November 1, 1965

The monthly meeting of the North York Borough Council was held Monday evening, November 1st. 1965, at 8:00 o'clock in the Liberty Fire Hall. The meeting was called to order by the president William H. Everhart. Roll call found the following to be present: Councilmen Gladfelter, Chantiles, Whorl, Donaven, Schmid, Bessler; Mayor Ross, Treasurer Everhart and Secretary Shettel. The minutes of the previous meeting were accepted on a motion by Chantiles and a second by Schmid. Motion carried.

Finance Committee: It was reported that $225.77 had been collected in 1965 taxes and $12.87 in 1964 taxes during the month.

Discussion was held regarding the advertising of an intent to establish an Earned Income Tax for the year 1966.
Whorl reported on a meeting called by the York Area Income Tax Bureau. This meeting was called to review the present form of collecting this tax and the possibility of arriving at a more efficient way of collection and one that would require less detail. The bureau stated this was necessary because of the increased number of municipalities joining this collection agency and to eliminate the increase of personel needed to use the present way of collection.
It was stated the present withholding of the tax by the employer would still be on a quarterly basis, but those persons not having their tax withheld would pay only once a year, but that those wishing to pay quarterly could do so by using a proposed coupon book

Discussion was held by council regarding the taxing of residents and non residents. Chantiles moved that when the intent was advertised it be made to include both residents and non residents from Jan. 1, 1966 to Dec. 31, 1966. Schmid seconded the motion Motion carried.

Whorl reported on the police pension fund as discussed by Morgan Brenner. He stated that under the Internal Revenue Service the pension would be limited to 50% of the employees salary. Also that the officerbe put on social security, and that a resolution would have to be passed regarding this and also a trust agreement drawn up.
Solicitor Beers to have such a resolution and trust agreement drawn up for action at the next meeting.

Highway Committee: Gladfelter reported that work was being done on the storm water sewers.

Fire & Safety Committee: None

Sanitation Committee: A bill was received from Jason Richcrick for work done on his sewer line. Donaven to check to see if it is the borough responsibility to pay this bill.
One garbage bid was received from Paul P. Lauer to the amount of $9120.00. This bid was deferred until the next meeting at which time action will be taken. This was held up because council felt the bid was axcessive.
