NORTH YORK BOROUGH COUNCIL

By the Secretary
Samuel H. Shettel

December 10, 1962.

The regular monthly meeting of the North York Borough Council was held Monday evening, December 10, 1962, at 8:00 o'clock in the Liberty Fire Hall. The meeting was called to order by the president William H. Everhart. Roll call found the following to be present: Councilmen Chantiles, Whorl, Gordon, Brickner, Gladfelter, Wood, Solicitor Beers, Engineer Weigle, Mayor Gladfelter, Treasurer Everhart and Secretary Shettel. The minutes of the previous regular meeting also special meeting were approved on a motion by Whorl and a second by Gordon. Motion carried.

Finance Committee: The tax collectors report was read showing that $373.24 had been collected in 1962 taxes during the month. Also $12.48 collected in delinquent taxes. The committee decided to meet on Dec. 17th. at 8:00 P.M. at the home of the president to prepare the proposed budget for 1963.

Highway Committee: Gladfelter reported that the stones have been cleaned up on N. Duke Street. A check was also made on the alley at Gibbs property. Gladfelter was authorized to have shoulder stabilization stone placed in this alley. Stop signs at Meade & Queen Sts. struck out of position to be replaced by McFarland. Mrs. Richard Heiland of Chapel Drive complained about icy condition in front of their garage on Olympia Avenue. A complaint was heard from Mrs. Orendorff about water condition in private alley along side of her house. This is not the boroughs problem because it is a private alley. Brickner stated there is a very icy condition at 6th. Ave. and N. Duke St.

Fire & Safety Committee: Brickner asked council what should be done in case of fire at Wilson Elementary School regarding the chain across the school property. Beers said it is the responsibility of the school board and insurance company.

Police Committee: Chantiles reported stop signs to be repaired by McFarland. Whorl stated he had talked to Emrich Chevrolet Co. and told them that they received the bid for the police car. Geisler reported car to be delivered about the 17th. Mayor Gladfelter reported bicycle licenses are here and will be on sale at 9:00 A.M. Saturday morning and thereafter at same time. The fee to be 25 cents.

Sanitation Committee: Gordon reported West York came out and opened sewer at 9th. avenue. Also sewer at 7th. & Duke St. opened by Raffensberger. Weigle reported that various municipalities have a regular sewer cleaning crew. He advised that the borough should have a regular man to inspect sewers on a regular schedule. Weigle will make two maps of sewer system showing all manholes. Weigle reported work on pumps completed. He reported that the additional bill received was for work not included in contract. Beers reported that to prepare an excavation ordinance would be very expensive, also that highway committee meet with Weigle and Beers and discuss items to be considered in forming such an ordinance. Mr. Frey to contact Mr. Gordon to explain the functioning of the electric pump at W. 6th. Ave.

Light Committee: No report.

Mayor Gladfelter reported he had collected $6.25 in pin ball tax. and $24.00 in permits during the month.

Chantiles moved and Gladfelter seconded a motion that borough council go on record as making an informal protest to the Public Utility Commission regarding the increase of rates proposed by the York Telephone & Telegraph Co. Motion carried.

The secretary was instructed to return letter to State Highway Department regarding the plowing and placing of anti skid material on N. George St.

Whorl moved that the treasurer and secretary be authorized to place $2700.00 from the Police Pension Fund on a certificate of deposit with the York Bank & Trust Co. Motion carried.

The secretary was instructed to advertise for bids for the collection of garbage for the year 1963 as soon as possible, and the bids to be opened at a special meeting to be held December 27th. at 8:00 in the fire hall.

Gladfelter moved and Chantiles seconded that an order be granted for the payment of all of the bills subject to final audit. Motion carried.

Chantiles moved that the meeting be adjourned. Gordon seconded the motion. motion carried.

Respectfully submitted,

Samuel H Shittle

Secretary.

A special meeting of North York Borough Council was held Tuesday evening, November 20th. at 8:00 in the Liberty Fire Hall. The meeting was called to order by the president, William H. Everhart. Roll call found the following to be present: Councilmen: Gladfelter, Gordon, Whorl, Chantiles; Mayor Gladfelter and Secretary Shettel.

The purpose for the meeting being called was to open bids received for the purchase of a new 1963 Automobile to be used by the police department.

The secretary opened and read the following bids received:

Ammon R. Smith Auto Co., York, Pa.	$1778.73
Emrich Chevrolet Inc., Manchester, Pa.	$1648.00
Carl Beasley Co., York, Pa.	$1616.57

In view of the fact that council reserved the right to reject any or all bids and because the bid of Carl Beasley Co., although it was the lowest bid, called for a 230 HP Motor and the specifications called for a 220 HP Motor, this bid was disqualified.

Chantiles moved to accept the bid of Emrich Chevrolet Inc., which was the lowest of the two remaining bids, The motion was seconded by Gordon. Motion carried.

The secretary was instructed to notify the bidders of the councils decision.

The president stated that the next meeting of borough council would be held on Monday Dec. 10th. 1962., at 8:00 o'clock.

Chantiles moved that the meeting be adjourned. Whorl seconded the motion. Motion carried.

Respectfully submitted,

Samuel D. Shettel

Secretary.

November 5, 1962.

The regular monthly meeting of the North York Borough Council was held Monday evening, November 5th. 1962, at 8:00 o'clock in the Liberty Fire Hall. The meeting was called to order by the president, William H. Everhart. Roll call found the following to be present: Councilmen Gladfelter, Whorl, Brickner, Chantiles, Gordon, Wood; Mayor Gladfelter, Treasurer Everhart and Secretary Shettel. The minutes of the previous meeting were approved on a motion by Whorl and a second by Gordon. Motion carried.

Highway Committee: Gladfelter, chairman of this committee reported that the storm water sewer at the east end of Dewey Avenue has been taken care of thus completing the reconstruction of this avenue. It was reported that the excavation made by the York Water Company has still not been put back to its original condition.
The secretary was instructed to write Mr. Lloyd Kauffman a letter thanks for his permission to dump tree limbs on his property. These limbs were broken off due to the recent snow storm. It was reported that the sewer trench on E. 6th. avenue beyond Queen St., has not been repaired. Everhart to contact the utilities and have this finished.
Gladfelter was instructed to contact the Roadite Co., regarding material used on Sigsbee Avenue to repair excavation of York Water Co.
It was further reported that there were an excessive amount of stones on N. Duke St. between 10th. and 11th. avenues. These are to be gathered up.
A recommendation was made regarding the erection of a stop sign at Columbia Ave., and E. 7th. avenue at the east intersection. This stop sign was not warrented by council and the issue tabled.

Sanitation Committee: It was reported that the sanitary sewer at 9th. avenue and N. George St., has cogged up several times. Gordon reported that it had been cleaned out but it didnt seem to do any good. Council called West York Borough requesting that they send there equipment with an operator to open this sewer. They stated they would be very glad to cooperate and open this sewer for us.

Fire & Safety Committee: A letter was received from the Central School Board regarding the removal of a chain placed across W. 7th. Ave., at Schley. The letter follows in part: "Because first consideration must be given to the use of the school property by children of the district and to their safety, the committee recommends that the chain be retained". It was reported that stop signs have been placed on Schley Avenue at W. 7th. Ave.

Police Committee: Chantiles, chairman of this committee stated that the police car was in very bad need of repairs but he felt that the repairs should not be made to the car in the condition it is in. He further recommended that the council consider the purchase of a new police car as soon as possible. After discussion the council decided to advertise for bids for a new police car and that the Finance Committee and Police Committee meet to draw up specifications. It was further decided to open these bids at a special meeting to be held the 20th. of November at 8:00 o'clock.
The committee recommended to purchase belt, holster and handcuffs for the police officer for $28.00. Chantiles moved and Whorl seconded to purchase these items. Motion carried.

Light Committee: No report.

The highway committee was instructed to look into a water condition in the alley immediately east of N. Duke St. on E. 7th. Ave.

Whorl moved and Gladfelter seconded that the bills be paid subject to final audit. Motion carried.

Gordon moved and Whorl seconded that the meeting be adjourned. Motion carried.

Respectfully submitted,
Samuel H. Shettel
Secretary.

October 1, 1962

The regular monthly meeting of the North York Borough Council was held Monday evening, October 1, 1962, at 8:00 o'clock in the Liberty Fire Hall. The meeting was called to order by the president, William H. Everhart. Roll call found the following to be present: Councilmen Chantiles, Gladfelter, Brickner, Gordon, Wood; Engineer Weigle and Secretary Shettel. The minutes of the previous meeting were approved on a motion by Gordon and a second by Chantiles. The motion carried.

Fire & Safety Committee: The committee recommended that stop signs be placed on Schley Ave. to stop both north and south traffic onto W. 7th. Ave. Council decided to have these signs placed.

Richard Ehrhart and Clayton Martin who were present at the meeting were informed by council that they, council, had presented their petition regarding the removal of a chain across W. 7th. Ave. at Schley Ave, to the Central School Board. The school board informed council they would place the matter in the hands of their Building and Grounds committee for disposition. Everhart stated further the school board said they had an agreement with the city regarding the cemetery adjacent to the street and that the chain is taken down whenever they are informed of a funeral. They further stated keys have been given to the Liberty Fire Co., so that the chain can be opened in case of a fire or any other emergency.
Ehrhart suggested that in the event the committee of the School Board do not arrive at a decision, a meeting be set up and all interested parties be invited to attend. He ask if council would go along with such a meeting. The members of the fire and safety committee would represent themselves as citizens and not in the name of the borough council. Council again stated that it was entirely up th the school board to decide the issue.

Highway Committee: This committee reported that work on the reconstruction of Dewey Avenue is progressing and near completion. A condition of a storm water drain at the east end of Dewey Avenue was discussed, and this is to be remedied in the manner suggested by Engineer Weigle.
It was further reported that 8th. and 9th. avenues have been resurfaced.
Patch work has been done on Meade St.
A bill to the amount of $1700.58 from Emrich Construction Co., for Dewey avenue was presented and an order granted for its payment, as this bill constitutes the construction work less resurfacing work which is to be done by Roadite Inc.

A discussion was held regarding the various utilities coming into the borough to make repairs on their facilities and breaking up the streets and not replacing them to their original form. It was suggested that council look into the possibility of having an ordinance drawn up requiring these utilities to post a bond for the amount of money required to replace these streets to their original form. Engineer Weigle was instructed to contact Solicitor Beers regarding an ordinance covering this issue.
It was further reported the stones have been removed from the alley between 7th. and 8th. avenues from N. Court Ave. to N. Duke St.
It was also decided to have several places patched by Roadite Inc., wherever needed.

Sanitation Committee: An invoice covering labor and material to Sept. 27, 1962 was received from the Industrial Electric Co. This is for work being done at the sanitary sewer electric pump in the removing of same to the garage. An order was granted for payment of this.

Police Committee: Two bids for the furnishing of license tags and certificates covering the licensing of bicycles were received. Topflight Tape Co., bid at $.20 each in lots of 400 to 500. Bierbower Associates bid $30.34 for both stickers and certificates numbered from 1 to 250. Chantiles moved and Gordon seconded that the bid of Bierbower Associates be accepted. Motion carried.
Council also accepted the recommendation of the committee that Earl Quickel be hired for approximately four (4) hours per month for school crossing duty only.

Light Committee: No report.

Mayor Gladfelters report was read by the secretary. This report was as follows:

Permits	$30.00
Fines	4.00
Zoning	20.00
Pin Ball Tax	12.50
	66.50

Gladfelter presented a letter from the Faith Bible Fellowship Church, N. Duke St., and E. 6th. Ave., asking council for permission to place a banner announcing a period of church services in their church, across N. George St. at 6th. Avenue. The letter was given to the secretary and he was instructed to write to the Department of Highways as to what procedure must be taken to grant this request. Council stated they would grant permission if it is done according to state regulations.

Gordon moved and Brickner seconded that an order be granted for the payment of all the bills subject to final audit. Motion carried.

Brickner moved and Gladfelter seconded that the meeting be adjourned. Motion carried.

Respectfully submitted,

Samuel N. Kelley

Secretary.

August 24, 1962.

A special meeting of the North York Borough Council was held Friday evening, August 24th., at 9:00 o'clock in the Liberty Fire Hall. The meeting was called to order by the president William H. Everhart. Roll call found the following to be present: Councilmen Chantiles, Gladfelter, Whorl, Brickner; Mayor Gladfelter and Secretary Shettel.

The meeting was called for the purpose of receiving bids and awarding same for the reconstruction of Dewey Avenue from Schley Alley west to Prospect Hill Cemetery.

The following bids repeived were read by the Secretary:

	Item #1 18" x 9" deep Gutter 65 sq. yds	Item #2 6" crushed stone base 700 sq. yds.	Total
H.J.Williams York, Pa.	$8.86 per sq.yds-$575.90	$162 per sq.yds.-$1134.00	$1709.90
Emrich Const. Manchester,Pa.	$9.45 per sq.yd.-$614.25	$1.52 per sq.yd.-$1064.00	$1678.25
Roadite Inc. York, Pa.	$11.70 per sq.yd.-$760.50	$1.37 per sq.yd.-$959.00	$1719.50

Chantiles made a motion that the lowest bid be accepted and the contract be awarded to the Emrich Construction Co. Brickner seconded the motion. Motion carried.

A discussion was held regarding the remainder of street work to be done. Whorl made a motion that 8th. and 9th. avenues be resurfaced as planned and also Dewey Ave. be resurfaced after completion of work done by Emrich Construction. Gladfelter seconded the motion. Motion carried.

President Everhart brought to the attention of borough council that the Topflight Tape Co., on E. 9th. Ave., is in the process of erecting an addition to their building and they have built this about five feet over the line of proposed Queen St. He stated that the officials of Topflight Tape Co., had informed him that they had acquired this land from the Central School District and felt they were in their rights. Engineer Weigle stated that there are deeds that extend to the middle of a street but that doesn't give the property owner the right to build over into the street. Chantiles moved and Gladfelter seconded that council have Solicitor Beers check the proceedings thoroughly regarding this construction and that councils authorizes him to proceed with any legal action that may be necessary. The motion carried with the following votes cast:

Yes - Chantiles, Gladfelter, Brickner
No - Whorl

Whorl moved that the meeting be adjourned. Brickner seconded the motion. Motion carried.

Respectfully submitted,

Samuel H. Shettel

Secretary.

September 4, 1962

The regular monthly meeting of the North York Borough Council was held Tuesday evening, September 4, 1962 at 8:00 o'clock in the Liberty Fire Hall. The meeting was called to order by the president William H. Everhart. Roll call found the following to be present: Councilmen Chantiles, Gladfelter, Whorl, Gordon, Brickner; Mayor Gladfelter and Secretary Shettel. The minutes of the previous meeting were approved on a motion by Whorl and a second by Brickner. Motion carried.

Finance Committee: The tax collectors report was read by Whorl and showed that $12.08 in 1961 taxes and $1587.42 in 1962 taxes had been collected during the month.

Fire & Safety Committee: Richard Ehrhart, Clayton Martin and Walter Smith residents of the borough were present at the meeting and presented a petition signed by residents residing in the vicinity and near vicinity of W. 7th. Avenue and N. George St. This petition requested that a chain at present placed across the western intersection of W. 7th. Ave., and Schley Ave., be removed. Those present stated that parking conditions at present were very bad and they felt if this chain were removed it would relieve this situation. Council informed these residents that council had by ordinance and legal posting abandoned that portion of W. 7th. Ave., from Schley Ave., to Prospect Hill Cemetery, and also an alley running from W. 7th. Ave., to Sigsbee Ave., between the school property and Prospect Hill Cemetery. Council stated that if any action could be taken on the above it would have to be done by the Central School District Board of Directors. President Everhart stated he and several members of council would however approach the school board and show them the petition, and then it would be up to them to arrive at some decision.
It was further reported that there is excessive speeding in the vicinity of Schley Ave., and W. 7th. Ave., and although there are "watch children" signs erected there is need for stop signs at the most dangerous placed. The committee will check into this and report back at the next meeting.

Highway Committee: It was reported that the gutter on the south side of Dewey Ave., has been cleaned out, and also the alley between Dewey and 6th. Avenues.
It was also suggested to clean up excessive stone in Elk Alley at the point where it enters into the west side of N. Duke St. The highway committee to check into this.
The contract with Emrich Construction Co., for the reconstruction of Dewey Ave., was signed and work to be started as soon as possible.

Sanitation Committee: It was requested that the refuse container now at the southeast corner of 7th. Ave. and N. George St., be moved to the northeast corner. The committee to check into this.
Gordon reported he had received several complaints regarding the unsanitary condition at a home on Laurel St. He stated he had checked and found refuse and garbage piled in the alley way of this home to such a degree that he could not bet thru the alley. He stated he and Mr. Brown from the Pennsylvania State Health Department are going to investigate this situation and try to have it cleaned up.
It was reported that same sewer line on 9th. avenue had to be opened again.

Police Committee: Mayor Gladfelter reported he had conducted a speed trap on the Friday evening preceding the above date.
The qeustion was raised regarding the possible purchase of a new police car. Chantiles reported the present car is in a very poor condition. The committee was requested to make a preliminary check on this issue.
It was decided to defer the enforcement of the newly passed bicycle ordinance until January 1, 1963.
Discussion was held regarding painting yellow lines at the school crossing and also at the church crossings.
A complaint was again heard regarding the parking of cars in the alley at the west end of 8th. avenue. Solicitor Beers is to check into this situation. Mayor Gladfelter stated he would contact Beers.
Everhart reported that according to our Solicitor Mr. Beers it is nothing the borough can do regarding Topflight Tape Co., building over a portion of proposed Queen St.

Council informed these residents that council had by ordinance and legal posting abandoned that portion of W. 7th. Ave., from Schley Ave., to Prospect Hill Cemetery, and also an alley running from W. 7th. Ave., to Sigabee Ave., between the school property and Prospect Hill Cemetery. Council stated that if any action could be taken on the above it would have to be done by the Central School District Board of Directors. President Everhart stated he and several members of council would however approach the school board and show them the petition, and then it would be up to them to arrive at some decision.
It was further reported that there is excessive speeding in the vicinity of Schley Ave., and W. 7th. Ave., and although there are "watch children" signs erected there is need for stop signs at the most dangerous placed. The committee will check into this and report back at the next meeting.

Highway Committee: It was reported that the gutter on the south side of Dewey Ave., has been cleaned out, and also the alley between Dewey and 6th. Avenues.
It was also suggested to clean up excessive stone in Elk Alley at the point where it enters into the west side of N. Duke St. The highway committee to check into this.
The contract with Emrich Construction Co., for the reconstruction of Dewey Ave., was signed and work to be started as soon as possible.

Sanitation Committee: It was requested that the refuse container now at the southeast corner of 7th. Ave. and N. George St., be moved to the northeast corner. The committee to check into this.
Gordon reported he had received several complaints regarding the unsanitary condition at a home on Laurel St. He stated he had checked and found refuse and garbage piled in the alley way of this home to such a degree that he could not bet thru the alley.
He stated he and Mr. Brown from the Pennsylvania State Health Department are going to investigate this situation and try to have it cleaned up.
It was reported that same sewer line on 9th. avenue had to be opened again.

Police Committee: Mayor Gladfelter reported he had conducted a speed trap on the Friday evening preceding the above date.
The qeustion was raised regarding the possible purchase of a new police car. Chantiles reported the present car is in a very poor condition. The committee was requested to make a preliminary check on this issue.
It was decided to defer the enforcement of the newly passed bicycle ordinance until January 1, 1963.
Discussion was held regarding painting yellow lines at the school crossing and also at the church crossings.
A complaint was again heard regarding the parking of cars in the alley at the west end of 8th. avenue. Solicitor Beers is to check into this situation. Mayor Gladfelter stated he would contact Beers.
Everhart reported that according to our Solicitor Mr. Beers it is nothing the borough can do regarding Topflight Tape Co., building over a portion of proposed Queen St.

Beers stated that Mayers the original owner of thisproperty had laid out this land including a proposed street at this point, but the borough at that time had done nothing about it. The land then was obtained by the Central School District who in turn sold ~~it~~ a portion of it to Topflight Tape Co.

A resolution presented by Metropolitan Edison Co., was passed on a motion by Chantiles and a second by Whorl. Motion carried. This resolution would remove 1040 ft. of wiring at present across the Central School property and allow for one light on the school property and one light on E. 6th. Ave., to be operated on a photoelectric cell basis. This change will lower the cost of street lighting by $12.00 per month.

The resignation of Emerson D. Portner, as the North York Borough representative on the York Regional Refuse Authority was submitted. It was accepted with regret on a motion by Whorl. Chantiles seconded the motion. Motion carried. President Everhart appointed Gordon, Whorl and Chantiles to try to find a person to replace Mr. Portner on this Authority.

A resolution presented by the Department of Highwaysof the Commonwealth of Pennsylvania was read by the secretary. This resolution will give the borough and the state a complete and up to date record and establish all state highways within the borough as thru highways. Whorl moved and Chantiles seconded that this resolution be adopted. Motion carried.

Gordon moved that all the bills be paid subject to final audit. Gladfelter seconded the motion. Motion carried.

Chantiles moved that the meeting be adjourned. Whorl seconded the motion. Motion carried.

Respectfully submitted,

Samuel W. Shetter

Secretary.

August 24, 1962.

A special meeting of the North York Borough Council was held Friday evening, August 24th., at 9:00 o'clock in the Liberty Fire Hall. The meeting was called to order by the president William H. Everhart. Roll call found the following to be present: Councilmen Chantiles, Gladfelter, Whorl, Brickner; Mayor Gladfelter and Secretary Shettel.

The meeting was called for the purpose of receiving bids and awarding same for the reconstruction of Dewey Avenue from Schley Alley west to Prospect Hill Cemetery.

The following bids received were read by the Secretary:

	Item #1 18" x 9" deep Gutter 65 sq. yds	Item #2 6" crushed stone base 700 sq. yds.	Total
H.J.Williams York, Pa.	$8.86 per sq.yds.-$575.90	$162 per sq.yds.-$1134.00	$1709.90
Emrich Const. Manchester,Pa.	$9.45 per sq.yd.-$614.25	$1.52 per sq.yd.-$1064.00	$1678.25
Roadite Inc. York, Pa.	$11.70 per sq.yd.-$760.50	$1.37 per sq.yd.-$959.00	$1719.50

Chantiles made a motion that the lowest bid be accepted and the contract be awarded to the Emrich Construction Co. Brickner seconded the motion. Motion carried.

A discussion was held regarding the remainder of street work to be done. Whorl made a motion that 8th. and 9th. avenues be resurfaced as planned and also Dewey Ave. be resurfaced after completion of work done by Emrich Construction. Gladfelter seconded the motion. Motion carried.

President Everhart brought to the attention of borough council that the Topflight Tape Co., on E. 9th. Ave., is in the process of erecting an addition to their building and they have built this about five feet over the line of proposed Queen St. He stated that the officials of Topflight Tape Co., had informed him that they had acquired this land from the Central School District and felt they were in their rights. Engineer Weigle stated that there are deeds that extend to the middle of a street but that doesn't give the property owner the right to build over into the street. Chantiles moved and Gladfelter seconded that council have Solicitor Beers check the proceedings thoroughly regarding this construction and that councils authorizes him to proceed with any legal action that may be necessary. The motion carried with the following votes cast:

Yes - Chantiles, Gladfelter, Brickner
No - Whorl

Whorl moved that the meeting be adjourned. Brickner seconded the motion. Motion carried.

Respectfully submitted,
Samuel H. Shettel
Secretary.

August 6, 1962.

The regular monthly meeting of the North York Borough Council was held Monday, August 6th. 1962, at 8:00 o'clock in the Liberty Fire Hall. The meeting was called to order by the president William H. Everhart. Roll call found the following to be present: Councilmen Gladfelter, Whorl, Gordon, Wood; Mayor Gladfelter; Solicitor Beers; Engineer Weigle and Secretary Shettel. The minutes of the previous meeting were approved on a motion by Gordon and a second by Whorl. Motion carried.

Finance Committee: The tax collectors report was read by Whorl, chairman of this committee showing the following taxes collected:

Total Amount of 1962 Tax Duplicate Outstanding July 1, 1962		$7,356.60
Collected from 7-1-62 to 7-31-62		
Property	$1028.70	
Occupational	80.55	
Per Capita	355.00	1,464.25
Total 1962 Tax Duplicate Outstanding July 31, 1962		$5,892.35

Delinquent Taxes for 1961 collected to the amount of $6.44

Highway Committee: Gladfelter, chairman of this committee reported that all of the patch work had been completed, and the remainder of the street work would be started as soon as council decides where to start.
Leckrone and Murphy residents of Dewey Avenue were present at the meeting in regards to the condition of this street. They stated that to there knowledge there had never been any major work done on the street. They also reported that residents of this street have a water condition in their cellars, especially after heavy rains, which they feel is caused directly by the structure of the street. They further stated it had been brought to the attention of council several times and nothing has been done. They were informed that council is full aware of the condition of the street but lack of funds prevented doing any mayor repairing. President Everhart stated however the street had been inspected and in view of the fact that this street had been included in the program for this year he assured these residents the street would be repaired. Council decided to continue the street program as originally planned, that is, the resurfacing of 6th, 8th, 9th and 10th avenues starting with 6th. and 10th. avenues. Weigle informed council bids will have to be submitted for the work to be done on Dewey Ave. He was instructed to draw up specifications and advertise for these bids. It was decided to hold a special meeting, Friday, August 24th. at 9:00 o'clock to open these bids and award the contract for this work.
Council instructed the highway committee to have the gutter on the south side of Dewey Avenue cleaned out.

Fire & Safety Committee: No report.

Police Committee: Solicitor Beers presented two ordinances he had been instructed to draw up. They were read by the secretary.
The first ordinance was relative to the parking of any automobile on the borough streets for a period exceeding forty-eight (48) hours without a current license plate or inspection sticker on it; or being unable to operate it under its own power; and the penalties involved for not obeying this ordinance. Whorl moved the ordinance be adopted. Gordon seconded the motion. Motion carried.
The second ordinance was relative to the necessity to purchase a license for all bicycles used on the borough streets, also making it necessary to register all bicycles either bought or sold in the borough to the mayor giving name, date, serial number of bicycle and license number; and also providing for fines imposed on anyone not obeying thisordinance. Gladfelter moved and Gordon seconded that this ordinance be adopted. Motion carried.
The ordinances will be advertised and then put into effect.

Sanitation Committee: Gordon chairman of this committee stated he had received a call from the residents of 1409-11 N. Court Ave. regarding the sanitary sewer being clogged up causing water to back up into their cellars and drains. He stated he had a call from these residents before and found that the sewage was not being taken away fast enough. He reported that the fire company had flushed out the lines relieving this situation. Weigle stated also this particular portion of the sewer was at the end of the line and there were not enough people using it. Gordon suggested that a periodic check be made on all the sewer lines and have them flushed out several times a year. He further stated the necessity of the borough to have the proper apparatus to open sewer lines. The committee was instructed arrive at some solution regarding this periodic check on the sewer lines.

Council again reported that they have received complaints regarding the unsanitary condition surrounding Alcorns Garage on N. Duke St. The mayor was instructed to write Mr. Allcorn instructing him to have this place cleaned up.

Engineer Weigle was instructed to check into the progress being made by the Industrial Electric Co., in the relocating of the sanitary sewer pumps.

Light Committee: No report.

The secretary presented Mayor Gladfelters report which showed that $16.00 had been collected in fines, and $59.75 collected in permits, from his office, during the month.

Whorl moved that an order be granted for the payment of the bills subject to a final audit. Wood seconded the motion. Motion carried.

Whorl moved that the meeting be adjourned. Gordon seconded the motion. Motion carried.

The meeting was adjourned to meet in a special meeting Friday August 24th. 1962 at 9:00 o'clock in the Liberty Fire Hall.

Respectfully submitted,

Samuel H. Steel

Secretary.

July 2, 1962

The regular monthly meeting of the North York Borough Council was held Monday evening, July 2nd. 1962, at 8:00 o'clock in the Liberty Fire Hall. The meeting was called to order by the president William H. Everhart. Roll call found the following to be present: Councilmen Brickner, Gordon, Gladfelter, Whorl; Mayor Gladfelter; Solicitor Beers; Engineer Weigle; Treasurer Everhart. The minutes of the previous meeting were approved on a motion by Gladfelter and a second by Gordon. Motion carried.

Finance Committee: The tax collectors report was read by the president, W. Everhart.

A delegation of residents of 3rd. Avenue were present to receive an answer to their request that Latimer St., not be closed as proposed to council by the Goodling Electric Co. Council informed them that they had not heard anything further from the Goodling Co., and they, council, had no intention at the present time to close Latimer St.

Highway Committee: Gladfelter reported that patch work at Reynolds and Court Avenues has been completed.
Weigle stated that street repairs could be started as soon as Stewart & March (Roadite Inc.) signs the contract bond. He further stated that the resurfacing work cannot be started until the contract are approved and signed by the state.
The contracts were executed by council and returned to Solicitor Beers to be forwarded to the state immediately.
The highway committee was instructed to have McFarland gather stones at the intersections in the borough.

Fire & Safety Committee: Brickner reported on the condition of the storm water inlet at 6th. Ave. and N. George St. After discussion council felt the repairs were not necessary at the present time and the issue be considered at a later time.

Police Committee: Solicitor Beers was instructed to draw up an ordinance making it necessary to license bicycles in the borough; and also an ordinance prohibiting the parking of unlicensed automobiles on the streets of the borough.

Sanitary Committee: No report. Weigle reported that work is being done on the sanitary sewer pump. Weigle was authorized to instruct the Metropolitan Edison to remove one pole and place two poles on Meade St.

The mayor report was read by the president, W. Everhart.

Whorl moved that an order be granted for the payment of all the bills subject to final audit. Gladfelter seconded the motion. Motion carried.

Gordon moved that the meeting be adjourned. Brickner seconded the motion. Motion carried.

Respectfully submitted,

Paul H. Everhart.
Acting Secretary.

June 18, 1962

A special meeting of North York Borough Council was held Monday evening, June 18th., at 8:00 o'clock in the Liberty Fire Hall. The meeting was called to order by the president William H. Everhart. Roll call found the following councilmen to be present: Whorl, Brickner, Gladfelter, Gordon; Mayor Gladfelter and Secretary Shettel.

The purpose of the meeting being held was to receive and open bids as advertised for the general repairing of the borough streets.

Prior to the opening of the bids the residents of E. 3rd. Ave., were recognized by the president. Mr. Gibbs spokesman for the residents stated that they would like to go on record as opposing the closing of Latimer St., as suggested by the Goodling Electric Co. These residents were assured by council that they, council, would investigate the matter and probably have some answer after the next regular meeting of council. They further stated that the planning board had recommended to council that the only way they would consent to abandon Latimer St., was to have N. Duke St., open to 2nd. avenue and still maintain a second outlet southwardly from the borough. Council also stated they were expecting a representative of the Goodling Electric Co., to be at the next meeting.

Following this the streets bids as received were opened. The following bids were read:

Frank H. Scholl Jr.	Item 1 -	6300 sq. yds. machine placing and rolling 2" thick ID-2 at $1.30 per sq. yd.	$8190.00
	Item 2 -	For furnishing, placing and rolling ID-2 material - 300 Ton 15.00 per ton.	4500.00
	Item 3 -	Cleaning, grading and paving with 1.4 gal. per sq. yd. cut back asphalt 6000 sq. yds at .80 per sq. yd.	4800.00
	Total aggregate bid		$17490.00
Roadite Inc.	Item #1	1.23 per sq. yd	$7749.00
	Item #2	16.00 per ton	4800.00
	Item #3	.60 per sq. yd.	3960.00
	Total aggregate bid		$16509.00

Following discussion of the bids received Whorl moved that the lowest bid of the Roadite Inc., be accepted. Brickner seconded the motion. Motion carried.

The secretary was instructed to notify the solicitor and have the necessary contracts drawn up immediately so that the work could be started as soon as possible.

Brickner moved that the meeting be adjourned. Whorl seconded the motion. Motion carried.

Respectfully submitted,

Samuel H. Shettel

Secretary.

June 4, 1962

The regular meeting of the North York Borough Council was held Monday evening, June 4, 1962, at 8:00 o'clock in the Liberty Fire Hall. The meeting was called to order by the president, William H. Everhart. Roll call found the following to be present: Councilmen Gladfelter, Wood, Whorl, Chantiles, Gordon, Brickner; Solicitor Beers; Engineer Weigle; Mayor Gladfelter; Treasurer Everhart and Secretary Shettel. The minutes of the previous meeting were approved on a motion by Gordon and a second by Brickner. Motion carried.

Finance Committee: Whorl, chairman of this committee read the Tax Collectors report which showed that $30.60 had been collected in 1961 taxes; and $6697.35 collected in 1962 taxes.

Highway Committee: Gladfelter, chairman of this committee reported that crusher waste had been placed on the alley at the rear of Columbia Ave.
The question of the general repairing of the streets was discussed. The secretary stated that the special meeting which had been called for the 28th. of May had to be posponed due to the fact that the engineer had not received wage rate schedules from the Department of Labor and Industry. He further stated that the work involved in obtaining these had been going on for four weeks. He further stated that he was sure they would be received this week. President Everhart stated that this program was so necessary that he felt that council should go ahead and advertise for bids and have the contractors make up their bids accordingly. Council agreed to do this and the secretary was instructed to advertise for these bids and that they would be opened at a special meeting of council to be held Monday evening June 18th. at 8:00 o'clock. This action was taken on a motion by Gladfelter and a second by Wood. Motion carried.
Gladfelter stated that he felt it was necessary to have some persons follow up on the general repair work at all times, that is to check weight slips of materials brought into the borough and generally oversee the work so that the contractor lives up to the terms of the contract. Council was ask to obtain the names of likely candidates for this position.
The committee reported that the storm water sewer at the corner of 7th. Ave. and N. Court Ave., is open and working properly.
It was reported that there is an extremely bad spot at Reynolds Ave., and N. Court Ave. This to be checked and repaired.
Gladfelter reported that he felt that the storm water sewer at E. 6th. Ave. and N. George St. was not adequately guarded and could be dangerous to the point of a small child falling into it. This is to be investigated.
The painting of the curbs was also discussed by council. This work is to be done.

Police Committee: Brickner reported that he had received complaints regarding go-cart racing being done on the Wilson Elementary School ground. Council felt that this would be the problem of the Central School District but Brickner was asked to check into this and if was not stopped then the school district would be contacted.
The ordinance regarding the licensing of bicycles was again discussed. Gordon moved and Wood seconded that Solicitor Beers draw up such an ordinance for adoption. Motion carried.
The ordinance regarding the parking of unlicensed cars and cars without the proper inspection stickers, on the borough streets, was discussed. This is to be held over until the next regular meeting.
It was reported that there are cars parked in the alley at the west end of Eighth avenue between 8th and 9th avenues. This is to be checked into and reported at the next meeting.

Fire & Safety Committee: No report.

Sanitation Committee: Engineer Weigle reported that he had received a bid from the Industrial Electric Co., to remove the electric pump and replaceit above ground and in the garage. He stated this would include repairing the pump and putting it

into first class condition. He stated this to include the necessary repairs to have the pump operating on an alternate cycle. The pump heretofore had not been operating in this manner. He stated the price for these repairs and alterations would be $4700.00. Council instructed Engineer Weigle to go ahead and have this work done in as much as it was decided to do it several months ago.

Light Committee: No report.

The secretary read a letter from the Planning & Zoning Commission regarding the request of the Goodling Electric Co., to abandon a portion of Latimer St. Goodling Electric Co., stated in a letter to council that in as much as they own property on both sides of this portion of Latimer St., they would like to obtain title to it to enable them to expand their plant and secure more parking space for their company. The letter from the commission stated that they would go along with the Goodling Electric Co., only if the existing Duke Street proposed be extended to Second Avenue, rather than Third Avenue as outlined in the Borough Map. After a discussion on the matter the secretary was instructed to write the Goodling Electric Co., stating the commissions recommendations and also stating they, council, would welcome meeting with representative of the Goodling Co., to arrive at a mutual agreement by all parties concerned.

Whorl moved that an order be granted for the payment of all of the bills subject to final audit. Gordon seconded the motion. Motion carried.

Gordon moved and Gladfelter seconded that the meeting be adjourned. Motion carried.

Respectfully submitted,

Samuel H. Shettel

Secretary.

May 7, 1962.

The regular monthly meeting of the North York Borough Council was held Monday evening, May 7th. 1962, at 8:00 o'clock in the Liberty Fire Hall. The meeting was called to order by the president William H. Everhart. Roll call found the following to be present: Councilmen Whorl, Gordon, Gladfelter, Chantiles, Wood, Brickner; Engineer Weigle; Solicitor Beers; Mayor Gladfelter; Treasurer Everhart, and Secretary Shettel. Councilman Brickner left the meeting with the permission of President Everhart. The minutes of the previous meeting were approved on a motion by Gordon and a second by Whorl. Motion carried.

Finance Committee: Whorl, chairman of this committee presented the tax collectors report. This showed that $442.85 had been collected in 1961 taxes; and $5,240.89 collected in 1962 taxes.
The list of exonerations from borough taxes prepared by Tax Collector Haines was presented to council. Following examination of this list Whorl moved that those individuals listed by the collector be exonerated from paying borough taxes. Chantiles seconded the motion. Motion carried.
Chantiles moved that council pay the current due note of $2000.00 plus interest to the York Bank & Trust Co. Whorl seconded the motion. Motion carried.

Highway Committee: Gladfelter, chairman of this committee reported that council with the borough engineer had made a survey of the borough to determine the amount of resurfacing and patch work needed to be done to complete the general street repairing program for the year. The committee recommended that 6th, 8th, 9th and 10th. avenues from N. George St. to N. Duke St., be resurfaced, plus patch work on the other streets wherever needed. The type of materials to be used was also discussed. It was suggested that ID material be used for the resurfacing work, HE material for patchwork and AT possibly for the alleys. It was further stated that the resurfacing work on the above four avenues would cost approximately $1600.00 for each avenue.
Engineer Weigle was instructed to draw up specifications for the above work using the above mentioned materials. The secretary was instructed to advertise for bids. It was further decided to open these bids at a special meeting to be held Monday evening May 28th. at 8:00 o'clock at the Liberty Fire Hall.
The committee further reported that the locks have been changed on the garage doors.

Fire & Safety Committee: Mayor Gladfelter reported that he had contacted Mr. Kauffman at 954 N. George St., regarding the condition of hisproperty. He stated that Kauffman had done some cleaning up in the yards. He further stated that the open excavations at N. George St., and E. 9th. Ave., are being filled in.

Police Committee: Chantiles, chairman of this committee reported that a new type yellow paint had been ordered and received and the curb lines would be painted in the very near future. Permission was asked by the Moravian Home at the corner of N. George St. and W. 9th. Ave., to have a yellow line painted at the curb on the W. 9th. Ave. side of the home. This was ask in order that the elderly residents can more conveniently get into cars when they are taken to and from the home. They stated that whenever this space was needed it was parked with cars. The committee to check into this.
The committee was instructed to contact the state department of highways regarding the painting of lines thru the borough.
Mayor Gladfelter suggested to council that they consider adopting an ordinance licensing bicycles. He stated that those licensed would not mean any revenue for the borough but it would make it much easier to trace any bicycles that might be stolen or lost.
He further stated he had received several complaints regarding cars being parked in the borough without the properlicense or inspection sticker. He said that at present there is no ordinance covering this and thought that council should consider passing such an ordinance.

It was decided that council would check into the bicycle license ordinance and also check our present nuisance ordinance to see if the parking of unlicensed cars might be incorporated in it.

A suggested text of an ordinance to eliminate cruelties attendant upon traffic in baby chicks, ducklings, goslings and rabbits as pets, was read by the president. It was received from the York County S. P. C. A., asking borough council to consider the passage of same. Council deferred this until a future date.

Sanitation Committee: Gordon, chairman of this committee was asked by council to again check into the placing of the electric pump from its present location to the surface of the ground. He was also ask to check into a situation created by Robert Hoke, Plumber, regarding work on the sanitary sewer in the borough.
It was reported that the new construction of the sanitary sewer line at the Lloyd Kauffman development has been completed.
The committee was instructed to again check the storm water sewer at E. 7th. Ave., and N. Court Ave., again, and if there is absolutely no outlet to have it closed off permanently.

Light Committee: No report.

A resolution from the Pennsylvania Boroughs Association was read by the secretary. This pertained to the opposing of Act 442 pertaining to mandatory wages for public works contracts, which was passed by the legislature in the 1961 session.
This resolution was thoroughly discussed by council and finally passed by the following vote: Yes - Chantiles, Gordon, Gladfelter, Wood. No - Whorl.

President Everhart reported that the following persons are at present serving on the Planning & Zoning Commission:

Richard Morris, Chairman	1 year
Walter O. Wineholt, Vice Chairman	2 years
Donald Lease, Secretary	3 years
Richard Baylor	4 years
Ralph Letendre	5 years

The following are service as members of the Board of Appeals:

Walter O. Wineholt

April 2, 1962.

The regular monthly meeting of the North York Borough Council was held Monday evening, April 2, 1962, at 8:00 o'clock in the Liberty Fire Hall. The meeting was called to order by the president, William H. Everhart. Roll call found the following councilmen to be present: Whorl, Wood, Gladfelter, Gordon, Brickner, Chantiles; Engineer Weigle, Mayor Gladfelter, Treasurer Everhart and Secretary Shettel. Whorl moved that the minutes of the previous meeting be approved. Gordon seconded the motion. Motion carried.

The committee appointed by the president to obtain members to fill the vacancies now existing in the Planning Commission reported that they would like to submit the names of Richard Baylor and Ralph Letendre for these positions. Wood moved that Richard Baylor and Ralph Letendre respectively be appointed as members of the Planning Commission. Whorl seconded the motion. Motion carried.
President Everhart stated that the commission would meet as soon as possible for the purpose of organizing and appointing the necessary officers, which would include a zoning officer.

Finance Committee: The tax collectors report was read by Whorl. This report showed that 1961 taxes to the amount of $221.21, and 1960 taxes to the amount of $5.88 had been collected during the month.
Whorl moved that a resolution be passed authorizing the president and secretary to negotiate the necessary papers to borrow the sum of $2000.00 from the York Bank and Trust Co., on a short term note, to be used for current expenses. Wood seconded the motion. Motion carried.

Highway Committee: Gladfelter stated that stones had been placed on the two alleys as recommended at the last meeting. He stated that the storm water sewers had been cleaned out by Paul Lauer. It was reported that holes on 7th, 8th. and 9th. Avenues had been filled in. He further stated that the locks on the garage doors would be changed.

It was reported that West York Borough had been contacted regarding the use of their street sweeper on a rental basis in order that the streets in the borough could be cleaned. The cost of renting this sweeper would be $12.00 per hour with an operator, and that the job could be done in just a few hours. Following a discussion Whorl moved that the highway committee be authorized to obtain this sweeper and have North George St., and North Duke St., cleaned. Gordon seconded the motion. Motion carried.

Officer Geisler was instructed to check the condition of cars being parked on the north side of 2nd. Avenue, on the yellow line.

It was decided that the Highway Committee with the borough engineer would make a survey of the borough to determine the extent of street repairing needed this year.

Emerson Portner, chairman of the Greater York Regional Refuse Authority, and the representative of North York Borough on this authority spoke and brought council up to date on the progress of the authority. He stated that at present the authority was at a stanstill. He stated that the progress which had been made regarding the obtaining of a landfill site has always been stopped by legal action. He stated that if the authority hoped to function they needed the continued cooperation of all borough and township supervisors concerned. Council stated that they would go along with this authority and give their fullest cooperation. Portner also requested that council obtain a person to replace him as the representative of North York Borough. Council to check into this.

Fire & Safety Committee: Brickner, chairman of this committee reported that he had investigated the properties around the Leppo property on North George St. This was requested to be done by Mr. Leppo at our last meeting. Brickner stated that the yards around Leppo's property definitely were in need of a general clean up. He stated that a bannister in the rear of one of these properties was completely gone, and that there were children living in this house. He stated that the wiring on the

outside of the house was in a very hazardous condition. Mayor Gladfelter was ask to write Mr. Kauffman, owner of the properties regarding cleaning them up. He was also ask to contact the Metropolitan Edison Co., regarding the wiring. Solicitor Beers will be contacted regarding the old refrigerators which are standing outside of these properties.

It was further stated that the owners of the properties on N. George St., and E. 9th. Ave., where there are open excavations have been contacted regarding filling these and removing a very hazardous condition. The owners of these properties stated this would be done as soon as possible.

Police Committee: Chantiles reported that all street signs have been placed where necessary. He further stated that yellow curb lines will be painted. It was stated that the radio in the police car has been repaired as recommended.

Sanitation Committee: Whorl moved that the bill of James Favino, amounting to $5958.77, and representing 90% of the bid for the new sanitary sewer construction on the Kauffman Development be paid. Gladfelter seconded the motion. Motion carried. This bill was presented and approved by Borough Engineer Weigle. Council is still holding 10% of the bid price until completion of the job.
It was recommended that the sewer line at the manhole at 5th. and Elk Avenues be checked. This to be done.

Chantiles moved and Gordon seconded that an order be granted for the payment of all of the bills, subject to final audit. Motion carried.

Chantiles moved and Gladfelter seconded that the meeting be adjourned. Motion carried.

Respectfully submitted,

[illegible] to be a true and correct copy.

Secretary.

March 5, 1962.

The regular monthly meeting of the North York Borough Council was held Monday evening, March 5, 1962, at 8:00 o'clock in the Liberty Fire Hall. The meeting was called to order by the president William H. Everhart. Roll call found the following councilmen to be present: Whorl, Wood, Gladfelter, Brickner; Mayor Gladfelter, Engineer Weigle, Treasurer Everhart and Secretary Shettel. The minutes of the previous meeting were approved on a motion by Whorl and a second by Gladfelter. Motion carried.

Finance Committee: The tax collectors report showed that $191.51 had been collected in 1961 taxes during the month. The secretary reported that $682.88 our appropriation from the York County Liquid Fuel Fund would be received this week. It was further reported $650.00 liquor license had been received.

Highway Committee: A report was again given regarding the storm water sewer at the intersection of 7th. Ave. and N. Court Ave. It was suggested that a different type of grating be placed on the sewer to relieve this situation. Gladfelter reported he had McFarland clean grate and at present it is open.
Gladfelter reported that an inventory had been taken of the borough equipment in the garage. It was decided to have all equipment returned to the garage and then have the tumblers on the locks changed and have one person responsible for the keys.
It was further reported that the storm sewer at 6th. avenue and N. George St. needed to be cleaned out.
Engineer Weigle was instructed to check the sanitary sewer line at 5th. avenue between Pine and Elk Avenues as it is sinking in.
It was reported that cars were parking too near the intersection of N. Court Ave., and 7th. Avenue, the cars being parked on N. Court Ave. It was stated that the large trucks that needed to use this avenue found it impossible to turn the corner onto N. Court Avenue. Mayor Gladfelter suggested that a no parking zone be established between E. 6th. and E. 7th. Avenues. Following discussion it was decided to place a "no parking from here to corner" sign at this location.
Gladfelter reported that the alley at the rear of E. 10th. Ave., and an alley running north off of 5th. avenue were in need of stone. The highway committee was instructed to check into this.
It was reported that many requests have come in regarding the cleaning of the streets. It was stated that West York Borough had a sweeper and had stated they would cooperate in renting it to us. The council decided to contact West York regarding this.

Fire & Safety Committee: Officer Geisler was instructed to check into cars being parked toonear the intersection and over the yellow lines on 7th. avenue off of N. Court Ave., and also 5th. avenue near N. Duke St.
It was reported that the barrier at the open excavation on E. 9th. avenue is down. Mayor Gladfelter stated that wherever any demolishing is done and a foundation is left open it must be protected by either lanterns, fences or a cover. He further stated that not only is the property owner liable but the borough is also liable. The mayor was recommended to order all persons responsible for such openings to have them filled in or properly protected.

Light Committee: No report.

Sanitation Committee: It was reported that the sanitary sewer on N. Court Avenue hasbeen corrected. It was suggested that council ask the Liberty Fire Co., to flush the sanitary sewers periodically. A bill from Raffensberger for work done on the sanitary sewers at Sigsbee Avenue and N. Court Ave. was presented and approved for payment.

Police Committee: Whorl moved and Wood seconded that the Mayor be authorized to purchase a new law book for his use.
The committee reported that the radio in the police car was out of order. The committee stated they had access to a used radio for $75.00. Council decided to have the present radio repaired if at all possible before anything is done regarding the other radio.

Roger Leppo, a resident of 962 N. George St. was presented at the meeting complaining about the condition of the properties surrounding his property. He stated the places were cluttered with rubbish, they were in a run down condition, faulty electrical wiring. He stated he had spent a considerable amount of money to remodel his home and place of business. Council promised Mr. Leppo they would check into the situation and take whatever steps to relieve the situation.

Mayor Gladfelters report was read by the secretary. This report showed that $6.00 had been collected in fines; and $7.00 in permits, during the month.

The resignations of John Hershock and Roy Kinard as members of the Planning Commission were read by the secretary. Brickner moved and Wood seconded that the resignations be accepted with regrets and thanks. Motion carried.

The resignation of Clair Desenberg as zoning officer was read by the secretary. Brickner moved and Wood seconded that this resignation be accepted with regret and thanks. Motion carried.

President Everhart appointed Wood, Whorl and Brickner as a committee to find men to replace those who have resigned.

Whorl moved and Brickner seconded that council pass a resolution authorizing the payment of a pro rata share of the tax collectors bond. Motion carried.

Wood moved and Gladfelter seconded that an order be granted for the payment of all of the bills, subject to a final audit. Motion carried.

Wood moved and Brickner seconded that the meeting be adjourned. Motion carried.

Respectfully submitted,

The regular monthly meeting of the North York Borough Council was held Monday evening, February 5th. 1962, at 8:00 o'clock in the Liberty Fire Hall. The meeting was called to order by the president, William H. Everhart. Roll call found the following councilmen to be present: Charles Whorl, Glenn Wood, Fred Chantiles, Warren Gordon, Lloyd Gladfelter; Solicitor Beers, Engineer Weigle, Mayor Millard Gladfelter, Treasurer Everhart and Secretary Shettel. The minutes of the previous meeting were approved on a motion by Chantiles and a second by Gordon. Motion carried.

Walter A. Ross, a residentof the borough was present opposing the proposed 1962 budget. He definitely opposed the increase of borough milleage from .015 to .018 on the basis of people with fixed incomes, and that the property owners must pay more and more for the governmental independence of the borough. He further stated that now the borough residents are at a point of whether they can afford it or not. He further stated that the borough was in need of several improvements including a borough hall, or a local office for borough activities; a street cleaning program and an improved street repairing program. Council discussed this opposition stating that the increase in the tax rate was a necessity for the necessary activity of the borough. They further stated that the proposals of Mr. Ross would increase taxes. Folling further discussion Whorl moved that the proposed budget for the borough for the year 1962 be adopted. Chantiles seconded the motion. Motion carried.

Finance Committee: The tax collectors report showed that $319.17 had been collected in taxes during the month, and also $17.96 had been collected in delinquent taxes.

An ordinance fixing and levying an .018 milleage occupational and real estate tax on the residents of the borough for the year 1962 was presented. This ordinance was adopted on a motion by Whorl. It was seconded by Chantiles. Motion carried.

An ordinance re-enacting an ordinance of Feb. 7, 1955 levying a tax on Pin Ball Machines and Juke Boxes was presented. This ordinance was adopted on a motion by Whorl and a second by Chantiles. Motion carried.

An ordinance re-enacting an ordinance of March 1, 1954 levying a $5.00 per capita tax on adult residents of the borough was presented. Thisordinance was adopted on a motion by Whorl. Gladfelter seconded the motion. Motion carried.

An ordinance appropriating $1000.00 to the Liberty Fire Co. #1 for the purchase of fire apparatus, fire supplies, etc., was presented. This ordinance was adopted on a motion by Whorl and a second by Gordon. Motion carried.

Sanitary Committee: It was reported by the committee that the storm water sewer at the intersection of 7th. avenue and N. Court avenue is open and that follows a course north on court avenue.

It was reported that a plumber had been contacted regarding the clogged up sewer at the Sauerwald home on E. 10th. Ave. They further stated they had no further complaints and trust that everything is satisfactory.

At this times bids from contractors for the extension of the sanitary sewer on land being developed by Mr. Lloyd Kauffman, between 6th. Ave. and Meade St., were opened. The following bids were received:

James Favino, Red Lion	$5891.60
West York Construction Co.	8758.50
Utility Contractors	8077.30
Hanover Construction Co.	6564.96
Emrich Construction Co.	8204.68
Henry McFall	7547.04

Gordon moved that the bid presented by James Favino be accepted as the lowest bidder. The motion was seconded by Wood. Motion carried.

A plan of lots owned by Lloyd Z. Kauffman set out for single family dwellings and drawn up by Engineer Weigle was presented to council for approval. Whorl moved that this plan be approved by council subject to final approval of the planning commission. Chantiles seconded the motion. Motion carried.

Highway Committee: A discussion regarding the cleaning of the streets was held.

Fire & Safety Committee: This committee heard complaints regarding the unsanitary condition of the back yard of a home on Laurel St. This to be checked and action taken to remedy this situation.

Police Committee: Chantiles moved and Gladfelter seconded that new tires be purchased for the police car.

It was recommended by this committee that stop signs be placed at the intersections of W. 10th. Ave. and N. George St., and also Olympia Ave. & N. George St. The committee to check into this and report to council.

It was also decided to replace various signs in the borough that have been damaged.

A recommendation was made that the lock on the garage be changed and that one member of the highway committee be responsible for this. Gladfelter and Mayor Gladfelter were instructed to take an inventory of the equipment in the garage at present.

Chantiles moved and Gordon seconded that council provide an extension telephone in the home of Mayor Gladfelter. Motion carried.

Mayor Gladfelters report showed that $9.00 had been collected in fines; and $20.00 in permits, during the month.

Chantiles moved that an order be granted for the payment of all the bills, subject to final audit. Wood seconded the motion. Motion carried.

Chantiles moved that the meeting be adjourned. Gordon seconded the motion. Motion carried.

Mayor Gladfelter requested council to furnish him with an extension telephone in his home. This issue was turned over to the police committee for further consideration.

William Flickinger Jr., was appointed as a special officer for police duty in the the borough on a motion by Chantiles. Gordon seconded the motion. Motion carried.

Highway Committee: An ordinance was presented to council vacating that portion of Pine St. from Meade St. to 6th. Ave. This was adopted on a motion by Chantiles and a second by Whorl. Motion carried.

A Deed of Dedication was presented to council from Lloyd & Mary Kauffman for consideration of council. This deed of dedication is for land as described in the dedication as placed on file. This will allow for Elk Alley being increased to a 40' street. Chantilesmoved that council accept this dedication of land by resolution. Brickner seconded the motion. Motion carried.

Sanitation Committee: It was reported that the sanitary sewer at the property of Robert Sauerwald on E. 10th. Ave. is clogged up. It was reported that it has been opened temporarily but the sanitation committee to investigate and have this corrected.

It was reported that residents of Dewey avenue were complaining of water coming into their cellars. They stated that this condition is caused by the street not having been constructed properly. They stated the slope of the street is such that it directs the water towards their homes. The highway committee was asked to check into this and present their recommendations at the next council meeting.

Fire & Safety Committee: No report.

Light Committee: No report.

Engineer Weigle reported that Mr. McIntire of the Yoeman Pump Co., is at present working with the Industrial Electric Co., on the sanitary sewer pump. This work is being done so that it operates on an alternating system. He also stated the pump will be placed on the ground level.

Mayor Desenbergs report showed that $21.00 had been collected in permits, and $8.00 in fines at his office during the month of December.

The highway committee was instructed to check the sanitary storm sewer at 7th. ave. and N. Court. If this storm sewer is not active it should be filled up or it will damage the surface of the newly constructed surface on 7th. Ave.

Whorl moved that an order be granted to pay all the bills, subject to final audit. Chantiles seconded the motion. Motion carried.

Chantiles moved that the meeting be adjourned. Whorl seconded the motion. Motion carried.

The reorganization meeting of the North York Borough Council was held Monday evening, January 8th. 1962, at 8:00, in the Liberty Fire Hall. The meeting was called to order by the newly elected Mayor Millard C. Gladfelter, who had been sworn into office previously by former Mayor Desenberg.

The following newly elected members of borough council were sworn into office by Mayor Gladfelter: Glenn Wood, Charles Whorl, William H. Everhart and Fred J. Chantiles.

The election of officers was then conducted by Mayor Gladfelter.
Whorl nominated William H. Everhart for president, Gladfelter seconded the nomination.
Whorl moved to close the nomination and Gladfelter seconded. Motion carried.
Chantiles nominated Warren Gordon as Vice President, Whorl seconded the nomination.
Gladfelter moved the nomination be closed and Brickner seconded. Motion carried.
Whorl nominated Samuel H. Shettel as Secretary, Gladfelter seconded the nomination.
Everhart moved to close the nomination and Gladfelter seconded. Motion carried.
Chantiles nominated Robert O. Beers as Borough Solicitor, Brickner seconded the nomination.
Everhart moved to close the nomination and Whorl seconded. Motion carried.
Chantiles nominated William Weigle as Borough Engineer, Gordon seconded the nomination.
Whorl moved to close the nomination and Gordon seconded. Motion carried.
Everhart nominated Paul H. Everhart as Treasurer, Chantiles seconded the nomination.
Gordon moved to close the nomination and Chantiles seconded. Motion carried.

Chantiles moved and Whorl seconded that the secretary cast the ballot for these newly elected officers. Motion carried.

The meeting was then turned over to President Everhart. The minutes of the previous meeting were approved on a motion by Chantiles and a second by Whorl. Motion carried.

Finance Committee: The tax collectors report was read by Whorl and showed that $513.18 had been collected in taxes during the month. The proposed borough budget for 1962 was read by Everhart. Discussion was held regarding the recommendation of the finance committee to increase the borough tax milleage rate to .018 and also establish a mercantile and business privilege tax. Solicitor Beers stated that he felt it might be very costly for the amount of revenue that would be derived from it. He stated it would be necessary to publish an intent to establish this tax and this would have to be done for three weeks. Then it would be necessary to publish the ordinance which would be very lengthy and costly. He stated he thought the first step to take would be to try to make a survey of the borough of the persons that would be effected by the tax and try to determine the amount of business done by each one and the amount of tax that would be collected. He stated that to his knowledge this has not been done. He further stated that the matter of printing forms and the appointing of a reliable person to collect such a tax would have to be considered. He also stated that this tax could be established at any time if council sees fit to do so.

Whorl moved that action on the establishing of a mercantile and business privilege tax be deferred for further study and consideration, and that the milleage rate of borough taxes for the year 1962 be set at .018 mills. Gordon seconded the motion. Motion carried.

Whorl moved that the proposed budget for the year 1962 be approved and that notice of its approval be published and be open for inspection. Chantiles seconded the motion. Motion carried.

Whorl moved that the secretary and president be authorized to negotiate the borrowing of $2000.00 to be used for general purposes. Chantiles seconded the motion. Motion carried.

Police Committee: $25.00 was reported collected in fines from JP Emerson Portner; $20.00 from JP George F. Snyder, and $8.00 from the Mayors office.
