The minutes of the previous meeting were approved on a motion by Whorl and a second by Kauffman. Motion carried.

Burgess Desenberg at this time inducted Lloyd W. Gladfelter as a councilman, to fill the unexpired term of Ralph Longe who had resigned.

Finance Committee: The tax collectors report showed that $35.92 had been collected for 1960 taxes; and that $1383.81 had been collected for 1961 taxes.

Police Committee: The committee reported that the new tires for the police car had been purchased and were in use. Whorl moved and Brickner seconded that an order be granted for the payment of this bill. Motion carried.

Sanitation Committee: Gordon presented a bill from Robert Hoke for work done on the Sanitary Sewer at 1200 N. George St. An order was granted for payment of this bill.
It was recommended that the committee check the storm water sewer at 7th. avenue and N. Court Avenue to see that it is open properly.
It was reported that the cesspool at the Lester Sell property is filled up.
A recommendation was made to council regarding the placing of a waste paper container at the corner of N. George St. & E. 7th. Ave., in the vicinity of Moley's Restaurant.
The committee was ask to check the grating on the storm sewer at 7th. Ave. and N. George St. and correct it if necessary.
It was suggested to council to have a periodic check made on the trunk lines of the sanitary sewer to prevent any clogging. This to be checked into by the committee.

Highway Committee: Kauffman reported the patch work on the streets has practically been finished. He also reported the street repairing would be finished beginning Wednesday the 9th. of August.
Kauffman reported that the trench which had been dug at the York Suit Co., to drain the water has filled in with ground. Weigle to check this and have it corrected.
It was reported that the stones on N. George St. have been cleaned up and that N. Duke St. would be cleaned. These stones were washed on the streets by the recent heavy rains.
Engineer Weigle was instructed to look into the preparing of a map of the borough showing other than the proper streets, the location of all storm sewers, and also the conditions of the streets regarding base, etc.
The committee was instructed to look into the cost of a snow plow only, in preparation for any possible heavy snows this coming winter.
John Vottero a resident of N. Duke St. presented a petition signed by residents of E. 7th. Ave. and N. Duke St., asking council to resurface the alley between 7th. and 8th. Avenues and from N. Duke St. to the athletic field of Central School District.

A recommendation was made that the yellow curb on the north side of 2nd. Ave., be extended from N. George St., to parking lot. The committee to check into this.

The regular monthly meeting of the North York Borough Council was held Monday evening, June 5th. 1961 at 8:00 o'clock in the Liberty Fire Hall. It was decided to repaint yellow curb lines and cross walk lines. It was reported that the state intended to paint traffic lines on George St. and they would be yellow. Council decided to defer painting cross walk lines until this is done so they would all match.
