The regular monthly meeting of the North York Borough Council was held Monday evening December 7, 1959, at 8:00 o'clock in the Liberty Fire Hall. The meeting was called to order by the president, Donald B. Thompson. Roll call found the following to be present: Councilmen Bowen, Baylor, Chantiles, Kauffman Everhart, Whorl; Chief Burgess Desenberg, Engineer Weigle, Solicitor Beers, Treasurer Everhart and Secretary Shettel. The minutes of the previous meeting were approved on a motion by Chantiles and seconded by Baylor. Motion carried.

This budget to be advertised prior to the next regular meeting at which time it will be adopted. The motion for approval was carried.
The tax collectors report was read by Everhart. This showed that $421.47 has been collected during the month of November.

Police Committee: William Flickingers time as special police officer was approved by council.
Baylor moved that Jack L. Geisler be appointed as police officer for North York borough for the year 1960. Chantiles seconded the motion. Motion carried.
William Flickinger was also appointed as special police officer. Earl Quickel was appointed as special school patrol officer.
The committee recommended the purchase of new tires for the police car. This to be investigated by the committee and Kauffman moved and Baylor seconded that the necessary purchase be made if they think it is necessary. Motion carried.

Sanitary Committee: At this time the bids for the collection of garbage for the year 1960, which had been received, were opened. The following bids were read:

Paul P. Lauer $4200.00 on a six month basis.
David M. Orr $4080.00 " " " " "

Although Orrs bids was $120.00 lower Chantiles moved that the bid presented by Lauer be accepted. Kauffman seconded the motion. Motion carried. This was done on advice from Solicitor Beers who stated that it was legal to award the bid to the lowest responsible bidder. This question was raised when it was stated that a large number of complaints had been received by both Chief Burgess and Council when Orr had the garbage contract several years ago.
A bill for work on the sanitary sewer presented by Stewart & March Inc. was questioned by council. It was decided to submit payment for this when an itemized invoice is received from them.
The secretary was requested to contact the Central School District regarding a permit for placing a second sewer lateral at the Wilson Elementary School.

Highway Committee: Bowen, chairman of this committee stated that street conditions in the borough were at present very good. A bill from Stewart & March Inc., was approved for payment.

October 5, 1959

The regular monthly meeting of the North York Borough Council was held Monday evening October 5, 1959, at 8:00 o'clock in the Liberty Fire Hall. The meeting was called to order by the president, Donald B. Thompson. Roll call found the following councilmen to be present: Whorl, Kauffman, Chantiles, Baylor, Everhart, Thompson, Solicitor Beers, Chief Burgess Desenberg, Secretary Shettel. The minutes of the previous meeting were approved on a motion made by Chantiles and seconded by Kauffman. Motion carried.

Finance Committee: The statement of the Tax Collector Harold L. Haines was read by the secretary. This report showed that a total of $247.39 collected in 1959 taxes was turned over to the treasurer. It was decided to have the finance committee meet to make up a preliminary budget for 1960.

Police Committee: The extra police duty performed by Special Officer Flickinger during the month was approved by council.

Sanitation Committee: It was reported that a lateral had been installed by Stewart & March Inc., at the York Suit Co.

Highway Committee: It was reported that the general street repairing program has been completed. A check to the amount of $805.17 has been received from the York County Liquid Fuel Fund. It was further reported that the amount of $365.90 has been received from the state as a final payment of the Motor License Fund. It was decided to have yellow curbs painted wherever necessary.

Fire & Safety Committee: The name of Roy Kinard was presented to council as a member of the Zoning Board of Appeal to take the place of Pearson Hinkle. Whorl moved that Kinard be appointed to this position. Baylor seconded the motion. Motion carried.

Light Committee: No report.

A delegation of residents of East Fifth Avenue attended council meeting complaining of conditions on their portion of this avenue. They related stories of juvenile rowdyism, drinking and obscene actions, which they stated disturbed the neighborhood in general. They ask if it were possible to receive more police protection. In reply to this both Burgess Desenberg and Officer Geisler stated that they have been called many times at all hours. Geisler stated that upon going to the scene of complaint he found that the offenders have fled. Solicitor Beers stated that only if the offenders are caught in any act can they be arrested by the offiner, but each resident has the privilege of filing charges against any offender before any Justice of the Peace and thus have them prosecuted. A question of a curfew was raised. It was found out that the majority of the real offenders were over 21 years of age, and also that it would involve too much detail as far as school functions being held. This would tend to effect young people attending legitimate functions. Council decided too that it would be necessary for the majority of the residents to review their own conditions in their homes and try to come to a decision among themselves.

Burgess Desenberg stated that speeding conditions on East Seventh Avenue would continue to be investigated.

Chantiles moved and Baylor seconded that an order be granted for the payment of all of the bills. Motion carried.

The meeting was adjourned on a motion by Whorl and seconded by Baylor. Motion carried.

Respectfully submitted,

Samuel H. Shettel

Secretary.

April 6, 1959.

The regular monthly meeting of the North York Borough Council was held Monday evening, April 6, 1959, at 8:00 o'clock, in the council chambers in the Liberty Fire Hall. The meeting was called to order by the President, Donald B. Thompson. Roll call found the following councilmen to be present: Baylor, Kauffman, Everhart, Chantiles, Bowen, Solicitor Beers, Engineer Weigle, Chief Burgess Desenberg, Treasurer Everhart and Secretary Shettel. The minutes of the previous meeting were approved on a motion made by Baylor and seconded by Bowen. The motion carried.

Finance Committee: No report.

Police Committee: Baylor, chairman of this committee reported that Harry Kitzmiller, Laverne Spangler and William Flickinger Jr., had performed special police duty during the month.

Sanitary Committee: Chantiles, chairman of this committee presented a bill from Industrial Electric Co., for work on the sanitary sewer pump. Also from Stewart and March and Edward Jackson for work on the sewer line at the corner of N. Duke St. and 6th. Ave. Council approved payment of these bills.

Highway Committee: Bowen, chairman of this committee reported that Stewart and March has started to do necessary patch work in the borough.
Discussion was held regarding the advertising for stone and oil for the purpose of general street repairing, and for the borough to hire their own men to do the work. Council felt that this idea may become too involved and decided to advertise for general street repairing. The secretary was instructed to advertise for bids and Engineer Weigle was instructed to make up the necessary specifications and instructions to bidders.

Fire & Safety Committee: William Kauffman, chairman of this committee reported that a check had been received from civil defense covering radio equipment on the fire apparatus. The check was turned over to the Liberty Fire Company.

Light Committee: The secretary was instructed to contact Daugherty of the Metropolitan Edison Co., regarding the progress in installing street lights at Evunbreth Heights.

Chief Burgess Clair E. Desenberg reported that $8.00 had been collected in fines at his office during the month. Also $89.50 collected in permits. Also a check for $329.50 from civil defense which was turned over to the fire company.

Desenberg reported that he had received continued complaints regarding the Thomas Custom Body Shop, operating on Seventh Avenue. Solicitor Beers stated that in view of the fact that the company which had previously occupied the building had done a certain amount of body work and had operated it as a non-conforming use in a commercially zoned area, there was not much that could be done. He stated that only until it can be proven that this company is doing work contrary to the zoning law, nothing can be done. He advised council to wait a month and have the zoning officer make regular inspections before deciding to take any further action.

A complaint was also registered by Desenberg, as being received from a resident of the borough, regarding paint spraying on his awning and car from an exhaust fan in the property of the White Rose Sign Company. It was decided that Burgess Desenberg and Chantiles speak to Mr. Richard Harvey, of this company, regarding the above complaint.

It was reported that A. A. Alwine, owner of a lot at the corner of 11th. Avenue and N. Duke St., had not as yet paid for the placing of curbing at his property. Beers was instructed to proceed with the necessary legal action regarding liens on his property.

Everhart moved and Kauffman seconded that the secretary advertise for bids for the general repairing of the streets in the borough. Motion carried.

Chantiles moved and Baylor seconded that an order be granted for the payment of the bills. Motion carried.

Baylor moved and Kauffman seconded that the meeting be adjourned, Motion carried.

Respectfully submitted,

Samuel H Libutti

Secretary.

The regular monthly meeting of the North York Borough Council was held Monday evening, February 2, 1959, at 8:00 o'clock, in the Liberty Fire Hall. The meeting was called to order by the president, Donald B. Thompson. Roll call found the following to be present: Chantiles, Everhart, Bowen, Kauffman, Baylor, Burgess Desenberg, Engineer Weigle, Treasurer Everhart and Secretary Shettel. Chantiles moved that the minutes of the previous meeting be accepted. Everhart seconded the motion. Motion carried.

L. Walter Coble of Bragdon Associates of Harrisburg, Pa., was present at the meeting and presented a disability and hospitalization insurance plan covering our police officer. He stated that this money could be taken from the Police Pension Fund since there is always a substantial balance in that fund, and that it would be a legal transaction as far as the state is concerned. The policy would cover $250.00 disability and a $500.00 blanket coverage, being in effect the first day of accident and the 8th. day of sickness with $25.00 deductible, and also with a medical and surgical rider on pdicy. He stated that the premium would be approximately $183.00 per year and would be written by the American Casualty Ins. Co. Chantiles moved to accept this proposal and have Mr. Coble prepare the necessary policy. Bowen seconded the motion. Motion carried.
