December 29, 1969

A special meeting of the North York Borough Council was held Monday evening, December 29, 1969 at 7:30 o'clock in the borough hall. The meeting was called to order by the President William H. Everhart. Roll call found the following to be present: Councilmen Whorl, Richcrick, Schmid, Callahan, Gibbs, Rife; Mayor Keener and Secretary Shettel.

The purpose of the meeting was to make final adoption of the proposed Borough Budget for the year 1970. A motion was made by Whorl that the proposed budget for the year 1970 be adopted. The motion was seconded by Rife. Motion carried.

Following this the question of a proposed ice skating rink being installed on the Lloyd Z. Kauffman Playground was discussed. A letter from Mr. Robert Wolfgang II a member of the North York Lions Club was read. This letter stated that the club had authorized him to request permission from borough council for the construction of this rink. The letter further stated that this would be a complete project of the Lions Club and that any proceeds realized would be used for recreation within the borough. Schmid moved that the North York Lions Club be granted permission to install an ice skating rink on the Lloyd Z. Kauffman Playground. Callahan seconded the motion. Motion carried.

Schmid moved that the meeting be adjourned. Gibbs seconded the motion. Motion carried.

Respectfully submitted,

Samuel H Shettel

Secretary.

December 1, 1969

The regular monthly meeting of the North York Borough Council was held Monday evening, December 1, 1969 at 8:00 o'clock in the borough hall. The meeting was called to order by the Vice President Charles Whorl. Roll call found the following present: Councilmen Rife, Schmid, Whorl, Rife; Mayor Keener; Engineer Weigle; Solicitor Beers; Secretary Shettel. Rife moved that the minutes of the previous regular meeting and also of the two special meetings held be accepted. Schmid seconded the motion. Motion carried.

Highway Committee

The final invoice from Denton Fitz Inc., Contractor, for the general repairing of the streets was presented to council. This invoice was for the amount of $1360.75. This invoice brings the cost of street repairing to $8753.39.

Discussion was held regarding the signal light at 7th. Ave., and N. George St. It was stated that the green light at W. 7th. Ave., does not operate on deflector. It was thought that this may be caused by cars parking too close to intersection. Schmid moved that the present sign and yellow line be moved approximately 10' from the present line on a trial basis to see if this will allow light to function better. Rife seconded the motion. Motion carried.

Discussion was held regarding the possibility of putting a traffic count on E. 6th. Avenue to determine the amount of traffic on this street and the possibility of making it a two way street. It was decided to have a counter placed on this street.
Mayor Keener stated that he had sent Mr. Dunn of the York County Planning Commission a map of the present bus stops in the borough. He stated the Bus Company will be contacted regarding changing these stops to make them more uniform and convenient.

Discussion was held regarding the changing of the radius of the curbing at E. 7th. Ave., and N. Goerge St. Engineer Weigle stated he had contacted Metropolitan Edison Co., regarding the pole at the north-east corner. He stated the Metropolitan frowns on moving this pole. He stated it would need two poles to accomodate the wiring and these would be installed at the expense of the borough and could be expensive.
He stated that there is a fire hydrant on the south east corner and the York Water Company would only move this at the expense of the borough. Weigle to check further into the issue.

Public Safety Committee

The police report was read by Councilman Schmid.

It was reported that the new street lights requested have been installed. One at the corner of Laurel and N. George St., and the other at the Central High School on E. 7th. Ave.

The Mayor stated that he would like permission to purchase two new winter tires for the police car. Schmid moved that two winter tires, with studs, be purchased. Richcrick seconded the motion. Motion carried.

It was decided to make a check on the keys to the garage to see how many we may have and who may have them.

It was reported that new street markers have been ordered but have not been received as yet.
It was reported that a truck sign at N. George St., and E. 9th. Ave., has been removed. This to be checked
It was reported that a freezer type chest is on the rear porch of the

Silver Dollar Cafe. This chest is unlocked. Mayor Keener was asked to check into this.

Sanitation Committee

It was reported that the storm water sewers on both the north and south side of N. George Street are cracked completely across the top. Weigle stated that when they were installed he is sure this possibility was taken into consideration.

It was also reported that both of these are filled with debris. Council decided to contact Mr. Paul Lauer regarding the cleaning of these sewers.

It was reported that the sanitary sewer at 1045-1049 N. Duke St., and in the 1000 block of N. Duke St, were repaired. The one called for opening house drain and the other called for opening sewer. It was decided to hold these bills until Engineer Weigle can clearify as to the responsibility of them.

Mayor Keener reported that he had received a call from a resident that children were playing around storm water sewers at 8th. Ave. and N. George St. He stated that he had guards placed at both these sewers. He further stated they were just long enough to prevent a child from falling into the sewer.

Finance Committee

The financial report was read by Councilman Whorl. This report showed that $391.53 was collected in 1969 taxes.

It was reported that $3627.80 (17% of 1969 budget) and $109.71 in 1968 Delinquent taxes had been received from the York County Earned Income Tax Bureau.

The Liberty Fire Company presented a letter to borough council from the York County Commissioners asking to sign an agreement to install and maintain at the sole cost and expense of the County of York, a Multiple Decoder and Associated Antenna and Transmission Line, in the borough hall, the same to be used in connection with the Public Safety Communications Network of the County of York. Schmid moved that borough council sign this agreement. Rife seconded the motion. Motion carried.

It was recommended that council draw up a contract to be signed by Frank Schroll for the removal of snow. This to incorporate removal times and costs. The secretary to do this.

The question was raised by Councilman Richcrick as to the required amount of parking spaced at the Jehovah's Witnesses church at Elk Ave. and E. 6th. Ave. Mayor stated that one parking place is required for every 15 seats, plus one extra place. He stated they have purchased land to increase their parking. He further stated that at the present time there are two congregations worshipping in this church. When this is discontinued there will be more parking available.

Councilman Richcrick discussed the possibility of people doing repair work at the properties without the necessary permit. He suggested that council cooperate in every way in seeing that the necessary permits are lifted.

Discussion was held regarding the conditionof the garage at the rear of 946 N. George St. It was reported that this building is in a very bad condition. It was further stated that a petition had been received from the residents requesting that this building be demolished. It was reported that the owner had been contacted and he refused to have it demolished.

It was suggested that the Middle District Fire Underwriters be asked to check the amount of equipment needed by a fire company in a borough the size of North York. It eas further stated that the time may come when the old apparatus may become disabled. This to be followed up.

Mayor Keener was instructed to replace barriers that were removed at the east end of 5th. Avenue. Engineer Weigle also to be contacted regarding holes in 5th. Ave., caused by the Columbia Gas Company of Penna.

It was reported that the North York Lions Club were checking prices of trash containers to be placed around the borough.

A letter was read from the Greater York Task Force requesting that North York Borough submit names of three people to act as representatives on this force. The three persons to serve on the following committees: Communications, Consolidation and Records Keeping. The names of Melvin Rife, Walter Ross and Ray Rife are to be submitted by Mayor Keener.

Mayor Keener recommended to council that the P. O. S of A. Lodge be relieved of paying rent for their meeting room in the borough hall. This is to be considered further.

It was reported that the American Flag for the borough hall has not been received as yet.

A letter from the York City ~~District~~ School District regarding our request for an option on the property we are at present leasing from them, south of 5th. Ave. They stated they are not doing anything with this property at present and if they would sell it it had to be done by action.

Schmid moved that an order be granted for the paying of all bills subject to final audit. Rife seconded the motion. Motion carried.

Schmid moved that the meeting be adjourned. Rife seconded the motion. Motion carried.

A special meeting is called for Monday evening, December29th., at 7:30, for the purpose of adopting the 1970 budget.

Respectfully submitted,

Samuel N. Shettel

Secretary.

November 24, 1969

A special meeting of the North York Borough Council was called to order by the president William H. Everhart, Monday evening, November 24, 1969. Roll call found the following to be present: Councilmen Whorl, Gibbs, Richcrick, Whorl, Mayor Keener and Secretary Shettel.

This was the second special meeting called for the purpose of preparing a budget for the year 1970.

Following the preparation of this budget Whorl moved that the proposed budget as changed be approved and presented for adoption, and this budget to include a reduction of real estate taxes to 11 mills. Richcrick seconded the motion. Motion carried.

President Everhart adjourned the meeting.

Respectfully submitted,
Samuel H. Shettel
Secretary.

Following the meeting President Everhart stated that several residents of the borough had brought his attention to the fact that there were books of chances being sold and that the prizes were to be alcholic beverages. Also that some of these chances were being sold by Chief of Police Geisler while he was in uniform. Councilmen Whorl and Richcrick also stated that they also had been advised of this. They stated that this was considered a lottery and that the borough should not be connected with anything like this. They stated the only course that can be taken is to refund the money to all those persons that had purchased any of these chances. Mayor Keener stated that he would contact legal advise and if this was illegal he would refund any money received. Whorl stated that he had contacted Solicitor Beers and was informed that this was illegal and that it was the same as selling alchol without a license.

A special meeting of North York Borough Council was called to order by the President, William H. Everhart, Monday evening, November 10th. 1969. Roll call found the following to be present: Councilmen Whorl, Richcrick, Gibbs, Rife, Schmid, Callahan; Mayor Keener and Secretary Shettel. Councilman elect Earl Kepner Jr., was also present at the meeting.

The purpose of the meeting was to prepare a budget for the year 1970. Following the completion of the budget it was found necessary to call a later meeting to make possible revisions to this budget and arrive at a budget that could be presented for adoption. The councilmen would be advised of this meeting.

A discussion was held regarding a police package to be purchased in connection with the purchase of the new police automobile. Callahan moved that the proposal for the police car include Police Package RPO-B07 plus Heavy Duty Front Seat and Disc Brakes for an additional cost of $134.85. Gibbs seconded the motion. Motion carried.

President Everhart adjourned the meeting.

Respectfully submitted,

Samuel H Shettel

Secretary.

November 3, 1969

The regular monthly meeting of the North York Borough Council was held Monday evening, November 3rd., 1969, at 8:00 o'clock in the borough hall. The meeting was called to order by the President William H. Everhart. Roll call found the following to be present: Councilmen: Schmid, Richcrick, Whorl, Callahan, Rife, Gibbs; Engineer Weigle; Mayor Charles Keener; Treasurer Everhart and Secretary Shettel. The minutes of the previous meeting were reviewed and the following additions made:

Inspection of ditch at 10th. Ave. & N. George St.
Check into sunken sidewalk at 1315 N. George St.
Condition of garbage collection at 1209 N. George St.
To check into amount of debris at Dunkin Donut Store.

Following these corrections the minutes were approved on a motion by Callahan. Rife seconded the motion. Motion carried.

Mr. R. B. Hobaugh, contractor for the signal light was present at the meeting with his Engineer Mr. Kohler. Mr. Hobaugh stated they had been called down in August to repair the light which had been caused by thunder storms. At that time the detector had to be replaced. He stated the distributor had none in stock at the time and the one that was removed had to be returned to the factory for repairs. This was received and replaced Monday Nov. 3rd. He further stated we are operating the light with electric mechanical controls against a solid state control. He further stated however that a solid state, 3 stage controller could cost as much as several thousand dollars. He stated at the present time the light is working correctly.
The question was asked about a service contract. He stated he does not sell service contracts because of the large amount of lights that he has installed.
Regarding the detector he stated it was wise for us to purchase a second detector to have on hand if it is needed. This detector would cost approximately $185.00. This could be kept right in the control box. He stated that he felt this defective detector was the trouble for all our difficulties. He stated the cut outs along the curb had been cut out and replaced. He stated he would try to find a material that will not break out. Whorl moved that council purchase an extra detector for the signal light. Richcrick seconded the motion. Motion carried.

Discussion was held regarding the replacing of the light bulbs at the signal light. Callahan stated that M. L. Dietz had equipment to do this. He was instructed to have this done by Mr. Dietz.

Highway Committee: Callahan stated that he had contacted Denton Fitz regarding snow removal in the borough and found that he would not do it. He also stated he had contacted Stewart & March Inc., and they are not taking on any new contracts.
He stated he then contacted Frank Schroll and found that Mr. Schroll would do it for the borough. The rates would be $10.00 per hour for snow pusher and man; $12.00 per hour to spread ashes with spreader and extra man. Council agreed to continue last years contract with Mr. Schroll.

Callahan was instructed to repair windows at the borough garage and also paint the door.

Discussion was held regarding the reconstruction of E. 5th. Avenue. Weigle stated he had talked with the Manchester Township Engineer and had supplied him with a map of the area. The engineer stated that he would show this to the township supervisors. It was reported that this has never been adopted by the township and they cannot do anything about it.
It was stated that Denton Fitz's man said that he felt it could be reconstructed and brought down to the proper level and the township area filled with quarry waste.
Following further discussion Richcrick moved that the reconstruction of 5th. Ave., be tabled until the 1970 street program is set up. Rife seconded the motion. The motion carried with one nay vote cast by Councilman Gibbs
Mayor Keener stated he wished to go on record as opposing the action taken by council.

Gibbs stated that since nothing is going to be done on 5th. Ave., that all of the holes be repaired and that the barrier be replaced.

Public Safety Committee: The police report for the month of October was read by Mayor Keener. This report has been placed with the minutes.
He stated that he wishes to commend the work done by the police that were on duty during the Halloween season.

At this time bids received for the purchase of an automobile for Police Department use were opened revealing the following:

Ammon R. Smith Auto Co., York, Pa.	$2246.41
Luckenbaugh Chevrolet Co., Spring Grove, Pa.	$2042.89
Emrich Chevrolet Inc., Manchester, Pa.	$2459.00

Gibbs moved to accept the lowest bid submitted by Luckenbaugh Chevrolet Co., of Spring Grove, Pa., subject to determing that all bidders have bid on the same model of automobile. Rife seconded the motion. Motion carried.

Council agreed to purchase a bar with Twin Beacon Ray Lights to be installed on the new police car. This was done on a motion by Gibbs. Callahan seconded the motion. Motion carried.

It was reported that there are several street markers in very bad condition. Council ordered that they be replaced.

Sanitation Committee: Gibbs stated that he had contacted the managers of Dunkin Donut restaurant regarding the debris at their place. He reported that he was promised that this will be policed and kept clean.

The condition of the pavement at 1315 N. George Street has been checked. Weigle stated that in checking this he feels that this is not a sewer problem.

It was reported that the North York Lions Club has been contacted regarding the replacing of trash containers in the borough. They have been told that council will be receptive up to eight containers. Council to await final action of the Lions Club.

Finance Committee: Whorl read the following financial report:

Tax Collector	1968 taxes	$5.25
	1969 taxes	$209.92
York County Earned Income Tax Bureau		$52.05
		$37.31
		$70.73

It was decided to hold a special meeting Monday, Nov. 10th., for the purpose of preparing a budget for the year 1970.

Schmid moved that the secretary be authorized to purchase a new adding machine. Gibbs seconded the motion. Motion carried.

A report of the progress and activity of the Lloyd Z. Kauffman Playground was read by Gibbs. This report has been attached to the minutes.

An additional bill for summer recreation was received. This was received from Springettsbury Township for pipe for volley ball poles used at Wilson Playground. This bill was to the amount of $6.25.
Another bill was received from the York Bus Co., covering 1/4 cost for chartered bus service used in the summer recreation program. This bill was to the amount of $197.50

Richcrick recommended that all committees be reviewed and updated by the next meeting.

It was recommended by Richcrick that we place an order for Pennsylvania Municipal Ordinance. Richcrick moved that this be done. Whorl seconded the motion. Motion carried.

Richcrick stated that according to the borough code a building such as the borough hall should display an American Flag externally. He suggested that we comply with this. This is to be done.

The financial report was read by the secretary. A motion was made by Whorl that this report be accepted subject to final audit. Rife seconded the motion. Motion carried.

A special meeting to prepare budget to be held Monday evening, Nov. 10th. 1969.

Schmid moved that the meeting be adjourned. Rife seconded the motion. Motion carried.

Respectfully submitted,

Samuel H Shittal

Secretary.

NORTH YORK RECREATION COMMITTEE

m 31 October 1969.

Subject; Monthly Recreation report.
To; N.Y. Borough Council

The month of October has been a month of accomplishments for the Lloyd Kauffman Playground. The errection of three (3) poles, the installation of a 200 amp Service, and the installation of three (3) new floodlights , which will light the northern area of the playground where most of the equipment is located.

The area was carefully gone over for stones, after which the grass was mowed for the last time this year.

To beautifyl the upper level along 5 th Ave., six (6) Norway maples have been planted between the curb and the bank. They will provide shade in a few years, under which benches can be placed, whereon, parents may rest and watch their children at play.

The Hallowween Party held at the Playground on Wed 29, of October was a great success, and we of the Recreation Comm. would like to thank the many adults;

First; for their assistance im making preparations,
Second; for their many fine gifts of cakes, pies, candies, etc.,
Third; for their supervision games and awarding of prizes,

October 6, 1969

The regular monthly meeting of the North York Borough Council was held Monday evening, October 6th. 1969 at 8:00 o'clock in the borough hall. The meeting was called to order by the President William H. Everhart. Roll call found the following to be present: Councilmen Rife, Callahan, Richcrick, Schmid, Gibbs; Engineer Weigle; Solicitor Beers; Mayor Keener; Treasurer Everhart and Secretary Shettel. The minutes of the previous meeting were approved on a motion by Callahan. Rife seconded the motion. Motion carried.

Discussion was held regarding the wording of the ordinance passed establishing a Recreation Commission. The question was raised regarding the accounting that had to be made regarding the financing of this commission. Solicitor Beers stated that the ordinance reads that the accounting to be made is the activity performed by Borough Council.

Mr. Kenneth Ellis, York City Housing Inspector was present at the meeting and showed slides to borough council of the housing conditions in the City of York. He also explained the working of the Housing Code in the city. These were shown to council to show conditions that do exist and for the benefit of council in the event a housing code may be established in the borough.

Public Works Committee: It was reported that Denton Fitz had been contacted regarding the removal of snow in the borough. The committee was instructed to get prices for both an overall contract and at an hourly rate.

Callahan stated that he had inspected the Borough garage and feels that it is in good condition. Gibbs however stated that the door needs to be fixed and painted. Windows need to be replaced. The committee to do whatever work is necessary at the garage.

A letter has been forwarded to the Supervisors of Manchester Township regarding their portion of 5th. Ave., which is in need of repairs. It was reported that this will be discussed at the townships next meeting and we may expect to hear from them after their meeting. Engineer Weigle was instructed to contact the township engineer prior to their meeting.

It was reported that the York Water Co., stated they had received a bill covering their share of the repairing of a trench caused by them and that they felt they did not owe this bill as the trench had been repaired. Weigle to contact Denton Fitz to see just what his company had to do in the repairing of this trench.

Weigle reported that the casting for the storm water sewer at 7th. Ave. and N. George Street had been received and would be installed plus other concrete jobs in the borough.

A resolution was passed by borough council applying for County Liquid Fuel Tax funds to be used on Columbia Ave., from E. 7th. to E. 8th. Ave., 548' lg. x 30' wide at a cost of $2600.00.

Discussion was held regarding the changing of the radius of the curb at 7th. Ave., and N. George St., to allow for trucks and buses better access into 7th. Ave. This situation is to be checked by the committee.

It was decided to have our Solicitor contact R. B. Hobaugh regarding the operation of our signal lights at E. 7th. Ave., and N. George St. It was thought that it would be well to have an engineer from the Hobaugh Co., present at the next meeting to explain these operations.

Discussion was held regarding our share of the expense in rebuilding the signal lights at N. George St., and 2nd. Ave., and Parkway Boulevard. It was decided to wait until we hear from the City of York regarding the amount of state aid is possible covering labor and material for this job.

Discussion was held regarding the piece of land that the borough is at present leasing from the York City School District. The secretary was instructed to write Mr. Charles Warner, Secretary of the School District asking them if we could purchase this property, and if not to to given an option on this if it is to be sold at any future time.

An activity report on the Lloyd Z. Kauffman Playground was given by Gibbs. This report has been attached to the minutes. Mayor Keener also stated that there would be a Halloween Party given for the children of the borough at the playground on Wednesday October 29th. 1969.

The police report was read by Schmid and placed on file.
Discussion was held regarding the purchase of a new car to be used by the Police Department. Richcrick moved that specifications be prepared for a new car, and bid notices be advertised. Gibbs seconded the motion. Motion carried.
These bids will be opened at the next regular meeting.

Discussion was held regarding no parking of vehicles between 9th. and 10th. Avenues on the west side of N. George St., and also on N. Court Avenue. This to be checked.

Discussion was held regarding waste containers to be placed in the borough. Gibbs stated that he had obtained a price of $88.50 for these containers. He also showed to council a galvanized lid that could be used on a drum. No action was taken awaiting an answer to a proposal made to the North York Lions Club regarding the furnishing of new waste containers.

The Finance Committee report showed that $352.00 had been collected in 1969 borough taxes, by the collector Harold L. Haines.

Mayor Keener's report was read and this showed that $28.00 in fines, and $71.25 in permits, had been collected by his office during the month.

The name of George Sipe was proposed as a member of the Planning & Zoning Commission. Gibbs moved that Mr. Sipe be appointed to this post. Callahan seconded the motion. Motion carried.

Rife moved and Schmid seconded that an order be granted for the payment of all of the bills subject to final audit. Motion carried.

Callahan moved and Rife seconded that the meeting be adjourned. Motion carried.

Respectfully submitted,
Samuel H. Shettel
Secretary.

North York Recreation Committee.

30 Sept. 1969.

SUBJECT: Monthly Recreation Report.

TO; Borough Council

In September 69, the large sand box (of concrete construction) was completed and filled with sand. The swings for the older children have been installed, and have seen much service.

With the coming of cooler weather, the boys have been using the football area, and some of the older boys and adults have been using the archry range.

Plans are under way to have a Halloween Party forthe Borough children, on Wednesday, 29 Octobe[illegible].

The regular monthly meeting of the North York Borough Council was held Monday evening, Sept. 8th. 1969, at 8:00 o'clock in the borough hall. The meeting was called to order by the Vice President, Charles Whorl, in the absence of the president. Roll call found the following to be present: Councilmen Schmid, Callahan, Rife, Richcrick, Gibbs; Mayor Charles Keener; Engineer Weigle; Secretary Shettel and Treasurer Everhart. The minutes of the previous meeting were approved on a motion by Richcrick. Callahan seconded the motion. Motion carried.

Public Works Committee: The committee reported that the cross walks at 7th. Ave. and N. George St., have been painted.

It was reported that the necessary repairs to the roof of the borough hall have been made by R. W. Raffensberger.

The committee was instructed to have the windows in the borough garage repaired.

It was reported that after investigation the portion of land south of the borough at 5th. avenue and now the property of the York City School District, it was found that this land cannot be annexed from Manchester Township, by the borough.

Discussion was again held regarding the repairing of 5th. Avenue from Pine St. to Elk Alley. It was thought by council that since the street had been repaired last year and until Manchester Township repair their portion along this street to conform with the boroughs portion a good job could not be done. Gibbs stated that if the borough would repair this street the other portion would be taken care of by individuals by placing quarry waste and tar on it. No definite decision was made. Schmid moved and Rife seconded that the secretary be instructed to write to the Manchester Township Supervisors asking them to repair that portion of their land adjoining 5th. Avenue.

Weigle reported that a casting was being made for the storm water sewer at 7th. Ave., and N. George St., and this would be installed as soon as it is finished.

It was reported that the storm water sewer at 8th. Ave., and N. George St., does not carry the water away fast enough. It was reported that the sewer had been increased in size when it was rebuilt. It was thought that the pipe carrying the water away may not be large enough. Weigle to check into this. Kling of the State Highway Department to be contacted to see if repairs to N. George St., would help to eliminate this condition.

The committee was instructed to check the garage regarding paint and get prices on this work if it is thought necessary.

It was decided to contact Denton R. Fitz Inc., regarding a snow removal contract for the winter months. This contract to include the placing of anti skid material also.

Public Safety Committee: The police report was read by Schmid. A copy has been attached to the minutes.

It was reported that the committee has received many requests from residents regarding better street lighting in the borough. The committee recommended that new mercury vapor lights be placed on E. 7th. Ave., at the Central High School, and also at the intersection of N. George St., and Laurel St. Schmid moved and Gibbs seconded that the Metropolitan Edison be contacted to prepare resolutions for these two lights, and install them. Motion carried.

It was reported that the resident parking a trailer on N. Court Ave., and E. 10th. avenue had been contacted and the trailer will be moved as soon as the residents garage is available for it.

Paul P. Lauer, the borough garbage collector complainted of the low branches of a tree at E. 10th. Ave., and N. Court Ave., in that his truck stricks these branches when he passes under it. It was decided to contact the owner of this tree to remedy this condition.

It was stated that the newly installed "stop here for red light" signs have been placed extremly low and it could be possible that some person may walk into them injuring themselves. These to be checked and raised if necessary.

Tom Yeaple a trustee of the Liberty Fire Co., was present at the meeting stating that the FWD Fire Apparatus was in need of repairs, and stated that this repair job would cost between $700.00 and $1000.00.
Rife moved and Schmid seconded that a contribution of $1000.00 be given to the fire company.
Yeaple also reported that one fire alarm had been answered by the company during the month.

Discussion was held regarding the parking of vehicles in the alleys in the borough, especially between 8th. and 9th. avenues. The committee was instructed to check parking conditions on all the secondary streets and alleys in the borough.

Sanitation Committee: It was reported that the sanitary sewer had been corrected at 135 E. 5th. Ave.
It was reported that the storm water sewer at 8th. Ave., and N. George St., has been cleaned.
Paul P. Lauer, garbage collector reported that the waste containers placed in the borough are extremely heavy to handle as they have to lift the entire container to empty them. Gibbs was instructed to contact the company regarding new containers and also get cost of containers.

Complaints have been received regarding silver maple trees on Potters Field. A letter was received from the City of York stating that due to the extra expenses in the city they would be unable to do anything about this at this time.

Finance Committee: The following money reported asbeing collected during the month:

York County Earned Income Tax Bureau	$3627.80
Harold L. Haines, 1969 taxes	620.60

It was decided to ask for an itemized account of the bill of $695.00 for recreation in the borough. This bill was for equipment and material which council feels is quite high.
Callahan moved and Richcrick seconded that the street pepairing invoice from Denton R. Fitz Inc. be approved for payment.

Schmid moved and Gibbs seconded that Mr. John Keesey be appointed as an extra policeman in the borough. Motion carried.

Mayor Charles Keener reported that $60.50 had been collected in permits; $16.00 in fines; and $.50 in Bibycle Licenses during the month.

Mayor Keener read a letter from a resident of the borough now serving with the armed forces in Vietnam stating his appreciation of the borough in their observance of "Remembrance Day" in the borough.

Schmid moved and Gibbs seconded that an order be granted for the payment of the bills subject to final audit. Motion carried.

Rife moved and Callahan seconded that the meeting be adjourned. Motion carried.

Respectfully submitted,
Samuel H Kettel
Secretary.

Recreation Committee
N. Y. Borough

30 August 1969.

SUBJECT: Monthly Recreation Report
TO; Borough Council

During the month of August, the swing sets for the Tots andthe intermediate children have been placed in operation, and as soon as concrete can be placed, the six (6) swings for the older children will be available for recreation.

Permission to place two (2) rubber seats on the swings at Central High was received, but upon arriving to install them, we foung that all the chains were removed because of worn parts. Plans are made to place them in operation in early spring.

Five pieces of shrubbry have been planted and the grass which was planted in early summer in now giving us green turf.

Plans are under way to provide off street sleighing for the children on the playground, thus providing the children with safety and eliminating the need to block off streets in the neighborhood.

The regular monthly meeting of the North York Borough Council was held Monday evening, August 4, 1969, at 8:00 o'clock in the borough hall. The meeting was called to order by the President William H. Everhart. The minutes of the previous meeting were approved on a motion by Whorl. This motion was seconded by Gibbs. Roll call found the following to be present: Councilmen Callahan, Whorl, Gibbs, Rife, Richcrick; Mayor Keener; Engineer Weigle; Solicitor Beers; Treasurer Everhart and Secretary Shettel.

A brief moment of silence was observed in memory of Officer William Schaad a member of the York City Police Department who lost his life in the line of duty during a period of rioting in the City of York.

Mr. Lehman, the owner of a property now being constructed at Fair Alley and Meade St., was present at the meeting and ask council for permission to excavate a portion of this alley to make it more accessable to a parking area. The entrance of this alley would be on Meade St. Solicitor Beers stated that borough council has nothing to do with a private alley and he advised Mr. Lehman to contact his own attorney regarding this.

Public Works Committee: It was reported that Deonton Fitz, Contractor for our street work has started the patch work and the resurfacing work would be started immediately. The question of resurfacing 5th. Avenue was again discussed. Gibbs stated he had attended a meeting of the Manchester Township. They stated they would be willing to have this portion of 5th. avenue transferred to the borough. It was further stated that the township would like to contact their attorney regarding the will that bequeathed the playground land to York City School District.

Engineer Weigle stated he had contacted Mr. Long of the Top Flight Tape Co., for a discription of portion of property they wanted to be annexed. Up to this time he has not heard from him. He stated he would check with Top Flight Tape Co.
Weigle further stated he had received a plan from Henry Leader regarding a former request from Top Flight Tape Co. Regarding the extending of E. 8th. Ave. He stated be believed the Central York School District ask Leader to check into this. Council decided to wait until they hear from Attorney Leader.

It was reported that H. R. Hobaugh has been contacted and requested to check traffic light at E. 7th. Ave.

It was decided to paint the cross walks prior to the opening of the schools in September.

Discussion was held regarding the placing of directional arrows at the intersection of E. 7th. Ave., and N. George St. This is to be reviewed by the public safety committee.

It was reported that two signs "Stop Here For Light" have been bought and will be installed.

It was decided to check and replace any windows in the garage that need to be replaced.

Callahan reported that it had rained in at spots in the borough hall. He was instructed to check into this and have any repairs done that are necessary to stop this.

An Ordinance establighing a Recreation Board of Seven Members with power to equip, operate and maintain recreation places within the borough was read. This ordinance was adopted on a motion by Callahan and seconded by Richcrick. Motion carried.

Public Safety Committee: A petition from residents of the borough living in the area of 949 N. George St., was presented to council. This petition stated that garages in the rear of 949 N. George St., were in such a state that they have become a fire hazard and a general nuisance. This petition was accepted and will be checked into.

Solicitor Beers was asked to check into the establishing of a housing code to be used by the borough.

The Police Chief report was read by Rife. This report has been attached to these minutes.

It was reported that Police Chief Geisler had worked overtime during the recent riots in the City of York. He worked in the interest and protection of the borough. Richcrick moved and Gibbs seconded to pay him an hourly rate of $2.00 for this overtime work.

Mr. Rife stated that he had talked with Walter Wineholt regarding his request for a yellow line placed at the curbing at his property and prevent large trucks from parking their creating a traffic hazard. This issue will be checked into further by the committee.

It was reported that the request for a street light on Laurel St., between N. Court Ave., and N. Duke St., was checked into. Council stated that with the mercury vaper light recently installed at N. Duke St. and Laurel St., and also the additionallight at the newly opened Shelly's Lounge, this street light is not needed.
It was stated that there is a possibility of changing some lights in the borough to mercury vapor lights.

The committee was ask to check into the parking of cars on N. Court Ave., from 9th. Ave., to 10th., Avenues. It was decided to contact the residents and ask for their cooperation in this.

The resignation of Delbert Royer, an extra policeman was read. This was accepted with regret on a motion by Gibbs and a second by Callahan. Motion carried.

An Ordinance regulating the presence of minors under the age of nineteen in public streets and other placed in the borough between the hours of 10 PM and 6 AM was read to council. This ordinance was adopted on a motion by Callahan. Rife seconded the motion. Motion carried.

Sanitation Committee: It was reported that the sanitary sewer at 36 E. 9th. Ave., has been corrected.
It was reported that the storn water sewer at 8th. Ave. and N. Court Ave., is in good condition.
It was also decided to check the storn water sewer at 8th. Ave. and N. George St.

Mr. Bruce Johnston was appointed as a representative of North York Borough to the Greater York Air Pollution Control Board. This appointment was made on a motion by Whorl. Gibbs seconded the motion. Motion carried.

Discussion was held regarding the replacement of trash containers placed in the borough. It was decided to contact the local North York Lions Clubs regarding this since they placed the original containers.

Finance Committee: Whorl reported that the amount of $3791.05 had been collected in taxes during the month.
A list containing the namesof persons to be exonerated from paying Per Capita tax was presented by Tax Collector, Harold L. Haines. This list was accepted on a motion made by Richcrick. Whorl seconded the motion. Motion carried.

Mayor Charles R. Keener reported that $22.00 in fines and $43.00 in permits had been collected by his office during the month.

Whorl moved that an order be granted for the payment of the bills subject to final audit. Richcrick seconded the motion. Motion carried.

Callahan moved that the meeting be adjourned. Rife seconded the motion. Motion carried.

The regular monthly meeting of the North York Borough Council was held Monday evening, June 2nd. 1969, at 8:00 o'clock, in the borough hall. The meeting was called to order by the President William H. Everhart. Roll call found the following to be present: Councilmen Whorl, Rife, Gibbs, Richcrick, Callahan, Schmid; Mayor Keener, Engineer Weigle; Solicitor Beers; Treasurer Everhart and Secretary Shettel. The minutes of the previous meeting were approved on a motion by Whorl. Callahan seconded the motion. Motion carried.

Public Works Department: It was reported that the excavation made by the York County Gas Co., on Meade St., has not been closed properly. It was decided that this work will be done by the borough and send a bill to the Gas Company for this work.

It was reported that the curbing at the entrance to the fire house is in a bad condition. This is to be repaired.

Discussion regarding the resurfacing of East 5th. Ave., from N. Pine St., to Elk Alley was held. It was stated that all of this street is not in the borough and we could not do anything to any portion of this street that is in Manchester Township. It was stated however that if the greater portion of the street is in the borough we can proceed to improve the street by normal operation. Engineer Weigle was ask to check that portion of 5th. Ave., from N. Pine St. to Elk Alley and arrive at a price for this work, which would consist of reconstructing this street with a new base. This will only be that portion of the street in the borough. Weigle being present at the meeting stated that he thought the cost could be approximately $1200.00. Schmid moved and Callahan seconded to reconstruct this portion of 5th. Ave. from N. Pine St., to Elk Alley, to grade. Motion carried.

It was reported the York County Gas Company checked gas line in the borough hall. They stated that a new hot water heater should be installed. Council stated that a new heater would be installed.

Engineer Weigle stated that the newly placed curbing at the home of Harold Rauhauser on Chapel Drive was not placed by the contractor according to the grades which he gave him and that he felt it should be known as he did not want to be made responsible for this curbing the way it is. He suggested sending a letter to Rauhauser about this poor job and suggest that he contact his contractor to have it corrected.

Mr. Plitt of the Topflight Tape Co., approached a member of council requesting to have council that a portion of land now belonging to Manchester Township be annexed into the borough. This portion of land is in the rear of the Topflight Tape Co., and in the rear of the 1300 block of N. Duke St. This held for later discussion.

It was reported that a new water hose has been purchased for use at the borough hall.

It was reported that work on the lights at the playground is to be started Saturday.

Public Safety Department: The police report for the month of May was read by Schmid and placed on file.

It was reported that new streets lights have been installed at N. George St., and E. 7th. Ave., and also on Chapel Drive, by the Metropolitan Edison Co.

It was requested by the committee that the existing Curfew Ordinance be revised in that it be made to read that the age limit be changed from 16 years of age to 18 years. Solicitor Beers was asked to draw up the necessary ordinance. This was done on a motion by Gibbs. Schmid seconded the motion. Motion carried.

Mr. David Frey of the York Electronics Co., was present and demonstrated a walky-talky radio which could be used by the Police Department. The price of this would be $325.00. The price of this if a charger would be included would be $422.00. The committee to

check with the City of York regarding the frequency used and are intending to place their radio equipment on scramble. The committee to present their recommendations at the next meeting.

An ordinance was read establishing one way traffic eastward on Reynolds Avenue from N. Court Ave., to N. Duke St. Schmid moved that the ordinance be adopted. Gibbs seconded the motion. A vote was called for with the following results:

Yea	Nay
William Schmid	Ray Rife
Earl Gibbs	George Callahan
Jason Richcrick	Charles Whorl

There being a tie President Everhart cast the deciding Yea vote passing the ordinance.

It was reported that there are several signs in the borough that need to be repaired, especially those on the one way streets. It was also stated that there are signs now erected that are not necessary. The Public Safety Committee to check into this and have these signs corrected wherever necessary.

Sanitation Department: It was reported that one sewer stoppage was corrected in the 1000 block of N. Duke St.

It was reported that there are some manholes that are not at the right level, since the last general street repairs were made. These are to be corrected at the time the general street repairing is done.

Mr. R. W. Raffensberger is to be present at the next meeting of council to discuss equipment necessary for the maintaining of the sanitary sewers.

It was reported that the public trash receptacles placed in the borough are being used by residents as their own private receptacles. It was reported that these parties have been contacted regarding this.

The condition of the weeds in the borough was discussed. Mayor Keener was ask to check into this condition. The condition of the weeds and the amount of junk on W. 10th. Ave., to be checked into and corrected.

Finance Committee: The following report was read by Whorl:

1968 PerCapita $40.00 + 2.00 Penalty =	$42.00
1969 Property $3603.12 - $72.05 Disc. =	3531.07

A listing of Ordinances was presented by Richcrick. He suggested to council that Ordinance #61 regarding disorderly conduct be updated and assigned a new number. Solicitor Beers was asked to do this. This was done on a motion by Richcrick. Callahan seconded the motion. Motion carried.

It was reported that residents of W. 9th. Avenue requested that they may be allowed to extend their property, namely their fence, to the cemetery. Beers stated in that this is a private alley this can be done but then it becomes the private citizens own problem.

Tom Yeaple of the Liberty Fire Co. reported that there were five fire calls answered last month with loss at one of the fires.

Discussion was held regarding purchasing uniforms for our extra policemen. It was moved that two (2) complete summer and two (2) complete winter uniforms be purchased for our extra police, not more often than every three (3) years, and the uniforms remain the property of North York Borough. This motion was made by Schmid. Gibbs seconded the motion. Motion carried.

Application for Liquid Fuel Funds to be given for street repairs by the York County Commissioners, was approved and signed.

Schmid moved and Rife seconded that an order be granted for the payment of the bills subject to final audit. Motion carried.

Callahan moved and Rife seconded that the meeting be adjourned. Motion carried.

Schmid moved that the lowest bid submitted by Denton R. Fitz be accepted. Callahan seconded the motion. Motion carried.
Weigle stated he would prepare the contract and notify Fitz. Also notify the losing bidders.

Discussion was held regarding the councils dissatisfaction with the signal light at 7th. Ave. and N. George St. Everhart stated he would contact H. R. Hobaugh regarding this. It was also reported that Hobaugh had been notified to install two additional signal lights.

Gibbs stated that he would like to have permission to go ahead with the installing of lights and water on the playground being installed at 5th. Avenue. He stated it would cost approximately $100.00 to install a water line with drinking fountain included in this amount. A water meter would have to be installed, and 6 lights placed on the playground. The borough would be responsible for light and water bills.
Richcrick moved and Callahan seconded that light and water be provided for this playground. Motion carried.

The following persons have been named as a committee to control activity on this playground: Earl Gibbs, Charles Keener, Ray Rife, Edward Blankenstein and Ronald Reinecker.

Callahan stated that he had received word from Mr. Bruce Bainbridge that everything is set up between Manchester Township and North York Borough regarding the summer recreation program. This program will again be handled through the Central York School District. Callahan also stated the North York Lions Club has stated they would make a contribution.

Discussion was held regarding the changing of the ordinance passed regarding one way east traffic on Reynolds Alley. Schmid moved that the former ordinance be recinded and another ordinance passed making this alley one way from west to east. A call on the passing of this motion showed that Schmid and Gibbs voted yea; Whorl and Callahan voted nay, with Richcrick abstaining. There being a tie the president cast the decided yea vote passing the motion. and Gibbs seconded

A request was made to remove the stop sign at the north west corner of Laurel St. and N. Court Ave., and place two stop signs controllingthe north & south traffic. The public safety committee to check into this and make a recommendation to council.

The committee was also to check into the illegal parking of cars in the 1200 block of N. Court Ave.

Schmid recommended to borough council that Delbert Royer be hired as an extra policeman in the borough. Schmid moved and Gibbs seconded that Mr. Royer be accepted and hired as an extra policeman. Motion carried.
The committee was asked to check into the matter of uniforms for the policemen.

The mayors report was read showing that $30.00 had been collected in permits and $36.00 collected in fines during the month.

The police report was read by Schmid and placed on file.

Sanitation Dept: It was reported that three stoppages in the sanitary sewer system were corrected.
It was reported that the York County Lumber Co., stated they were having a water problem at their property. After discussion council felt that this problem is their responsibility.

The committee was ask to check the sanitary sewer line in the 1200 block of N. George St. It was stated it could be possible that the sewer trench has caved in.

Finance Committee: Whorl read the financial report of the tax collector showing that $231.76 had been collected in 1968 taxes; and $7286.68 collected in 1969 taxes collected.

Whorl moved to pass a resolution transfering the amount of $23,195.00 from the reserve fund of the Sanitary Sewer Fund, to the North York Borough Authority. Callahan seconded the motion carried.

April 7, 1969

The regular monthly meeting of the North York Borough Council was held Monday evening April 7, 1969, at 8:00 o'clock in the borough hall. The meeting was called to order by the Vice President, Charles Whorl. Roll call found the following to be present: Councilmen Richcrick, Gibbs, Rife, Callahan; Mayor Keener; Engineer Weigle; Treasurer Everhart and Secretary Shettel. The minutes of the previous meeting were approved on a motion by Callahan and a second by Rife. Motion carried.

Mr. Edward Klingeman, manager of the North York Branch of the York Bank and Trust Co., was present and stated he has received complaints from both the employees of the bank and the customers of the bank regarding the east to west one way traffic on Reynolds Ave. He stated his employees stated it was very inconvient to enter their parking lot. He suggested extending the yellow lines on N. Duke St., to allow more visibility when entering N. Duke St., from Reynolds Ave. This complaint was turned over to the Public Safety Committee for their consideration and any recommendations they may have.

Public Works Department: It was reported that extensive repairs, including the installation of a manhole, had been made to the sanitary sewer at the intersection of E. 6th. Ave., and N. Court Ave.

Highway Department: It was reported that workmen from Spring Garden Township will clean all of the streets in the borough on April 8th. and 9th. It was further reported that there would be someone follow this sweeper to clean up any dirt that had been missed.

It was reported that Manchester Township and North York Borough will have a recreational program this summer. Callahan who is the boroughs representative on the recreation board stated that C. C. Ruby of Central York School has offered to find a supervisor to direct this program. Manchester Township will contact the borough when they have a meeting regarding this. Callahan was instructed to follow thru on this.

It was decided to advertise for bids for the general repairing of the borough streets. The following were tentatively selected for repairs: Queen St., 5th. to 6th. Ave.; N. Duke St., 8th. to 11th; E. 10th from N. Duke St. to borough line; Columbia Ave. from E. 7th. Ave., to borough line.

The storm water sewer at the south east corner of N. George St., and E. 6th. Ave., to be checked for new installation. All other storm water sewers to be checked for repairs.

Discussion was also held regarding the reconstruction of 5th. Ave. from Pine St. to Elk Alley. In view of the fact that part of this is in Manchester (West) Twp., it was decided to check with Solicitor Beers regarding the legal procedure to be taken to repair this.

It was also decided that all necessary patching of the streets will be done.

A bid of $239.00 was received from R. B. Hobaugh regarding the installation of two pedestrian lights at the existing signal light at E. 7th. Ave. and N. George St. This installation to include two signal heads, necessary pipes and wiring. Callahan moved to accept this bid and inform Hobaugh to that effect. Gibbs seconded the motion. Motion carried.

Mayor Charles R. Keener reported that $28.00 had been collected in fines; $24.00 in permits; and $2.00 miscellaneous, during the month.

Mayor Keener ask that borough council appoint Mr. Delbert Royer as an extra policeman. In view of the fact that council had no knowledge of the ability of Mr. Royer Richcrick moved that his name be referred to the Public Safety Committee for consideration and they make their recommendations

Discussion was held regarding sick leave for the borough Chief of Police. Keener stated he had made inquiries with different municipalities regarding this. One inquiry showed that 7 days were allowed per year, with borough making up any difference of compensation to allow officer to receive full pay for the week. This to be done up to 30 days.

One township allows 6 to 12 weeks up to 10 years of employment.

This was referred to the Public Safety Committee for their consideration and recommendations. This was done on a motion by Richcrick and a second by Rife. Motion carried.

Tom Yeaple of the Liberty Fire Co., #1, reported that one fire alarm, with no loss, had been answered by the fire company during the month.

A letter was read from the York Bank and Trust Co., stating that a charge of $10 per bill, will be charged for the collection of the Sanitary Sewer bills. This was accepted by the council and letter was filed.

A motion was made by Gibbs that the borough conduct a spring clean-up this year. Callahan seconded the motion. Motion carried.

Callahan moved that an order be granted for the payment of the bills, subject to final audit. Gibbs seconded the motion. Motion carried.

Callahan moved that the meeting be adjourned. Rife seconded the motion. Motion carried.

Respectfully submitted,
Samuel H Shettel
Secretary.

March 3, 1969

The regular monthly meeting of the North York Borough Council was held Monday evening, March 3, 1969 at 8:00 in the borough hall. The meeting was called to order by the president William H. Everhart. Roll call found the following to be present: Councilmen Whorl, Callahan, Rife, Gibbs, Richcrick Schmid; Engineer Weigle; Mayor Keener; Treasurer Everhart and Secretary Shettel. The minutes of the previous meeting were approved on a motion by Callahan. Rife seconded the motion. Motion carried.

Public Works Department: Mr. Kohler of the R. B. Hobaugh Co., who installed the new traffic signal light at E. 7th. Ave., and N. George St., was present at the meeting relative to the trouble the borough has been having with the operation of the lights. He stated it was possible the trouble may be with the detectors on either George St., or 7th. Ave. He told council that someone had placed a jumper on the flasher switch. Keener told council he had called in an electrician from the city and a new unit was put in which worked for a while. It was mentioned that the trouble usually occurred during a weekend. Kohler said that it was possible that a cut down was made in the power over the weekends. He stated some utilities have done this. He further stated that it was possible the trouble is external and suggested putting it on a lower voltage. The flasher is not working at present. He stated he would check the light in the morning and would probably have to take one step at a time and try to find the trouble by the process of elimination. He also stated that the problem of the conduit showing along the curbing would be corrected.

It was decided by council to proceed with the program of general street repairs. The streets will be checked to see the amount of repairs needed in the borough.
Callahan was instructed to contact persons relative to the cleaning of the streets either the first or second week of April.

Callahan was instructed to contact Manchester Township regarding their participating in a recreational program with the borough. Callahan stated they had previously stated they had spent quite a large amount of money last year and felt it was not appreciated by the residents of the township.
The possiblity of the borough conducting a program with the possible help of the North York Lions Club.
Callahan to contact Clinton Ruby, Supervisor of School District regarding a supervisor for this program and just what the minimum amount of expense would be involved.

Public Safety Department: Tom Yeaple of the Liberty Fire Co., reported that two fire calls were answered during the month of January; One call answered during the month of February. There was no loss in any one of these calls.

The police report was read by Schmid. Copy attached to minutes.

A resolution from the Metropolitan Edison Co., regarding the placing of a mercury vapor light on Chapel Drive at the borough line. Schmid moved that the resolution be adopted. Gibbs seconded the motion. Motion carried.

Mayor Keener reported that he could obtain a Sonie Walkie-Talkie outfit to be used by the police department for approximately $400.00. Council ask him to have the representative of the Lafayette Radio Sales to attend a council meeting and give a demonstration of this equipment before any purchases are made.

The Mayor's report showed the following:

Permits	$20.00
Fines	36.00
Juke Box Tax	20.00
Pin Ball Tax	200.00
Police Acct. Reports	4.00
Zoning Hearing	20.00

A letter was read from the Central School District regarding ameeting between council and the school board, relative to the proposed addition to the high school. Mayor Keener was ask to set a time for thismeeting.

Letters of resignation from Extra Policemen LaVerne Spangler and William F. Flickinger respectively. These resignations to become effective immediately. Schmid moved that these resignations be addepted with regret. Gibbs seconded the motion. Motion carried.

Sanitation Committee: It was reported that the yard of the borough hall needed to be cleaned. Gibbs was asked to have this done.

Gibbs moved that the name of Roger Leppo be presented for appointment on the North York Planning Commission. Rife seconded the motion. Motion carried.

Whorl moved that the name of Ronald Reinecker be presented for appointment on the North York Planning Commission. Schmid seconded the motion. Motion carried.

Council appointed Mr. Leppo and Mr. Reinecker to serve as members of the Board of Appeals.

Finance Committee: It was reported that $408.25 had been collected in taxes.
It was reported that the following monies have been received from the York County Earned Income Tax Bureau:

1967 Delinquent Tax	$166.43
1968 portion of Budget - Quarterly report	3133.10

Whorl presented hospitalization plans from the Celina Insurance Co., and also from Capital Blue Cross Co. This hospitalization program to be purchased for Jack Geisler our Chief of Police. Following discussion of both plans, Richcrick moved that council accept the plan presented by Blue Cross and Blue Shield. Rife seconded the motion. Motion carried.

Relative to the borough participation with Central School District, Springettsbury Township, and Manchester Township, in maintaining an up to date census of residents in our borough, Whorl presented the names of Anna Rohrbach and Martin Houck to be retained by the borough to keep these records and to cooperate with Central School District in doing this. Callahan moved that Mrs. Rohrbach and Mr. Houck be appointed to do this work. Motion carried.

An ordinance was presented to council which will amend the Zoning Ordinance of 1958, changing a portion of W. 11th. Ave., from R-1 Residence to C Commercial. The ordinance was adopted on a motion by Schmid. Callahan seconded the motion. Motion carried.

The question of sick leave for Chief of Police Jack Geisler was brought before council. This was turned over to the finance committee for consideration. They will bring their recommendations to the next council meeting.

Callahan moved that all of the bills be paid sugject to final audit. Rife seconded the motion. Motion carried.

Rife moved that the meeting be adjourned. Gibbs seconded the motion. Motion carried.

Respectfully submitted,
Samuel H Sletter

The regular monthly meeting of the North York Borough Council was held Monday evening, February 3, 1969 at 8:00 o'clock in the borough hall. The meeting was called to order by the president William H. Everhart. Roll call found the following to be present: Councilmen: Whorl, Rife, Richcrick, Callahan, Gibbs, Schmid; Mayor Keener; Solicitor Beers; Engineer Weigle; Treasurer Everhart and Secretary Shettel. The minutes of the previous meeting were accepted on a motion by Callahan. Gibbs seconded the motion. Motion carried.

Joe Gentzler a resident of the borough was present and ask council why there is no light at the north-west corner of the intersection of E. 7th. Ave., and N. George St. He stated this he thought was necessary for the convenience of persons crossing George St., from the east to west side. He was informed that this question had been discussed before and was at present in consideration.

Public Works Department: It was reported the bad spots on Meade St., were done by the York County Gas Co., and would be filled in. It was reported that the opening done by the York Water Co., had been filled in.

It was reported that the alley on 5th. Avenue between N. Duke St. and N. Queen St., would be repaired as soon as weather permits.

Police Chief Geisler was instructed to purchase a case of flourescent lamps to be used in the borough hall.

It was reported the Modine Heater on the first floor of the fire hall was not operating properly. Callahan was instructed to contact Dietz to have this checked and replace the motor if necessary.

Borough Council decided to purchase several loads of material to spread on the streets when they are icy and to be placed in the borough to be available when necessary.

Sanitation Department: A bill from Edw. Mann & Co., plumbers for the opening of a sewer line on N. Duke St., was approved for payment.

The sanitation committee to contact Paul Lauer to check the storm sewers and clean those that are in need of it.

It was reported that letters were written to persons who stated they could not place their garbage to the rear of N. George St. Council to check into the purchase of a paper container to be placed at Baylors Cigar Store.
Richcrick to contact Paul Lauer in regards to his parking a garbage truck on 3rd. Ave. This due to a complaint of the resident of 701 N. George St.

Schmid presented a resolution from Metropolitan Edison Co., to replace the present street light at E. 7th. Ave., and N. George St., with a mercury vapor light. Schmid moved to adopt the resolution. Gibbs seconded the motion carried.
Schmid also asked permission to ask for a new street light on Chapel Drive at the line between the borough and Manchester Township. Council agreed to ask for this resolution.

The police report was read by Schmid. Copy of report attached to minutes.

Whorl stated he had checked with the White Rose Agency regarding hospitalization insurance for Officer Geisler. Blue Cross and Blue Shield to be contacted. A report will be presented at the next meeting.

It was reported that the state had checked the newly installed signal light and reset timer to state standards.
It was reported that the light timing however could be set to increase the flow of traffic on E. 7th. Ave. Geisler ask to call Upham regarding having this increased.

It was reported a letter had been written to R. B. Hobaugh regarding the badly laid conduit for the signal light. At present nothing has been done to eliminate this.

Keener reported that it was possible to purchase a second hand two-way radio outfit for approximately $150.00. Callahan moved and Gibbs seconded to purchase this outfit if Link Radio states it can be repaired and put in first class condition. Motion carried with five (5) yeas and one (1) nay cast by Whorl.

Finance Committee: It was reported that $378.25 had been collected in taxes. The amount of $547.99 was also reported by the York County Earned Income Tax Bureau.

Whorl reported that ameeting was held between Central School District, Springettsbury Township, Manchester Township and North York Borough regarding the keeping an up to date list of people moving into the areas represented. It was suggested hiring two people, one for one half of the borough and other areas, and one for the other half. The proposed cost to be $1.00 for each family. The borough to pay .50 and the school district .50. These people to report to Central School District and be instructed in their duties and the school district would bill the borough for this service. Whorl moved to accept this proposal. Schmid seconded. Motion carried.

A letter of resignation was read from WalterWineholt, a member of the Planning and Zoning Commission. Whorl moved to accept this resignation. Gibbs seconded the motion. Motion carried.

Council to obtain names to fill three vacancies on the Planning and Zoning Commission, and also two vacancies on the Board of Appeals.

A special meeting of the North York Borough Council was held Monday evening, January 27th. 1969, at 7:30 o'clock in the borough hall. The meeting was called to order by the president William H. Everhart. Roll call found the following to be present: Councilmen Richcrick, Gibbs, Rife, Callahan, Schmid, Whorl; Mayor Keener and Secretary Shettel.

The meeting was called to take action on the necessary action needed to reclassify a portion of W. 11th. Ave., from an R-2 Zone to a C Zone.

The following amendment to an ordinance was presented:

> Amendment to the ordinance known as the Borough of North York Zoning ordinance of 1958 Zoning an area on the east and west sides of Chapel Drive near the north terminus thereof R-1 residence; an area bounded on the north by the borough line and on the south by Olympia avenue comprising the Lebanon Cemetery property as C-Commercial; and reclassifying an area bounded on the north by Eleventh Avenue and on the West by the borough line and the Lebanon Cemetery from R-2 residence to C commercial and amending the zoning map accordingly.

Schmid moved to introduce this amended ordinance. Richcrick seconded the motion. Motion carried.

It was decided to advertise that a public hearing would be held to consider the above ordinance. Notice of this public hearing to be advertised as being held on Thursday February 13th.

Gibbs moved that the meeting be adjourned. Rife seconded the motion. Motion carried.

Respectfully submitted,

Samuel H. Shettel

Secretary.

The regular monthly meeting of the North York Borough Council was held Monday evening, Jan. 6th. 1969, at 8:00 o'clock in the borough hall. The meeting was called to order by the president William H. Everhart. Roll call found the following to be present: Councilmen: Whorl, Rife, Callahan, Richcrick, Schmid, Richcrick; Mayor Keener; Treasurer Everhart and Secretary Shettel. The mintues of the previous meeting were approved on a motion by Rife. Whorl seconded the motion. Motion carried.
The minutes of a special meeting held Dec. 30th., were approved on a motion by Whorl. Rife seconded the motion. Motion carried.

Richard Ehrhart a resident of N. Duke St., was present at the meeting and requested that council arrive at some decision regarding the making of Reynolds Alley one way. He stated the question had been dicussed previously. The alley should be made one way to protect people walking in this alley, especially elderly people, and also to protect the property of the people living at the intersection of this alley. It was stated that an ordinance making this a one way west had been passed. This ordinance will be checked and put into force. Engineer Weigle will be asked to check the width of this alley.

Public Works Committee: Discussion was held regarding the cindering of streets when needed. Callahan stated that he had tried on several occassions to reach Scholl but was unable to do so. Callahan then contacted Scholl and he stated he (Scholl) would cinder the streets in the morning

Callahan was instructed to check a spot on Meade St., dug by a utility company.

Mayor Keener was asked to check the difference in parking signs on W. 7th. Avenue.

President Everhart stated he had inquired regarding the possible obtaining of Potters Field at W. 7th. Ave. & Schley Alley. He was informed there is a burial ground at Pleasant Acres and when every effort has been exhausted in trying to locate the next of kin of those persons buried in Potters Field, and removed to Pleasant Acres burial plat, we may be able to obtain this ground.

Discussion was held regarding the purchase of a walkie-talkie system to be used by the police department. Mayor Keener stated that when the police leave the police car they lose all contact with any radio transmission. He stated these systems can be used about ten years. This issue was turned over to the Public Safety Committee to review and then bring their recommendations to council.

It was reported all the traffic signs have been taken care of, and those to be received will be installed.

Councilman Schmid ask council for permission to get a resolution from the Metropolitan Edison Co., to place a mercury vapor light at N. George St. and E. 7th. Avenue. Council to authorize him to get this resolution.

It was reported that a uniform had been obtained for Mrs. Jack Rohrbaugh who is our new school crossing guard.

Discussion was held regarding the painting of cross walks at E. 7th. Ave., and N. George St. It was decided to have the school children cross N. George St., at the south side of the intersection, however crosswalks will be painted at either end of the intersection.
Discussion was held regarding the placing of an additional light, possibly red and green, at the south west corner of the intersection. This could be done for approximately $175.00 to $250.00. This to be decided upon.

It was decided to send $70.00 to the Greater York Task Force. This is North York boroughs share in this project.

It was reported that R. W. Raffensberger had opened sewers in the 800 and 1000 blocks on N. Duke St., and also on E. 7th. Ave. at the Central High School parking lot.

A letter of resignation was received from Dr. Bradley Nicholas as North York's representative to the Greater York Air Pollution Control Board. Whorl moved this resignation be accepted with regrets. Gibbs seconded the motion. Motion carried.

A letter of resignation was received from Richard Morris as Chairman of the Planning & Zoning Committee of the borough. Whorl moved that this resignation be accepted with regrets. Schmid seconded the motion. Motion carried.

It was reported by Councilman Gibbs that Willis Run had been cleaned out.

Regarding the request of the Planning and Zoning Committee to reclassify a portion of W. 11th. Ave., from an R-2 Zone to a C zone, President Everhart stated he would contact Solicitor Beers regarding the necessary ordinance to make this change.

It was reported that $355.27 had been collected in 1968 taxes during the month.

Whorl moved that the ordinance re-enacting the $5.00 per capita tax be adopted. Schmid seconded the motion. Motion carried.

Callahan moved that the ordinance re-enacting the Pin Ball & Juke Box tax be adopted. Motion carried.

Whorl moved that the ordinance re-enacting the Earned Income Tax be adopted. Rife seconded the motion. Motion carried.

Whorl moved that the ordinance establishing the milleage rate for real estate tax at 12 mills be adopted. Gibbs seconded the motion. Motion carried.

Whorl moved that a resolution be passed contributing the amount of $500.00 to the Liberty Fire Co. #1, for the year 1969. Callahan seconded the motion. Motion carried.

Mayor Charles R. Keener reported the following:

Permits issued	$87.00
Fines collected	$44.00

Richcrick moved that an order be granted for the payment of the bills subject to final audit. Rife seconded the motion. Motion carried.
