor Beers, Treasurer Everhart and Secretary Shettel. Thompson moved and Bowen seconded that the minutes of the previous meeting be accepted.

Finance Committee: No report.

Light Committee: The secretary reported that he had contacted the Metropolitan Edison Co., and that the light at the east end of Ninth Avenue is being installed. He also reported receiving $100.00 in pole tax from the light company.

Fire & Safety Committee: This committee reported that four (4) fire alarms were answered during the month with a loss of $200.00 in the borough and $6500.00 in the township.

Sanitary Committee: A discussion was held regarding the project of closing the holes in the manhole covers of the sanitary sewer. This was ordered done because of the sewer becoming clogged due to particles either going through the holes or being put through deliberately. It was reported that the project was about half completed. Weigle stated that actually the only manholes concerned would be those leading directly to the sewer pump. Weigle to contact Edward Jackson, plumber, and discuss this issue with him.

Police Committee: Thompson, chairman of this committee reported that a cover for the front seat of the police car has been purchased and placed on the car. He further reported that 88 gals. of gas were used in the police car during the month; he also presented a bill for $22.75 for shells purchased for the police officer; a bill of $10.00 for William Flickinger Jr., for special police duty; a bill of $21.00 from the Dispatch Publishing Co. for Traffic Tickets and No Parking Signs; a bill of $35.40 for yellow traffic paint from Walter A. Ross.

Thompson suggested that the police committee check into the necessity of a stop sign at the corner of E. 10th. Ave., and N. Duke St. The police committee was instructed to investigate this.

Highway Committee: Bowen, chairman of this committee reported that bad spots in the streets have been patched by the boroughs highway workers. He further reported that the reconstruction of E. 10th. Ave., has been completed by Emrich Construction Co., and that work on the various alleys will bestarted. He further reported that work on the storm sewer on E. 11th. Ave., is being held up due to the fact that the contractor is waiting for tile and grating. This work is being done by Fitz Bros. of Red Lion.

Chief Burgess Walter A Ross submitted the following report:

Permits for months of June & July	$43.00	
Fines for months of June & July		
Burgess Office	30.00	
J of P Snyders Office	195.00	
J of P Quickels Office	10.00	$235.00

The secretary was asked to read a resolution submitted by Solicitor Beers for the purpose of levying a special tax for the purpose of purchasing a new fire apparatus for Liberty Fire Company, and that the issue be placed on the ballot of the next general election Nov. 5, 1957, and to be decided by the electorate of the borough.

Following is Section #3 of this resolution:

That the following question be placed upon the ballot for the submission to the electorate at the next general election to be held November 5, 1957:

"Shall the Borough of North York impose a special tax for the year 1958 not to exceed 3 mills of each dollar of assessed valuation of the Borough as ascertained for county purposes for the purpose of assisting the Liberty Fire Company #1 to purchase a fire engine, fire apparatus and fire hose?"

Everhart moved and Thompson seconded to adopt the resolution. Motion carried.

Borough council at this time conducted quite a lengthy discussion on the question of a projection which has been constructed on the property of Ross Black at 1114 N. George St., about which they have received numerous complaints.

Burgess Ross stated that the permit issued to Black called for Interior and Exterior repairs, and in view of this he is in direct violation of the existing permit ordinance. An ordinance dated Dec. 1921 regarding the erecting of projections on the West side of N. George St., from 6th. Ave. to the Borough Line was reviewed. Solicitor Beers stated that Black was in violation of this ordinance. also. After a discussion Solicitor Beers advised that Burgess Ross to write Black a letter stating that he is in direct violation of the 1921 ordinance and also the Permit Ordinance, and further giving him 30 days in which to dismantle this enclosure or council would hire a contractor and have him, Black, pay the expenses involved.

This discussion again brought up the question of the possibility of establighing a planning and zoning commission in the borough. Beers stated that it would probably not be as expensive as he had first stated and with the cooperation of community minded citizens who would act on such a commission it could be done. Desenberg then appointed a committee consisting of Morris, Everhart, Thompson and Lease to try to secure citizens who would be willing to serve on such a commission.

Solicitor Beers was instructed to draw up an ordinance regarding the burning of rubbish in the borough, and present it at the next regular meeting.

Everhart moved and Thompson seconded that an order be granted for the payment of all of the bills. Motion carried.

Thompson moved and Lease seconded that the meeting be adjourned until Monday, Sept. 9th. 1957. Motion carried.

Respectfully submitted,

Samuel N. Whittel

Secretary.

July 1, 1957

The regular meeting of the North York Borough Council was held Monday evening, July 1st. 1957, at 8:00 o'clock in the Liberty Fire Hall. The meeting was called to order by the Vice President Donald B. Thompson, in the absence of the president, Clair E. Desenberg. Roll call found the following to be present: Lease, Everhart, Bowen, Baylor, Morris, Chief Burgess Ross, Treasurer Everhart and Secretary Shettel. Bowen moved and Baylor seconded that the minutesof the previous meeting be approved. Motion carried.

Finance Committee: No report.

Light Committee: A resolution from the Metropolitan Edison Co., relative to the placing of a new street light at the east end of 9th. Ave., was read by the secretary. Lease moved and Everhart seconded that the resolution be adopted. Motion carried. The secretary was instructed to execute the resolution and return to the Metropolitan Edison Co.

The question regarding the placing of the One Way sign, now at the corner of Laurel St. and N. Court Ave., at a more advantageous place was held over until the next meeting.

Fire & Safety Committee: Lease, chairman of this committee reported that 50' of Booster Hose had been replaced on the fire apparatus. A bill for this for the amount of $47.50 was presented to council. Baylor moved and Everhart seconded that the bill be paid. Motion carried.

It was reported that two fire alarms were answered during the month with one death.

Highway Committee: Bowen, chairman of this committee reported that Emrich Construction Co., had began construction work on E. 10th. Ave., the first work in the general street repairing program. It was further reported that street repair work had been done by borough employees.

Sanitary Committee: Bills to the amount of $602.58 from Edw. Jackson were presented to council. $24.00 for work on Sanitary Sewer Pump; $140.25 for opening sewer at 105 E. 7th. Ave., and $438.33 for the closing of holes in manhole covers on the sanitary sewer. Baylor moved and Everhart seconded that this bill be paid. Motion carried.

Police Committee: Thompson chairman of this committee presented a bill for the purchase of uniforms for the police officer. The bill was accepted. The question of purchasing new seat covers for the police car was discussed. The police committee to check into this. It was decided to paint a white line on Eagle street to help traffic onto N. George St. The question of pyramids for the center of N. George St. to be used during the school term was discussed. This issue to be discussed by the Police Committee.

Morris moved and Lease seconded that $200.00 be contributed to the Central School District to be used in their Recreation program conducted during the summer months. Motion carried.

Raymond Everhart, a member of the North York Community Association, was present at the meeting to request council to give the association permission to block off the 1100 block on North Duke street, from 7th. to 8th. ave., on the night of Friday, July 12, 1957. He reported that the association was attempting to have a skating and dancing party for the benefit of all the young people in the borough and surrounding area. Council agreed to grant the association this request.

Walter A. Ross, Chief Burgess reported that he had collected $15.00 in fines from JP Quickel's office; and $95.00 from JP Snyders office, or a total of $110.00.

He also reported that there were still three properties that had not cut their weeds, but that he would have this done.

Ross reported on the progress made by the Civil Defense Organization. He stated that as far as North York Borough share in the maintaining of such an organization it would be approximately 1.3% of approximately $10,000., or $65.00 for the remainder of the year. This issue was discussed at length by council and Lease moved to hold up on any decision until more substantial information and complete understanding is brought to borough council. Everhart seconded.

Discussion was held, from a suggestion of Burgess Ross, regarding the establishing of a Zoning and Planning Commission. Ross stated that he had received numerous complaints regarding the usage of residential sections for used car lots., etc. In as much as this had been discussed before and it was found to be too costly at present to proceed with such a commission, council asked that the safety committee check into the matter with Solicitor Beers.

Everhart moved and Morris seconded that an order be granted for the paying of all of the bills. Motion carried.

Bowen moved and Morris seconded that the meeting be adjourned. Motion carried.

Respectfully submitted,

Samuel H. Shettel

June 3, 1957

The regular monthly meeting of the North York Borough Council was held Monday evening June 3, 1957 at 8:00 o'clock in the Liberty Fire Hall. The meeting was called to order by the president, Clair E. Desenberg. Roll call found the following councilmen to be present: Lease, Everhart, Bowen, Thompson, Morris and Baylor. Chief Burgess Walter Ross, Solicitor Beers, Engineer Weigle, Treasurer Everhart and Secretary Shettel. Morris moved and Thompson seconded that the minutes of the previous meeting be accepted. Motion carried.

Finance Committee: Morris, chairman of this committee reported that a financial statement had been submitted for the first quarter of 1957.

Light Committee: The secretary reported that he had contacted Daugherty of the Metropolitan Edison Co., regarding a new street light to be placed at E. 9th. Ave. and N. Court Ave., or in the vicinity of theTop Flight Tape Co. Morris moved and Baylor seconded that a resolution be adopted for theplacing of this light. It was also reported that the Light Co. had been in the borough and inspected the lights as requested.

Fire & Safety Committee: Jack Shire, fire chief of the Liberty Fire Co., was present and reported twofire alarms answered during the month, with a loss of $16,000. with $3,000. of this being in the borough. He also reported that one death resulted from the fire in the borough.
Lease, chairman of this committee reported that repairs had been made to the apparatus and presented a bill to the amount of $34.56. Thompson moved and Everhart seconded to pay the bill. A discussion was held regarding the using of gasoline from the borough bulk tank for use in the fire apparatus. Lease suggested that they let the situation stand as it has and have the fire company use gas for the apparatus from this tank.
It was decided to contact the York Water Co, and have them check the pressure in the fire hydrant at the corner of E. 7th. Ave. and N. George St.

Highway Committee: It was reported that patch work on the streets has been done and also work in patching portions of the streets where the sanitary sewer had been laid. It was decided to distribute the expense of this work between the highway department and the sanitary sewer fund. Morris moved and Everhart seconded that this expense be distributed. Motion carried.
Joe Gentzler a resident of E. 7th. Ave., was present and stated that the alley in the rear of the properties of this avenue was in a very bad condition in that it was not level with the garages of the properties causing rain water to run into their yards. Engineer Weigle was instructed to check into this and see what can be done to remedy the situation. It was also decided to check into the alleys in the borough with the thought of adopting them.
Everhart moved and Thompson seconded that the secretary write letters to the York Electric Supply Co., and also the Fabricating Engineering Co., requesting them to place curbing at their properties. The secretary was also instructed to contact the Freezing Equipment Sales and inform them that they could go ahead with their curbing. The secretary was also instructed to find out thename of the owner of the vacant lot at E. 10th. Ave. and N. Duke St., and inform the owner that they will have to lay curbing at this lot.

At this time the following bids were opened. These bids were for the repaving of E. 10th. Ave., and other streets and alleys in the borough; and also the laying of a storm water sewer on E. 11th. Ave., and E. 5th. Ave:

Sanitary Storm Sewer Pipe at E. 11th. Ave. and 5th. Ave.

James F. Favino, Red Lion, Pa.	$2471.50	
West York Construction Co., 150 S. Sumner St. York, Pa.		$2038.80
Stewart & March Inc. 1049 N. Hartley St. York, Pa.		$2387.17
Emrich Construction Co., Inc. Manchester, Pa.		$1937.49
Fitz Brothers, Red Lion, Pa.		$1890.00

Resurfacing of Streets in Borough

West York Construction Co., 150 S. Sumner St.	Item #1 1900 Sq. yds. at	$2.20
	Item #2 2500 Sq. yds. at	.36
	Item #3 Per Ton	12.90
	Item #4 Gutter per Sq. Ft.	1.05

	Item #3	12.95
	Item #4	.65
Emrich Construction Co., Manchester, Pa.	Item #1	1.79
	Item #2	.32
	Item #3	13.50
	Item #4	.95
Ralph P. Innerst, Jacobus, Pa.	Item #1	2.15
	Item #2	.78
	Item #3	13.50
	Item #4	.98

Thompson moved and Lease seconded that the bid for the street be awarded to Emrich Construction co., the lowest bidder; and the Fitz Bros. be awarded the bid for the storm water sewer as the lowest bidders. Motion carried.

Police Committee: Thompson chairman of this committee reported that William Flickinger worked five hours as a special officer; and Earl Quickel worked 59-1/2 hours as a special officer.
He further reported that the police committee felt that it was not necessary to adopt a resolution for a deputy sheriff commission for special officer Earl Quickel. He stated that if and when the time warranted it then council can reconsider the matter. Solicitor Beers was ask to draw up the necessary resolution to repeal Section 10 of Ord. #68 regarding the washing of cars on the borough streets.

The committee also stated that they felt it was unnecessary to place a stop sign at the east intersection of Columbia Ave. and E. 7th. Ave. They stated that the employees of the Alto Co., should be asked to use a little caution when coming from the factory.

It was also decided to leave the yellow line at the fire hall as it is at the present time, that is, painted just enough for the police car.

A discussion was held regarding the enforcing of the 2 hr. parking signs erected on N. George St. Council felt that they were necessary and should be kept in effect. Morris moved and Thompson seconded that these signed be kept in effect and enforced. Motion carried.

Discussion was held regarding the painting of a white line on Eagle Street in order for traffic to enter onto George St. in a safer way.

The committee suggested the placing of two additional stop signs at E. 6th. Ave. and N. Duke St., making it a four way stop intersection. Morris moved and Baylor seconded that council accept this recommendation and that the additional signs be placed. Motion carried.

Thompson moved and Bowen seconded that Emerson Portner be appointed as borough councils representative to the York Regional Garbage Disposal Authority. Motion carried.

The Chief Burgess Walter A. Ross gave the following report:

Permits	$21.00
Fines-Burgess Office	20.00
Snyders Office	135.00
Quickels Office	45.00

Chief Burgess Ross also stated that he would send out notices to all residents giving them ten (10) days in which to cut any weeds that needed to be cut, and then he would enforce the ordinance.

Thompson moved and Everhart seconded to accept and pay all of the bills. Motion carried.

Everhart moved and Morris seconded to adjourn the meeting. Motion carried.

Respectfully submitted,

Samuel A. Shettel

Secretary.

The regular monthly meeting of the North York Borough Council was held Monday evening, May 6, 1957, at 8:00 o'clock in the Liberty Fire Hall. The meeting was called to order by the president, Clair E. Desenberg. Roll call found the following councilmen to be present: Morris, Thompson, Everhart, Lease, Baylor and Bowen, Chief Burgess Ross, Solicitor Beers, Engineer Weigle, Treasurer Everhart and Secretary Shettel. The minutes of the previous meeting were accepted on a motion made by Baylor and seconded by Everhart. Motion carried.

Finance Committee: No report.

Light Committee: The secretary was instructed to call Daugherty of the Metropolitan Edison Co., regarding changing the lamps in the street lights at the corner of E. 6th. Ave., and W. Ninth Ave. Also the possibility of moving the light pole at the east end of 5th. Ave.

Sanitary Committee: It was reported that the sewer line on E. 6th. Ave., which had caved in several times was dug out and refilled by the Stewart & March Co. It was reported that Bortner Bros., plumbers would pay for the resurfacing of a lateral on E. 6th. Ave., which had been dug incorrectly.

Police Committee: Special Officer Earl Quickel reported 58 hrs. police duty. William Flickinger Jr., reported 10 hrs. duty, and Charles Thompson reported 10 hours, extra police duty.

Clair Smith of 1313 N. George St., was present at the meeting to protest against the enforcing of an ordinance prohibiting the washing of cars on the borough streets. Burgess Ross stated that the reason for the enforcing of this ordinance came from complaints he had received from residents of the borough in that the people were washing their cars in the streets and that the water from this was standing in low spots in the streets and then being splashed on their houses. Ross however stated that he felt that the ordinance which had been drawn up and adopted in 1942 could be revised to the satisfaction of everyone concerned. Council decided to turn this issue over to the Police Committee for consideration.

A request was made for borough council to adopt a resolution asking for a deputy sheriff commission for Special Officer Earl Quickel. Quickel stated that without one he is unable to go outside of the borough and assist Police Office Jack Geisler in the performance of his duty. This was turned over to the Police Committee for their consideration.

Thompson, chairman of the police committee reported that four new tires had to be purchased for the police car at a cost of $36.00. A request was made to council for the purchase of summer uniforms for the police officer. Council authorized the committee to see to the purchasing of these uniforms. This was done on a motion by Baylor and seconded by Everhart. Motion carried.

Highway Committee: Bowen, chairman of this committee reported that patch work is being carried on in the borough. He also reported that the streets had been cleaned. It was reported that the storm sewer at 7th. avenue and N. George St. was in a very bad condition. Council authorized the committee to have Paul Lauer clean out the storm sewers in the borough.

The Highway Committee along with Engineer Weigle made a survey of the borough and presented the following recommendations regarding the street repairing project for this year: E. 10th. Ave. from N. Duke St. to N. George St; 10th. Ave. east to borough line; W. 9th. Avenue; various other streets and alleys in the borough where needed. They also recommended a sewer pipe along E. 11th. Avenue. Also a man hole in conjunction with this sewer pipe. The cost of the general repairing the streets to be approximately $4800.00 with an additional $1000.00 cost for the sewer line, making a total of $5800.00 for this project. Thompson moved and Everhart seconded to advertise for bids for this work. Motion carried.

Fire & Safety Committee: Discussion was held regarding the request made by the Liberty Fire Co., for the purchasing of a new fire apparatus to replace the American LaFrance Apparatus recently scrapped. Solicitor Beers reported that it is possible to place the question of tax raising for fire protection on a municipal or general election ballot. He stated that the increase could not exceed three mills for fire protection. Beers also stated that it is possible to raise the milleage to 20 mills for general purposes, the present milleage being 15. Council decided to turn this issue over to the Fire & Safety Committee and they with the Liberty Fire Co., to come up with some solution as to whether or not this is to be placed on the November General election ballot as a referendum. A motion was made by Lease and seconded by Everhart that this action be taken Motion carried.

Chief Burgess Walter A. Ross reported the following:

16 Permits	$16.00
Fines - Burgess Office	57.00
" Snyders Office	175.00
" Quickels Office	45.00

He further reported that cleanup week had been observed and that they had collected a total of 3200 lbs. of paper and received $16.10 for it. He further stated that the money had been distributed between the Boy Scouts and Girl Scout Troops of the borough. $10.00 each.

A discussion was held regarding the repainting of stop signs. It was decided to do this at a later date.

Thompson moved and Lease seconded that an order be granted for the payment of all of the bills. Motion carried.

Lease moved and Everhart seconded that the meeting be adjourned. Motion carried.

Respectfully submitted,

Samuel H Shetter

Secretary.

April 1, 1957

The regular meeting of the North York Borough Council was held Monday evening, April 1, 1957, at the Liberty Fire Hall. The meeting was called to order at 8'00 o'clock by the president, Clair E. Desenberg. Roll call found the following to be present: Morris, Thompson, Bowen, Lease, Everhart, Baylor, Chief Burgess Ross, Solicitor Beers, Treasurer Everhart and Secretary Shettel. On a motion made by Lease and seconded by Baylor the minutes of the previous meeting were approved. Motion carried.

Finance Committee: No report.

Light Committee: Baylor reported that he is still trying to contact Daugherty of the Metropolitan Edison Co. regarding the light at the east end of 5th. avenue. Everhart reported that he had five (5) lights replaced.

Fire & Safety Committee: The trustees of the Liberty Fire Co #1 were present at the meeting and presented recommendations regarding the meeting between the Citizens Committee for Fire Fighting Equipment and the Underwriters Association. A letter was read from Ross Black, president of the Fire Company in which they presented the following recommendations: 1. Suggest council accept the written reports submitted to them in their entirety. 2. Due to conditions described in these reports council take as prompt action as possible in assisting the fire company to comply with the recommendations. 3. Review the boroughs financial assistance to the fire company so the fire company can meet Underwriters surveys in the future. The letter further stated that it is not the intention of the fire company to become dependent on council for complete financial aid for operation purposes but due to the rising cost of equipment and building maintenance and also lack of public interest and support they find it impossible to raise enough money through activities over the years to meet the standards set up by the Underwriters Association. They further stated that it is necessary for the welfare of the community to have such an organization and they feel that the residents of the borough as well as borough council should assist in maintaining this fire company. They feel the only way to accomplish this is for council to give greater financial aid to the company. They further stated it is the intention of the company to give the best protection possible to the residents of the borough. The recommendation made by the underwriters is that a Class A 750 Gal. pumping unit would be necessary to give Liberty Fire Co. #1 the adequate pumping capacity required for the borough, which would be added to the present 1949 FWD Pumper.

Discussion was held regarding the establishing of a one (1) mill tax for fire fighting purposes. Lease moved and Everhart seconded that this be held over until Solicitor Beers may check into the legality of this procedure. Ross Black gave a report on $1800.00 from the fire company and $500. from township. Morris suggested that it might be well to decide on some plan in which everybody might have a share in it regardless if they were taxpayers or not.

Sanitary Committee: A discussion was held regarding the holes on E. Sixth Avenue caused by the sanitary sewer. Don Weigle stated that he knew that there is money available for maintenance. The question was raised whether or not there might be a cistern at this spot. Weigle to check to see if this might show up on the map.

Police Committee: Discussion was held regarding a stop sign at the corner of Columbia Avenue and E. 7th. Ave. The committee to check into this. Earl Quickel reported fifty (50) hours police duty.

Highway Committee: A discussion was held regarding parking of cars in the alley between George & Duke St., running from Eighth and Ninth Avenue causing this alley to be dug up. It was reported that the alley from Court Ave. to N. Duke St. between 7th. and 8th. avenue is in bad condition in that water lays in it and that it causes water to run into residents cellars and garages. The condition of Tenth Avenue was also discussed. Morris moved and Baylor seconded that the Highway committee make a report on the conditions of the streets and alleys and decide which are in need of urgent repairs.

Bowen stated that he had talked to J. Crerand of the Penna. Dept. of Highways regarding the condition at 8th. avenue and N. George St., and that Crerand promised to take care of this. Discussion was held regarding the mud and rough condition of W. Ninth Ave., due to the construction of the Fifth E.U.B. Church, and ways of relieving this situation. The Highway and Finance Committee reported that they had purchased a 1949 Dodge 3/4 Ton Pickup Truck to handle the necessary patch work on the streets of the borough. This was purchased from the International Harvester Co. for the price of $450.00. They stated that they felt this would relieve the borough from having equipment brought in for this work and thus save money. Morris stated that he felt the truck was justified in view of the expenses of patch work last year.

Chief Burgess Report: Burgess Ross was instructed not to proceed with enforcement of the waste water ordinance at the Alto Co., by the Solicitor Robert Beers. Ross stated that he has set aside the weeks from April 21, to May 1st. as clean-up weeks. He stated that trucks will be available to remove scrap, etc. It was decided to give any money derived from this to the Boy Scout and Girl Scout Organizations in the borough. He further stated that the cross walks will be painted. The secretary was instructed to write the North York Lions Club thanking them for the additional waste cans they purchased and placed around the borough.

Morris moved and Bowen seconded that an order be granted for the payment of all of the bills. Motion carried.

Baylor moved and Everhart seconded that the meeting be adjourned. Motion carried.

Respectfully submitted,

Samuel H Shettel

Secretary.

March 11, 1957

A special meeting of the North York Borough Council was held Monday evening, March 11th. 1957, at 8:00 o'clock at the Liberty Fire Hall. The meeting was called to order by the president Clair E. Desenberg. The following councilmen were present: Morris, Thompson, Lease, Baylor, Bowen Everhart, Chief Burgess Ross and Secretary Shettel.

President Desenberg turned the meeting over to Everhart who is the councils representative to the committee studying the subject of garbage disposal. Everhart stated that the purpose of the meeting is to get councils reactions and decision to the recommendations that the committee is presenting.

He further stated that the committee visited different municipalities who maintained systems handling garbage disposal by incineration, composte, and sanitary land fill. He also represented a full report from the committee in their findings and the progress they have made.

He stated that with great deliberation the committee feel that the system of sanitary land fill is the most practical and that they recommend this process. They would like to have councils decision as to whether they will go along with the committee in this program. They would like to get this program started by summer as the City of York is faced with the problem as to where they can dispose of their garbage.

Morris moved and Lease seconded that council go on record as going along with this committee in their recommendation to establish the plan of sanitary land fill, but that we still take into consideration and acknowledge the contract now held with our present garbage collector, Paul P. Lauer, and that all future contracts with the borough garbage collectors state that the collector use the authorities sanitary land fill. Motion carried.

The secretary was instructed to advise Mr. Roy C. Cox, secretary of the Regional Planning Commission of the councils decision.

The meeting was adjourned by the president, Mr. Desenberg.

Respectfully submitted,

Samuel H Shettel

Secretary.

Mar. 4, 1957

The regular meeting of the North York Borough Council was held Monday evening; March 4th. 1957 at 8:00 o'clock at the Liberty Fire Hall. The meeting was called to order by the president Clair E. Desenberg. Roll call found the following councilmen to be present: Morris, Thompson, Lease, Baylor, Bowen, Everhart, Treasurer Everhart, Burgess Ross, Solicitor Beers and Secretary Shettel. The minutes of the previous meeting were approved on a motion made by Thompson and seconded by Morris. Motion carried.

Finance Committee: No report.

Light Committee: No report. Baylor, chairman of this committee was instructed to contact Daugherty of the Metropolitan Edison Co., to check into the possibility of moving the pole at the end of East Fifth Ave., in order to make the street more passable. The light at the intersection of N. Duke St. and E. 6th. Ave., is to be checked.

Fire & Safety Committee: This committee reported two alarms during the month of February with a loss of $150.00. Jack Shire, fire chief reported that the FWD Fire apparatus had been repaired and is now in good running order. These repairs were made to the apparatus with no cost to the borough. It was also reported that the bids for the sale of the American LaFrance apparatus were published and would be accepted at a special meeting.

Sanitary Committee: Everhart, chairman of this committee reported that he as our representative to the temporary authority on garbage disposal, met with that group on several occassions. He reported that he had made field trips with the committee to several municipalities who maintain various forms of garbage disposal, he reported seeing films regarding same and hearing lectures on the same. He reported that a luncheon meeting will be held Wednesday Noon, March 6th., at the Yorktowne Hotel, and he extended an invitation to any member of council who could attend this meeting. He stated that the committee hoped to have resolutions pertaining to their decision to present to the concerned municipalities.

It was reported that the Alto Co., was running water into a french drain and then into a public alley in the borough. It was further reported that there was an excessive amount of water being run from the GI Service garage into a public alley. The secretary stated he would turn over copies of an ordinance pertaining to this to the Chief Burgess who in turn would check into this situation and if necessary proceed with the enforcing of this ordinance.

Police Committee: William Flickinger Jr., reported 5 hrs. of special police duty. Charles Thompson reported 5 hrs. of special police duty. Earl Quickel reported 52 hrs. special police duty. Baylor moved and Everhart seconded that the amount of $6.25 be paid to Charles Thompson. The question was raised if Thompson had been authorized to be on special police duty. After discussion the motion to pay Thompson was rescinded by Baylor and Everhart. Earl Quickel presented a bill for 5 hrs. special duty which he later withdrew. It was suggested by council that a closer check be kept on any special police duty.

Highway Committee: A discussion was held on the condition of the streets in the borough and council stated this would be taken care of as soon as weather permits.

Chief Burgess report: Fines

Quickels Office	$30.00
Snyders Office	262.00
Burgess Office	16.00
Permits	286.51
Pin Ball & Juke Box	320.00
	$914.51

Everhart moved and Baylor seconded to appoint Jack Peeling to a five year term as a member of the North York Authority. Motion carried.

Morris moved and Everhart seconded that an order be granted for the payment of the bills. Motion carried.

Lease moved and Everhart seconded to adjourn the meeting. Motion carried.

Respectfully submitted,

Samuel H Shettel

Secretary.

RESOLUTION ADOPTED BY NORTH YORK BOROUGH COUNCIL SETTING FORTH THE FOLLOWING RULES AND REGULATIONS GOVERNING THE USE, MAINTENANCE, DUTIES, ETC., OF POLICE VEHICLE.

1. The Police Committee will delegate the responsible individual or individuals who shall operate the police vehicle.

2. Unless specifically authorized or called upon by Borough, City or State Officals, the police vehicle shall not leave the borough limits to attend fire or police calls and shall be used for official business only.

3. The only occupants in the police vehicle shall be the duty officers and borough officials. Other personnel will only be permitted by police committee authorization.

4. When weather conditions exist such as heavy rain, fog, hail, snow or ice the police vehicle shall be housed and duty officer shall exercise foot patrol of borough. The only exception shall be extreme emergency.

5. Police vehicle will not be operated at a high rate of speed, except for actual pursuit and then the duty officer operating vehicle shall exercise extreme caution at all times.

6. The Borough Officer, as appointed by Borough Council, will be fully responsible for maintenance of police vehicle and shall be required to report to the chairman of the police committee all necessary repairs and receive authorization before any repairs are made to vehicle.

7. Vehicle shall be housed in building as provided by Borough Council. When vehicle is not in use it shall be locked at all times. However, if vehicle is within watching distance officers shall use their own discretion.

8. The responsibility shall be delegated to the borough officer, as appointed by Borough Council, in keeping the gasoline and oil inventory and shall keep the necessary reports and mileage records of police and fire vehicles, as perscribed by Borough Council.

NORTH YORK BOROUGH COUNCIL.

Police Committee.

February 4, 1957

The regular meeting of the North York Borough Council was held Monday evening, February 4, 1957, at 8:00o'clock at the Liberty Fire Hall. The roll was called finding the following councilmen present: Desenberg, Morris, Thompson, Baylor, Bowen, Everhart, Chief Burgess Ross, Engineer Weigle, Solicitor Beers, Treasurer Everhart and Secretary Shettel. The minutes of the last meeting were approved on a motion by Morris and seconded by Everhart. Motion carried.

Finance Committee: No report.

Light Committee: No report.

Fire & Safety Committee: It was reported that the committee and the trustees of the Liberty Fire Co., met regarding the disposition of the American LaFrance Fire Apparatus, and they came to the decision that it should be scrapped because it was no longer of any use to the company as a satisfactory piece of fire fighting equipment.

Jack Shire, Fire Chief, reported that one fire alarm was answered during the month with no damage.

Ross Black, president of the fire company was present and suggested the following recommendations:

That the old fire apparatus be scrapped and the money received be put into the newly established apparatus & equipment fund of the fire company.

That borough council request that the fire underwriters be requested to come into the borough to make a survey as to the necessary amount of fire fighting equipment needed for this size borough.

That the hired driver for the fire company be furnished with a key to the gas pump so that there may be no delays in the securing of gas if needed in an emergency.

That a representative of borough council attend all of the meetings of the fire company.

In regards to the above recommendations borough council decided on the following:

To give the fire company permission to strip the old apparatus of any usuable parts and then advertise for bids for the sale of the apparatus.

The secretary was instructed to write the fire underwriters and request that a representative come into the borough to answer any problems or inquiries that the fire company may have, and to make a survey as to what equipment may be needed.

Council stated that to furnish the driver of the apparatus with a key to the gas pump would more or less defeat the purpose of resolutions which have been set up regarding the police car, etc. They further stated that if it was necessary for the company to purchase gas at any station it would be agreeable to council.

It was decided that the fire and safety committee should name the representative to attend the fire company meetings.

Sanitary Committee: A bill from Edward Jackson for services to the electric sewer pump was received and ordered paid.

Police Committee: It was reported that 111 gals. of gas were used in the police car during the month.
Resolutions pertaining to the police car which had been prepared by the police committee and Chief Burgesswere read by the secretary. Morris moved and Baylor seconded that these resolutions be adopted. Motion carried.

Special Officer William Flickinger Jr., reported ten hours of police duty.
Special Officer Earl Quickel reported 65-1/2 hrs. of police duty.

Chief Burgess Ross reported that $170.00 in fines had been collected from the office of Justice of Peace George Snyder, during the montn.

He further reported that no permits had been issued during the month.

Solicitor Beers presented the following ordinances for adoption:

Re-enactment of the levying of tax on Pin Ball Machines and Juke Boxes operated in the borough.

Re-enactment of the levying of a $5.00 per capita tax on all adult residents of the borough.

Setting of the rate of 15 mills tax for general borough purposes.

Baylor moved and Everhart seconded that these ordinances be adopted. Motion carried.

Bowen moved and Baylor seconded that the budget which had been duly advertised, for the year 1957, be adopted. Motion carried.

Richard Ehrhart was present at the meeting and asked if something could be done regarding the large amount of pidgeons around the vicinity of Eighth Ave. and Duke St.
He also complained about the large amount of stones and dirt deposited at the intersection of Eighth Ave. and N. Duke St., especially after a heavy rain. The highway committee to see about having these cleaned up.

Rev. Joseph Yeakel, Lyle Cruse and Gordon Quickel of the Fifth E. U. B. Church were present at the meeting and asked council about there position regarding the street proposals and adoptions of the streets around the proposed Fifth E. U. B. Church now in the process of being built. Council stated that there case would have to be handled in a similar manner as that of the Central School District, and that was that they would have to put in the streets after which borough council would maintain them.

Thompson moved and Everhart seconded that an order be granted for the payment of the bills. Motion carried.

Morris moved and Baylor seconded that the meeting be adjourned. Motion carried.

Respectfully submitted,

Samuel Whittel

Secretary.

NOTICE OF RE-ENACTMENT OF THE ORDINANCE OF FEBRUARY 7, 1955, LEVYING A TAX FOR GENERAL BOROUGH PURPOSES ON PIN BALL MACHINES AND ON JUKE BOXES WITHIN THE BOROUGH OF NORTH YORK, PROVIDING FOR THE COLLECTION THEREOF, AND IMPOSING PENALTIES FOR VIOLATION THEREOF.

Notice is hereby given that the Council of North York Borough, York County, Pennsylvania, at their regular meeting Monday, February 4, 1957, re-enacted the ordinance of February 7, 1955 levying a $25.00 tax on each pin ball machine and a $5.00 tax on eack juke box operated within the Borough of North York during the year 1957, pursuant to authority granted to Boroughs of the Commonwealth of Pennsylvania by the Act of General Assembly approved June 25, 1947, P. L. 1145, as amended; and providing that the tax shall be due and payable on March 1, 1957 or within five days after the installation of such pin ball machine or juke box as the case may be; and imposing penalties for non-compliance with said ordinance. It is estimated that the re-enacted ordinance will provide revenue of approximately $300.00 for the fiscal year 1957, which revenue is required for general borough purposes.

CLAIR E. DESENBERG, President of Borough Council.

Samuel H. Shettel, Secretary of Borough Council.

NOTICE OF RE-ENACTMENT OF THE ORDINANCE OF MARCH 1, 1954 LEVYING A $5.00 PER CAPITA TAX ON ADULT RESIDENTS OF NORTH YORK BOROUGH, YORK COUNTY, PENNSYLVANIA, PROVIDING A DUE DATE, PENALTIES FOR LATE COLLECTION, AND FURTHER PROVIDING THE USE TO WHICH THE PROCEEDS SHALL BE PUT, AND IMPOSING PENALTIES FOR THE VIOLATION THEREOF.

Notice is hereby given that the Council of North York Borough, York County, Pennsylvania, at their regular meeting Monday, February 4, 1957, re-enacted the ordinance of March 1, 1954 levying a per capita tax for general borough purposes of $5.00 on each adult person residing in the Borough of North York, York County, Pennsylvania, for the year 1957, pursuant to the authority granted to Boroughs of the Commonwealth of Pennsylvania by the Act of General Assembly approved June 27, 1947, P. L. 1145, as amended; providing that the tax shall be due and payable on the same date and subject to the same rate of penalties and be collected in the same manner as the tax imposed upon real estate for Borough purposes for the fiscal year 1957. It is estimated that the re-enacted ordinance will provide revenue of approximately $7,000.00 for the fiscal year 1957, which levy is required for general borough purposes.

Jan. 7, 1957.

The regular monthly meeting of the North York Borough Council was held Monday evening, Jan. 7th. 1957, at 8:00 o'clock at the Liberty Fire Hall. The roll was called finding the following councilmen present: Desenberg, Morris, Lease, Thompson, Baylor, Everhart, and Bowen, Engineer Weigle, Solicitor Beers, Chief Burgess Ross, Treasurer Everhart and Secretary Shettel. The meeting was called to order by the president, Clair Desenberg. Everhart moved and Bowen seconded that the minutes of the previous meeting be accepted. Motion carried.

Finance Committee: Morris, chairman of the finance committee submitted the budget for the year 1957. Thompson moved and Lease seconded that the budget be accepted as read. Motion carried. The secretary to advertise the budget in the newspaper.

Light Committee: No report.

Fire & Safety Committee: This committee reported that four (4) alarms were answered during the month of December. Forty-eight calls were answered during the year 1956 in both the borough and county. Total damage amounting to $5800.00. One death was reported as the result of these fires.

Jack Shire, fire chief, ask borough council for permission for the fire company to make necessary repairs to the FWD Apparatus and also permission to take the apparatus to Harrisburg to the FWD Co., if necessary. He also ask for permission to make a compression test to see what was wrong with the apparatus.

Grant King, trustee of the fire company was present and ask for councils decision as to what was to be done with the old LaFrance Apparatus as it is not in working condition and of no use to the company. Council recommended that the Fire & Safety Committee meet with the fire chief andtrustees of the fire company and come to some decision and report back to council at the next meeting. This was decided on a motion by Thompson and seconded by Bowen. Motion carried.

Sanitary Committee: The contract between Paul P. Lauer the garbage collector and the borough was read by the secretary. Everhart moved and Thompson seconded that council accept the contract. Motion carried.

Police Committee: Earl Quickel reported 48 hours special police duty during the month of December. William Flickinger Jr., reported 10 hours special police duty during the same month. It was reported that 111 Gals. of gas was used in the police car curing the month of December, and 15 Gals. in the fire apparatus during the same month.

Highway Committee: The bills for the balance of street repairing were ordered to be paid to the Emrich Construction Co.

Chief Burgess reported the following:

Permits		$59.00
Fines -	Burgess Office	$14.00
	Snyders Office	175.00
	Quickels Office	37.00
		$226.00

Discussion was held regarding the issuing of a permit for the construction of the Fifth E. U. B. Church.

Solicitor Beers was instructed to draw up the necessary ordinances on the Milleage Rate; Head Tax; and Pin Ball and Juke Ball Tax and present them at the next meeting.

Thompson moved and Baylor seconded that an order be granted for the payment of all of the bills. Motion carried.

Thompson moved and Everhart seconded that the meeting be adjourned. Motion carried.

Respectfully submitted,
Samuel P. Shettel
Secretary.

AN ORDINANCE PROHIBITING THE PARKING OF ANY TYPE OF VEHICLE ON THE NORTH SIDE OF SEVENTH AVENUE IN THE BOROUGH OF NORTH YORK, BETWEEN THE NORTH END OF THE PARKING LOT OF CENTRAL JOINT SCHOOL DISTRICT AND COLUMBIA AVENUE.

The Council of North York Borough, County of York, Pennsylvania, ordain as follows:

Section 1. That from and after the passage of this ordinance it shall be unlawful for any person or persons to park any type of vehicle at any time on the streets of North York Borough as follows:

On the north side of Seventh Avenue between the west end of the parking lot belonging to the Central Joint School District and Columbia Avenue.

Section 2. Any person convicted of a violation of this ordinance shall be subject to a fine of $2.00 or imprisonment for two days in the York County Prison for the first offense, and a fine of $10.00 or ten days imprisonment for each successive offense.

Section 3. All ordinances or parts of ordinances inconsistent herewith are hereby repealed.

NORTH YORK BOROUGH COUNCIL
By CLAIR E. DESENBERG.
President of Borough Council.

Attest:
Samuel Shettel, Secretary.
